Read John 12:1-26

What stood out to you from Pat's Sermon?

Pat said, "Who or what we truly love is reflected by our actions." **How do we see this reality in this passage?**

Take your most recent actions over the last few days. **How do those actions reflect what you truly love?**

Mary gave something costly to Jesus without hesitation. **What is something in your life that you may be holding back from fully surrendering to Him?** (*think about your calendar, media intake, the people you're around, etc.*)

Outward appearances mean nothing to God. **How was the triumphal entry of Jesus different from the crowd's expectations?**

How do verses 24–26 challenge your idols of power, comfort, control, and approval of others? What would it look like for you to "die to self" this week?

What does it mean to "serve" and "follow" Jesus according to verse 26? How are you doing that right now—or how might you begin?
