Holy Imitation
Philippians 3:17-19

1. What are some specific characteristics that you have seen in other believers that you have sought to imitate?
2. In what ways do some people offer alternatives for salvation?
3. Some have presented a Christian life that does not have trials, difficulties and persecutions. Give examples. Why are these alternatives not biblical?
4. What are ways we can guard ourselves and our church from spiritual harm?
5. How can we be responsible and faithful with our routines of home, church, work, school and other activities while not having our minds set on the earth?
