How Do I Become a Member of Faith Baptist Church?

You are invited to join Faith Baptist Church by stepping to the altar area (in front of the pulpit) during the hymn of invitation in worship service and tell the minister you desire to become a member.

You become a member in one of the following ways:

1. By declaring your faith in Jesus Christ for the first time (which is called "making a public profession of faith")
2. By transferring your existing membership from another church
3. of similar Faith and practices.
4. By statement, which means you join by stating to the minister that you have received Jesus Christ by faith and been Scripturally baptized.
5. By baptism, if you have already received Jesus Christ by faith as Savior and Lord but have never been baptized by immersion as taught in the Bible.

If you have any questions about joining Faith, please call the church office (902-2719).

form one body, and each member
