

Text: 1 Peter 2:4-10

Big Idea: Our identity is complete and unique in Christ-centered community.

- We are built to be together.
- We are a counter-cultural community.
- We have a new communal identity.

Discussion Questions:

1. How do others in the church strengthen your faith?
2. What gifts do you feel called to share within our church family?
3. What values are regularly demonstrated in our community that are counter-cultural? How can we assure they are God-honoring?
4. How does looking at other believers as “treasured by God” encourage you to serve them?
5. How does being “treasured by God” give you liberty to set boundaries when being asked to serve?
