- **July 30 – Rogersville Community Blood Drive @ Fellowship**
- **August 10 – HOME Membership Class**
- **August 24 – Released Leadership Development**

Read Philippians 4:8-9

Ice Breaker: Is there any new field of study or hobby you have picked up this summer?

What stood out/challenged you from Justin's sermon or these verses?

What we think and dwell on matters, especially in the spiritual realm. **What things have you been dwelling and thinking on often lately that is keeping you from experiencing the nearness of the Lord?**

Of those things, what do you need to be quick to turn from?

When you evaluate your life, what topics or areas of life do you most commonly run to worldly wisdom before wisdom from the Lord in?

What is one step you can take this week to focus your mind on what is true, honorable, just, pure, lovely, and commendable?

An action step Pastor Justin recommended for setting our mind on things of value was to "fight to notice pointers". **Think back on your past week; what were some pointers that you can remember that God was using to point your eyes and heart back to His goodness and glory?**

At Home Membership, you find out who Fellowship really is, what we believe, our mission, and how you get to be a part of that mission. There is a time to interact with other new members, members of our staff team and enjoy two meals together. Childcare is available upon registration.

- **August 24 (12pm - 4pm) – Released Leadership Development**
 - Released is an opportunity to onboard new leaders and develop existing leaders at Fellowship Bible Church. You will experience a community of like-minded leaders, impactful and informative teaching to further equip you to be a spiritual leader and we will serve you lunch! Registration for this event is required! Childcare is available but limited! **This is perfect for folks in your life group who you could see being a discipleship or life group leader some day.**
