1. What are some inward and outward obstacles of unity in the body? What can we do practically to grow in unity? How does becoming more like Jesus impact unity?
2. What is the difference between childish faith and Christian maturity (no longer being children)?
3. What are examples of dangerous, doctrinal “winds” in our culture? How does Satan use those against the church?
4. How can we protect ourselves from deceitful schemes? Give actions to take as individuals and a community of believers.
5. What are the dangers of sharing the truth without love and giving love without truth?
