

**Text: 1 Peter 3:13-22**

**Big Idea:** At the time Peter wrote this letter, the recipients were experiencing subtle persecution for the Gospel. In time that persecution became dramatically more overt. We are told that suffering for our faith is to be expected.

- Am I keeping an eternal perspective?
- Am I more affected by fear of man or the love of Christ?
- Am I talking about Jesus with clarity and kindness?
- Am I really suffering for righteousness?
