so today I wanna talk to you about the angelic  
angels on assignment  
and it's good to go after these messengers of fire  
the Bible calls the messengers of fire  
and super important for us to know what that looks like  
how to walk in  
the kingdom  
and how to interact  
how to dispatch  
how to release angels and gosh  
for the last three years  
the Lord just had me prophesy  
about the coming new era and I  
I started a Eagle Mountain TV show called a New Era  
started a podcast called The New Era  
because I knew that my role  
was to get out in front of it  
and just to call this new era into being  
to saturate it with prayer  
which I've been doing  
and to give language to it  
to give context for what it would look like  
and one of my  
favorite things to do is just to ask the Lord God  
what will distinguish  
what's the distinction of this new era  
and one of the distinctions he's been telling me  
is that it will be marked by an acceleration  
of god bringing heaven to earth  
there's all kinds of activity of heaven coming to earth  
have you felt just  
the spirit realm more active the last few weeks  
um whether you've known that's what it is or not  
some of you have been like well  
I kind of feel like it's warfare  
I kind of feel like I'm more sort of oppressed  
or I'm more this or I'm more that

it's really the spirit realm being activated  
god doing what he said he would do  
and that's bringing heaven to earth  
but every time heaven comes to earth  
resistance sort of tries to rear up and get strong  
all of a sudden  
it doesn't last  
it doesn't work  
god brings breakthrough  
but if you've been feeling that  
that's what God's doing  
there's an acceleration of god bringing heaven to earth  
and part of that acceleration will require us  
to be in cooperation with the angelic in our lives  
and in the lives of the whole church  
that Jesus right now is transforming his church  
he's bringing his eclacea  
his called out ones  
into every sphere of society  
so that as heaven comes to earth  
we are strategically positioned  
to release the power of god on the earth  
in small ways and big ways  
you might think it's small ways  
but they actually turn out to be big ways  
Steve Curtis and I were out doing um  
some man time golfing this last Wednesday  
it was awesome  
uh we get paired up with a gentleman  
who was in law enforcement  
he had just retired from law enforcement and gosh  
I can't remember how many holes in that we were before  
just out of his mouth um  
he asks hey  
what do you do  
and I said well  
I'm a senior leader for a local church here  
and he goes  
I knew it I could  
see it in your eyes  
and I'm like okay Lord  
what are you doing  
cause I'm like  
something's wrong with my swing  
and I'm trying to fix it  
I'm just focused on that  
what are you doing

and Steve's there  
he's shining like like Steve does  
and you can tell we're just loving on this guy  
we're just being with him and  
or whatever  
at some point in the round  
the guy just volunteers this information and goes  
you know last time I played golf with Christians  
we were sorted toward the end of the round  
and they started prostituting me  
at some point toward the end  
I think they went to the clubhouse  
and for drinks or whatever  
and he could tell that he was the target  
that they were just trying to close the deal  
on his spiritual future  
and he just got miffed and upset and angry  
that they were some notch on his belt or on  
he was some notch on their belt and all  
he just offering this information  
and Steve and I are just there and we're just like  
okay and we're just like  
I am so sorry that that happened to you  
that's not the Christianity of Jesus  
you are not a commodity for the body of Christ  
and that should have never happened  
and just sort of the best that we could do  
just to say gosh  
I am so sorry that that happened  
and as soon as that came out of my mouth  
I just felt like the Lord said  
that's so much bigger than you know  
to shift the narrative for this person  
who got a bad taste in his mouth about Christianity  
and likely would have carried that  
for the rest of his life perhaps  
but we got a moment to just speak into it  
and stand in proxy for the Lord  
not just Christians  
cause that automatically ultimately goes to the Lord  
and how people think about Jesus  
and we got a moment just to shift the narrative  
and love on this guy and have fun  
next thing I know  
I could feel a sense of closeness  
we're rounding  
uh the corner

