Life in Christ and Living in Christ – A Walk Through Ephesians

Delivered into God's Presence

Ephesians 2:11-13

1. Why is it that good things often become “causes” for us to become prideful or boastful? What are some of the good things that “cause” pride? *Note: This question is in light of the Jews becoming prideful because of circumcision.*

2. Is it helpful or harmful for you to remember your life before Christ? Are there examples from Scripture or history that support your answer?

3. Since we have been brought near to Christ, through his blood, are there any dangers of separation or grieving our relationship with God?

4. How should we deal with the fact that we sometimes feel distant from God, or he feels distant from us?

5. How can we protect ourselves from being “spoiled” children when we have so much access to God's truth and freedom to practice religion in our country?
