

# YWIB.

ME + YOU

OCTOBER 2024

# Y W I B.

This year our vision is **Your way is better.**

Deciding to live life according to God's ways and not our own brings growth, change and breakthrough. Take some time to write down how aligning with God's ways has impacted your life.

## Testimony

As you make time to listen to Nicky Gumbel's sermon you will be reminded about the transformative power of the Bible. He shares his journey from skepticism to faith, all sparked by reading the New Testament.

He described the Bible as the most popular, powerful, and precious book in the world, capable of changing lives and offering a deep, personal relationship with Jesus.

One key takeaway was this:

"... People do not live by bread alone, but by every word that comes from the mouth of God." (Matthew 4:4)

This really makes you think about how essential the Bible is for our spiritual nourishment and growth.

Reading the Bible is a powerful and transformative practice that can lead to a deeper relationship with Jesus, provide guidance and wisdom, offer comfort and encouragement, and give us an eternal perspective. As the sermon by Nicky Gumbel suggests, making time to read and study the Bible can be life-changing and deeply enriching.

As we start coming to the end of another busy year, we want to encourage you not to neglect the study of God's Word. We can so easily let "everything else" take preference over His Word in our lives.

On the next few pages you will notice a Bible Reading Tracker.

The goal of this "tracker" is for you to select certain books of your choice and then work through them at your own pace. To help you "track" your progress, mark off the chapters you have read.

Enjoy your time in the Word!