he's pulling out jerk  
feeding it to us and now we're bros  
I could tell something's happening in his life  
and Steve is playing much better golf than me  
and at this point  
and there's just this sense of openness  
and he starts telling us well  
there's a friend of mine  
that's gonna join us at the turn  
you know that couldn't play the first nine  
but he's gonna play the back nine with us  
and that guy comes up from some tournament  
he was playing  
and in three seconds  
this guy drops a huge F bomb  
and the the law enforcement guy looks over and he goes  
I don't think he's looked in your eyes yet haha  
you just never know where God's gonna have you shine  
Steven I got a chance to go to the Holy Land and shine  
and that was so fun to just be out there having fun  
and Jehovah sneaky shows up and says hey  
I got a mission for you wherever you go  
and if you're okay with that if you're willing  
the spirit is willing and we say we are too  
anywhere you like Lord in aisle 7  
wherever wherever you want us to be  
so it's fun to do that with you Steven  
next time hopefully I'll play better golf  
I just feel like the Lords saying  
this new era is going to be so great  
it will be similar to when the angels  
visited the shepherds in the field  
who were watching their flock by night  
you remember that  
they were watching their flock in the night hour  
there were saints and angels in that field that night  
worshipping together was the greatest works  
worship session that the world had ever seen  
at that point with saints and angels  
we're like going  
oh my goodness  
I know that's prophesy to come in  
in the book of revelation  
but something's happening  
as the angels come to earth to announce  
a new era had begun  
what heaven was about to do had never been done before

and it was being announced by angels  
two shepherds who've been faithful in the night season  
you get the parallel  
this new era and shift in human history was the first  
actually god was becoming man  
and they were announcing it  
this day in a manger in the city is born to us  
the son of the living god  
and that night in the field  
a worship session broke out  
glory to god in the highest  
worshipping shepherds and angels  
heaven breaking in to announce to the faithful  
who've been faithful during the night season  
watching what was entrusted to them  
they get to hear what heaven's about to do next first  
never discount your faithfulness Lord  
I've been watching my post for years for months  
for decades  
and God sees that faithfulness  
he sees that faithfulness in your work  
in your marriage  
in the dream God's given you  
those are the people that he looks for  
when he wants to announce what he heavens about to do  
and God was becoming man  
what was going on  
is that we were getting a glimpse into how heaven  
inaugurates a life changing moment  
that god was birthing the savior of the world  
angels were often used by god in scripture  
and throughout history  
and even today to do the same thing  
for the proclamation of the launch of something new  
or to announce the fulfillment  
of something that god had previously promised  
what do angels do they guard  
they protect  
they fight for you  
they watch to perform God's Word over your life  
they bring resource for you  
they bring you revelation  
sometimes when the light bulb goes on  
and you just have a revelation  
you're not even aware that that's the assistance  
of heaven they assist you in your calling  
they release God's will on earth

they hold and then sometimes release things  
according to God's timeline  
they come to release the glory of god on the earth  
and they stir the waters to bring healing  
I wanna read you an amazing passage in Ezekiel  
chapter 10 so if you have your bibles turn there  
Ezekiel chapter 10 and verse three  
Ezekiel chapter 10 and verse three  
it says now  
the cherubim  
which is a certain order of angels  
now the cherubim  
were standing on the right side of the temple  
when the man entered  
and the cloud filled the inner courtyard  
then the glory of the Lord went up from the cherub  
and the cherub was housing or holding the glory  
and then the glory went up from the cherub to  
the threshold of the temple  
and the temple was filled with the cloud  
the same cloud that was on the angel  
and the courtyard  
was filled with the brightness of the glory of the Lord  
moreover the sound of the wings of the cherub  
was heard as far as the outer courtyard  
like the voice of God Almighty when he speaks  
ever heard that  
ever heard that chapter  
telling you how loud the angel's wings could be  
the angels wings  
or the wings of the cherubim  
was heard as far as the outer court  
like the voice of God Almighty  
when he speaks  
angels carry and release God's glory  
the glory comes up from them  
they've been in his presence of course  
they carry his glory and the sound of their wings  
turn over to Matthew 28  
this is a passage that you ought to know  
Matthew 28 1 through seven  
Matthew 28 verse 1 through 7 says this  
now after the Sabbath  
as it begin to dawn toward the first day of the week  
Mary Magdalene  
and the other Mary came to look at the tomb and behold  
a severe earthquake had occurred

