How To Use These

We have been praying for you all year. Our hope is that TCTC 2024 was an impactful weekend for you and your students! Don't miss the chance to follow-up with them about what they heard this weekend.

Here are a few prompts to help you get some conversations started. As well as a challenge for your group this year.

Post-Conference

What was something that stood out to you at TCTC this year? Was there anything you heard or learned that you did not previously know?

Which of the four lies we talked about this weekend is the easiest for you to fall for? Why? How can you help yourself not believe the lies you're told?

What are some intentional actions you are going to take to move closer to Jesus?

We spent a weekend together hearing Scripture, worshipping, and focusing on God. Big or small, **Did you make any spiritual decision(s) at TCTC this year?**

Challenge: Life gets so hectic; filled with so much stuff that we can forget to be intentional with God. Sometimes we all need a reminder. In military time, 2024 is 8:24pm. **Set an alarm to go off at 8:24pm each day. When the alarm goes off, no matter what you're doing, stop and spend some intentional time with God. Ask Him to move in your life in tangible ways.**
