Wondering and Waiting
Habakkuk 1:12-2:1

1. So far, how has Habakkuk impacted the way you think and live?
2. How can we discern whether Habakkuk is questioning God in the right way? In what ways is it wrong to question God?
3. What was at the heart of Habakkuk's second complaint? Do you ever have this same concern?
4. How should Christians think about justice in the world? What are the dangers?
5. How should we understand the fact that God is sovereign over all things and that evil things happen in the world? How does Jesus' crucifixion help with this matter?
6. How does God teach us today concerning the big questions of life? How does studying his Word and waiting impact our understanding and faith?