stop right there  
everybody say severe earthquake  
what's severe  
any idea 7 or eight  
seven or eight okay  
7 or 8 on the Richter scale  
that's severe  
so we'll start there in verse two again  
and behold a severe earthquake had occurred 4  
and the word there for four is actually the word  
because so let me read it again in context  
and behold a severe earthquake had occurred  
because an angel of the Lord descended from heaven  
ever read that passage and get that  
who caused the earthquake  
that's right  
let's read it again in context  
verse 1 now  
after the Sabbath  
as it began to dawn toward the first day of the week  
Mary Magdalene and the other Mary  
came to look at the tomb and behold  
a severe earth earthquake had occurred  
because an angel of the Lord descended from heaven  
and came and rolled away the stone and sat upon it  
and his appearance  
somebody say appearance was like lightning yeah  
and his clothing  
everybody say clothing was as white as snow  
the guard shook for fear of him  
and became like dead men  
what does that mean  
right that's where the  
white flags in the charismatic church got started  
the Hankees Woohoo  
that's where all of that got started boom  
the guard shook from fear  
for fear of him and became like a dead man  
they fainted  
they passed out  
and the angel said to the woman  
don't be afraid  
notice the women didn't pass out  
y'all can handle the glory  
we just take a dive  
instead of the women  
don't be afraid

I know that you're looking for Jesus  
he knew what they were up for  
I know that you're looking for Jesus  
who has been crucified  
but he is not here for he has risen  
just as he said he would  
come and see the place where he was lying  
I'll give you a personal tour  
this is a conversation with an angel  
come and see the place where he was lying  
and go quickly  
and tell his disciples that he has risen from the dead  
and behold he's going ahead of you to Galilee  
there you will see him  
for behold I have told you  
like he was sent to tell them  
and he ends the encounter with  
I just did what I came to do  
behold I told you now my job is done  
so that's a wild passage  
that means that earthquakes  
can be the result of an angel descending from heaven  
with a great proclamation  
that might change some of the  
increase in some of the activity  
that you're seeing around the globe right now  
with seismic activity in the earth  
come on go with me go with me  
his appearance was like lightning  
sometimes when you see an angel  
um they're like flashes of light  
you're like whoa  
what was that  
what was that  
that was a flashlight  
I mean I didn't see a  
a physical being or the shape of a physical being  
but I just saw a flash of light  
that was weird  
I mean that's exactly what that means  
that's what the lightning means  
his appearance was like a flash of light  
his clothes were shiny  
so he was radiating  
emanating this light  
and he has knowledge that they're looking for Jesus  
and he's called to proclaim the resurrection

wow I have done what I was commanded to do  
now I have told you  
now angels are very powerful  
and 2nd kings 19:35  
one angel killed 135,000 of the Assyrians  
you remember that in Bible  
in the Bible  
I mean fighting on behalf of the lord's people  
that's one angel killing 135,000 Assyrians  
Psalm 91 says he doesn't just do the massive thing  
though Psalm 91 says that these  
the angels will keep charge over you  
to keep you in all your ways  
then that make the spirit realm much more active yeah  
well really I mean they will keep me  
I mean I know they'll do the work of God globally  
but what about me  
well there's your truth  
he will keep  
they will keep you  
and guard you and keep you in all of your ways  
now god created the invisible realm  
Colossians 1:16 says  
for by him all things were created  
both in the heavens and on earth  
visible and invisible  
wow god created the visible  
which we can see easily  
but do you know god created the invisible too  
how real is the invisible  
the Bible says that everything that was made  
visible was first created in the invisible  
how real is the invisible  
how real is the invisible  
yeah  
if this was created from that  
it's at least as real  
if not more real than this  
people try to  
they've tried to discuss and define the spirit realm  
for decades and kind of just  
well come on  
don't tell me it's more real cause we're on this earth  
listen we wouldn't be here  
if the invisible realm hadn't created the visible realm  
that's your bible  
for by him all things were created

both in the heavens and on the earth  
visible and invisible  
where the thrones  
dominions oh  
their thrones in the visible  
yep how about the invisible  
yep dominions  
yep and yep  
rulers yep and yep  
authorities by him  
all things have been created through him and for him  
God's got a plan for creating all of these things  
in the visible and in the  
and in the invisible  
matter of fact  
all of the thrones  
dominions rulers  
and authority that you see in the visible are actually  
paralleling what's going on in the invisible  
their thrones dominions  
rulers and authorities in the invisible as well

