2) Sustained P_____, 13-15

Truth: God's presence and protection sustain us even when facing the consequences of our choices.

3) S_____ P_____, 16-20

Truth: When we recognize God's presence and promise, our response should be reverent worship.

You cannot worship God, without thinking about God.

Application Actions

- 1) This week, when circumstances feel confusing or out of control, stop and ask: “What might God be doing that I cannot see?”
- 2) Identify one circumstance that is causing you anxiety and deliberately replace your fear with a specific promise from God's Word.
- 3) Before you begin your day, pause and consciously acknowledge: “God is with me today.”
- 4) Don't simply think about what God has done—respond to Him. Worship Him, obey Him, thank Him, and give to Him.
- 5) If you have never personally trusted Christ, don't simply admire the story of Jacob's encounter with God. Come to God through Jesus Christ—the true and living Way.
