Ephesians 1:19b-23

1. If you prayed this prayer for yourself and our church regularly, how would your life be changed?
2. Why is it important that we know within our souls that same power that raised Jesus from the grave is available to us?
3. Since Jesus is Lord and has ascended to the right hand of the Father, we should _____. He who lay in the tomb has ascended the throne of unbounded empire.”*
4. Think about the church as Christ’s fullness (See 1:22-23). How does this relate to the Church as Christ’s body and our purpose until Jesus returns?
5. Think of one take away from this prayer of Paul that you can share with the church for encouragement. Be ready to testify.
