Day 2

Solomon loved God like his father David did. He could have asked God for **ANYTHING** and God would have given it to him.

READ 1 Kings 3:11-13

Finish the sentence:

Solomon asked God for _____

(**money**/**wisdom**).

God was _____ (**angry**/**pleased**)

with Solomon and gave him _____

(**more**/**less**) than he asked for!

ON THE BACK, answer this question

If I could ask God for anything, I would ask for _____ because it would help me follow Him.

Now pray this prayer: God, You are wise and generous. Help me want the things that honor You, not just the things I want for myself.

Day 3

LOOK UP: James 1:5, Proverbs 2:6, Daniel 2:21

These verses tell us that Wisdom comes from who?

Solomon started out so wise because his heart desired God. However, he eventually disobeyed God by worshiping other gods!

This teaches us something important: Wisdom isn't just about knowing the right things — we have to keep our hearts close to God and obey Him.

What are 3 ways you can stay close to God?

1. _____

2. _____

3. _____

Practice our memory verse: James 1:5
3x's with someone!

Day 4

LOOK UP Psalm 111:10.

According to this verse where does wisdom start? (Circle all that apply)

Fearing/Respecting GOD **Obedying His Commands**
Living Our Own Way

Take a few minutes to pray using the chat model on the back. **CONFESS** if there is anywhere in your life you have not been respectful of God. (attitude, the way you treat others, etc). **HONOR** God for who he is. (Tell him what you love about him) **ASK** him for what you need. (wisdom, respecting others, show you he is real, help you read your bible more) **THANK** God for 3 things he has given you!

***Some bibles say, "The FEAR of the Lord is the beginning of wisdom" FEAR does not mean being scared of God. It's the kind of fear that says:
"God, You are big. You are wise.
I want to listen to You."