Psalm 104

verse 4 says he makes his angels  
his winds his messengers his ministers flames of fire  
wow that's powerful  
so that means that angels often bring the winds  
I was actually praying over that verse last night  
I'm sitting out on the deck with Becky and I'm saying  
Lord you make your winds  
your messengers  
your flames of fire  
I'm literally typing out  
I'm getting this download of what this verse means  
and suddenly the wind starts picking up  
and Becky goes dude  
did you feel that  
and I'm like  
look what I'm typing right now  
and she's like shut up  
I mean you start talking about the angelic  
you start like  
you know because  
when we don't engage them  
I wonder how bored they get  
yes you know  
there's some level of interaction that  
the 1st century church knew about I mean

there were angels that let Peter out of prison knew  
they thought that when Jesus was walking on the water  
to them oh no  
it must be his angel  
least they had a grid for the angelic  
they thought when Peter was knocking on the door  
that that was his angel  
I mean at least they had a grid that this was normal  
a normal part of Christianity  
we have just been lied to that hey  
you better not go there  
you better not talk about them  
because here's what's gonna happen  
you're gonna end up worshipping angels and so  
let's just cut out the whole interaction all together  
ever heard that  
ever felt that  
can you imagine living this life without the assistance  
of what the Bible calls ministering spirits  
sent to minister to the inheritance of salvation  
I mean think about that  
so winds often in the Bible  
that the word wind there in that scripture  
Psalm 1:04 verse for his  
he makes his angels  
the word for angels there is the word winds  
because they often carry with them winds  
I remember being with Bob Johnson quite often  
he could see and sense angels  
and often he would go oh  
did you feel the wind on that  
and it was just like the scriptures say that  
that the brush of angels wings  
that starts to happen  
in an environment where the angelic is stirred up  
so this verse means that sometimes  
angels are seen as flashes of light or flames of fire  
and can often create wind in the room  
I'll read that verse again in context  
he makes his angels  
his messengers  
his ministers flames of fire  
and the word there for angels means winds  
let's talk about spirit beings  
Hebrews 1:14  
are they not all ministering spirits  
sent out to render service for the sake

of those who will inherit salvation  
that's what angels are  
they're sent out  
spirits from god  
sent out to render service for the sake of us  
who have inherited salvation  
so their spirit beings  
but god can open our eyes to see them  
who's ever seen an angel  
yeah who's second guessing  
the flashes of light that you've seen  
and wondered whether that was an angel  
alright stick around  
it's gonna get more clear  
now angels can also be physical beings right  
they can also appear with physical bodies  
the Bible's full of that  
Hebrews 13 verses 1 and 2  
let love of the brothers and sisters continue  
do not neglect hospitality to strangers  
for by this  
some have entertained angels without knowing it  
wait wait wait  
wait wait what  
I'm gonna read it one more time  
let love of the brothers and sisters continue  
so just be good at loving people  
do not neglect hospitality to strangers  
for by this  
by having hospitality for strangers  
some have entertained angels without knowing it  
what this means  
that if you have the gift of hospitality and walk in it  
there's a chance that you have already talked  
with an angel without knowing it  
you thought they were human  
how are you gonna I mean  
how are you gonna talk with an angel and not know it  
unless they come in human form  
we know that from all the way  
back to the days of Abraham  
there's all kinds of ranks of angels there's archangels  
archangels have high levels of governmental authority  
um literally  
Michael is called the chief prince in Daniel Chapter 10  
there's seraphim  
the word seraphim actually means the Burning Ones

isn't that amazing  
they're called the Burning Ones  
because they're closest to his throne  
they're the rank of  
angels that are closest to the throne  
and you can't get that close to  
the throne without being called the Burning Ones  
I mean that name is sufficient  
who can dwell in the everlasting burnings they can  
the burning ones  
the seraphim  
they have six wings  
just in case you wanted to know  
and then there's the cherubims  
their prior primary role is to worship and glorify god  
around the throne  
but they also do more than that  
it was the cherubims  
who were first introduced to guard the gate of Eden  
in scripture angels are called holy ones  
in Psalm 89 verse 5 they're called holy ones  
in Job 1 6 are called sons of god  
in Daniel 4:30 they're called watchers  
in Colossians 1:16  
the verse that we just read they're called dominions  
principalities and authorities  
and in Hebrews 1:14 they're called ministering spirits  
let's talk about the size of angels  
some can appear as massive beings  
or other times they can appear to be the size of a man  
so as I mentioned  
often they're radiating bright  
and they have a supernatural ability to impart strength  
declare truth and announce new seasons  
and they also held behind the scenes  
and have been seen in public many times  
now just for the sake of time  
I have a plethora of angel facts as I call them  
and every one of them have verses attached to him  
but I'm gonna just jam through for the sake of time  
and download No. 1  
created by God  
two spirit beings 3  
immortal 4 holy  
five innumerable  
6 wise 7 powerful 8  
Meek 9 invisible

