How To Use These

As you get ready for an incredible weekend in Gatlinburg, we want to help you prep your students with some pre-conference questions.

These are designed to get your teens thinking about what we'll be unpacking throughout the weekend.

Our speaker will be unpacking 4 lies we believe and countering with them Biblical Truths.

Pre-Conference

We've all been there. It's happened to everyone. Someone lied to you and you believed them.

How have lies affected you? What impact have they had on your life?

We've all heard that there are different kinds of lies: little white lies, lies that won't hurt anyone, necessary lies, etc. **Is there really a difference in lies? Explain.**

Why do you think we believe lies?

Share a story about a lie you believed. Big lie or silly one, doesn't matter. **How did it impact you? How did you feel when you found out it was a lie?**
