

Week 6

Text: Genesis 1:26-28, Romans 8:12-17

Topic: Identity

Main Idea: The kingdom of God provides us with a different way of thinking about our identity. Through the gospel our identity is received, not achieved. We are drawn into a royal story, it doesn't depend on circumstances. It doesn't change with trends. It doesn't come and go with seasons. At the core of our God-given identity is this profound truth: we are sons and daughters of the King.

Discussion Questions:

1. What is one thing that stood out to you from this week's message?
2. What are some things people build their identity on? What things are you tempted to build identity on?
3. How does the understanding that you are a son or daughter of the King change your perspective on life?
4. How does the phrase "in Christ" bring stability to your identity?
5. The pattern of Scripture is moral commands based on gospel declarations. Why is this important? How does it change your view of obedience?