10 obedient  
11 they possess emotions 12  
concerned in human things  
can appear in human form 13  
No. 14 organized into ranks  
their ministry to believers is that they guide  
provide protect  
deliver gather  
direct activities  
comfort and they minister to you  
amen to Christ  
they announce his conception  
they herald his birth  
they sustained him while he was being tested  
they witnessed his resurrection  
they proclaimed his resurrection  
and they accompanied him when he ascended to heaven  
so let's talk about fallen angels  
some fallen angels  
you know the ones who  
followed what used to be that great worship angel  
he fell thought he could be like the most high god  
and took 1/3 of the angels with him  
now  
it's true there are fallen angels  
some of those fallen angels are locked in chains  
and some of those  
sort of spirits in the spirit realm are just harassing  
the heirs of salvation and trying to  
hold back the purposes of God and the earth  
now those fallen angels  
they can appear  
it says of Satan  
himself as a minister of light right  
we know that of course  
does it mean  
just because that can happen  
we stay away from all angelic though  
as I mentioned earlier  
revelation 19:10 that  
that's the place where the angel appears before John  
and he has this angelic encounter  
and John falls down  
and he gets down  
and he's so not used to encounters  
that he starts worshipping the angel  
and the angel stopped him and said

don't do that  
I'm of your fellow servants  
worship Jesus  
and he wouldn't allow himself  
as glorious as that angel was  
as much glory as he carried  
he stopped the man  
who wasn't used to that level of glory  
he's like don't worship me  
I know this is difficult  
I know this is new  
I know that what I'm carrying is the glory of God  
but do not let that cause you to worship me  
and that's what true angels will do  
they will not let you worship them  
they will point you to Jesus every time  
worship Jesus  
there's been all kinds of false angelic encounters  
right Islam  
a false angel appeared to Muhammad  
that's where he got that revelation  
was from an angelic encounter  
7th day Adventist  
false angel appeared to Alan White  
that's where he got their whole doctrine  
from an angel  
the Mormons  
a false angel appeared to Joseph Smith  
and gave him that doctrine  
and the New Age movement  
revelation of spirit guides and all of that sort  
of thing but false angels always bring false doctrine  
and they access men's hearts through flattery  
you are the chosen one Joseph Smith  
let's do something new  
they always access men's hearts through flattery  
and that's what happens when  
you encounter a fallen angel  
because that's why they fell  
that's the spirit that they carry  
and they're always looking for anybody else  
who wants to make it about me and not about Jesus  
so we're prime targets if we're walking in humanism  
we're prime targets if we're walking in  
and in the lack of identity and the need for flattery  
so Galatians 1  
8 Paul addresses this specifically

and he says  
but even if we or an angel from heaven should preach to  
you a gospel contrary to what we have preached to you  
he is to be accursed  
don't listen to it  
anything else that has changed  
anything that puts and  
and the big changes  
anything that puts you first  
so first we listen and then we see what God's doing  
then we say what God's doing  
and then we do what God's doing  
that's how it works  
now people have asked  
this has been the hot topic question Bobby  
can we dispatch angels  
I got a verse for you Psalm 1:03  
turn there Psalm 1:03  
Psalm 1:03 and verse twenty  
says this bless the Lord you  
his angels mighty and strength who perform his words  
they perform his word  
obeying the voice of his word  
let me read it again  
bless the Lord  
you his angels  
mighty and strength  
who perform his word  
obeying the voice of his word  
some of the translations say  
harkening to the voice of his word  
so that's what angels do  
they Hurrucane to the voice of his word  
they listen to his word and then they respond  
that's what the word harken means  
to listen and to respond to the voice of his word  
so let's just talk about his word for a second  
cause that's what they respond to is God's word  
so how does God's word get released in the earth  
excuse me  
huh through our mouth  
through his sons and daughters on the earth  
somebody else  
how does the word of god get released  
angels huh angels  
angels yeah  
so you've got the written word of God

