

Session 4 Questions

1. Approximately how many times have you used the invitation, “Come and See” in the past two weeks?
2. How many people have you brought closer to Jesus because of that bold invitation? (Attended church or small group with you, prayed with you, received salvation, etc.)
3. Of the two invitations we’ve discussed, which do you feel more comfortable using and why?
4. In your “heart of hearts,” do you believe that these approaches to real people in your real everyday life will work to bring people into closer relationship with Jesus?
5. Have you been timid or fearful to engage others in conversation about Jesus and invite them to join you in this abundant life?
6. This week, who - BY NAME - will you be inviting along with you (church, small group, salvation/relationship with Jesus, etc)?
