

**Wish List: 10/8/2026**

To everyone who would like to contribute to the new Amplify Kids building project.

We appreciate your willingness to help and as promised, herewith our wish list and thoughts on how to get things done in a way that won't negatively influence any contractor already on site.

It would be great if we can "line-up" people for some of the goods/skills needed to supply/install the items on our wish list.

For example: sound system, air conditioners, handy men, welders, carpenters, builders, painters, artists, interior designers/decorators, landscapers, professional people to install rock climbing wall, zip-line, volleyball/badminton net, shade sails, astro grass, sandpits, jungle gyms and swings.

You are welcome to contact me if you are able to help in ANY way possible and please feel free to forward to anyone who might like to get involved.

Blessings, Erica
