

Read Romans 12:1-2

**What stood out to you from Justin's message or the passage?**

**What does it mean that the Gospel should impact every area of our lives?** (*Living a life of worship because of the Good News we have received*)

Justin mentioned the 6 indicative truths listed below. **When was the last time joy was your response to these 6 truths? How can we remind ourselves of these more often?**

- You are loved
- You are adopted as His son/daughter
- You are justified
- You are reconciled to God
- You are chosen
- You are safe in Him

**How do we present our bodies as a "Living Sacrifice"?** (*Do not be conformed this world, but be transformed by the renewing of your mind*)

**Where are you influenced by the world? Where are you tempted to conform to the world?** (*Some examples: the world's values, longings, attitudes, money, comfort, sexuality, power, fear, etc.*)

**What does it look like to renew your mind this week?**

*Justin's example:*

- *We begin our day by renewing our mind through remembering the mercies of God.*
- *We spend every part of our day fighting to not be conformed to the world and presenting our bodies as living sacrifices.*
- *We end our day by renewing our mind through remembering the mercies of God).*
