

Two Destinations / 6.12.22 | Key: Question (Leader's Notes)

Icebreaker: **What is a silly, big question that you asked when you were younger?**

Read Daniel 12

What do these verses say about God/humanity? Is there anything that stood out to you from Justin's message on Sunday?

What are some things that hinder us from having an eternal perspective?

Everlasting Life will be a glorious place, community, and body, forever.

What comes to mind when you think about everlasting life with your creator? How does this impact our lives today?

Everlasting Disgrace will be a place of shame and a community of contempt, forever. **Why does God include passages describing this place in the Bible? What should this knowledge create in us?**

How does verse 3 speak to any fear we might feel in light of these two places?
(Wisdom and insight about Jesus, the one that all of the Bible points to.)

How can we live the rest of our days with assurance from God that we will spend an eternity in everlasting life?
