Read Galatians 5:1-6

**What stood out to you from Clayton's message?**

We are free because Jesus set us free. **What has Christ set us free from? Why does Jesus become "of little use" to us if we continue to try to earn our forgiveness and salvation?**

We have approval because Jesus approves of us. **Why do we sometimes "add" things/requirements to the Gospel? How would our lives be different if we believed that our approval comes from Jesus?**

We are loved because Jesus loves us. **What impact does knowing that we are loved have on us and how we interact with others?**

Our new identity in Christ gives us freedom, acceptance, and love. **Why must our identity be in Christ and not anything/anyone else?**