God's telling us to proclaim his word  
to speak his word  
we are the messengers of the good news of God  
the gospel of Jesus  
can you say amen  
I mean we're the ones that are on the planet  
been authorized by the Lord  
baptized by his spirit  
filled with his spirit  
commission by him  
who else is releasing his word  
I'm not I'm not just round housing you right now  
but sort of a little bit peeved that y'all didn't know  
that I don't know who releases his word  
it's you it is you  
it's important that we know  
how else will they know  
unless there's a preacher  
your Bible says how else will they hear  
unless there's a mouthpiece  
unless there's a messenger  
angels are required to harken to our voice  
but when we speak God's word  
that's what they listen to  
that's what they harken to  
so I'm not just going hey  
go get me that a  
B and C and d new Ducati that I've been looking for  
unless that's God's will  
I am saying  
you Hurricane  
to the voice of the Lord  
here's what the Bible says  
here's the voice of God  
here's what God's doing in our life  
we know he wants healing  
we know that none should perish  
that's his will  
we know what the Bible says about his will  
so he's like  
speak it out  
speak to the things that are not as though they are you  
speak it out  
and when your words connect with my will  
then we have agreement with what god is doing  
and when we have agreement with what god is doing  
your Bible says in 1st John 5:14

we have this confidence  
that when we pray according to his will  
and we know that he hears us  
we have the petitions that we ask for  
so that's why prayer  
and proclamation starts with listening  
it starts with knowing the word of God  
and then releasing the word of God  
and when our proclamation lines up with his will  
angels are dispatched  
they Hurricane  
bless the Lord  
owe you his angels  
mighty and strength who perform his word  
angelic go and perform the word of God  
perform the word of God over my life  
perform the word of God over my family's life  
perform the word of God over my city  
that's what you do  
go and Hurricane and obey the voice of God's Word  
Joel Tap Chapter 2 says that not only the angel armies  
but the Christian army of God  
hurricanes and carries out his word as well  
that's what we do  
we listen and we respond  
God releases his word  
yes he's written wonderful scriptures  
he still speaks his word  
but you and I have the privilege  
of being his messengers  
the ones who are releasing the good news  
the proclamation of the gospel of peace  
and I just say we ought to do more than that  
how lovely on the mountains  
are the feet of those who bring good news  
what's good news to someone who's oppressed  
you can be free  
I release freedom over you  
and have you ever prayed for someone long distance  
over the phone  
maybe in another country  
have you ever heard the testimonies of the hour  
someone was praying was the hour in Africa  
someone else got a breakthrough and got set free  
you intercessors  
you know what I'm talking about  
you've been right in front row

seat to all of these breakthroughs  
how did it happen that while you were praying  
on the West Coast of the United States  
that breakthrough happened that same hour  
those angelic who Hurricane to the word of god  
when did what they've been called to do by scripture  
I've got testimony after testimony after testimony  
so your Bible says that were made  
a little bit lower than the angels  
you and I are some of the translations  
they were made a little lower than Elohim  
Hebrews chapter 2 verse six  
so right now  
you know they've got some super uh  
human strength that we don't have and holy spirits like  
wait a minute  
wait a minute  
wait a minute  
you got access to supernatural strength  
I want you to know that  
I want you to walk in it as Christians  
so that's where that's at right now  
we're seeing angels as powerful like  
like we talked about their mighty  
they have abilities  
they have huge uh I mean  
in two seconds they can be hundreds of miles away  
but the Bible says also in 1st Corinthians 6  
that in heaven in the life to come  
will actually judge angels ourselves  
so right now they're here and we seem here  
we're learning to grow in our strength  
but in the life to come  
we'll actually judge angels  
you need to see yourself and where God's taking you  
it was said of Enoch in the book of Enoch  
that he was found at the ends of the earth  
where the angels tread  
that was the life of Enoch out in the spirit  
in closing I just wanna say this  
everything that angels do always points to Jesus  
there always has to be a revelation of Jesus in every  
conversation regarding the angelic  
he is Jesus is the captain of the Lord of host  
can you say amen to that  
when angels minister to Elijah under the tree  
they came and minister to him

and they came and ministered to Jesus  
while he was being tempted in uh  
the wilderness  
in your Bible says that  
that was part of the temptation of the enemy  
hey why don't you call angels  
Jesus to get you out of this  
remember that was the great temptation  
to use the angelic for your personal will  
they said the same thing on the cross  
hey come on  
if you're really the son of God  
come on dispatch angels  
let them get you off of here  
come on it's  
this is temptation to have  
use your authority  
in the spirit realm for your personal purposes  
listen the Bible says that Jesus is the apostle  
and high priest of our faith  
so hearing what he's doing starts with listening  
and starts with asking  
starts with knowing his will  
starts with knowing what the Bible is saying  
and so that we're not operating in our authority  
in humanism  
the Centurion soldier had this conversation with Jesus  
and he knew that Jesus had authority remember  
Centurion soldier told them that you say to this one  
go and he goes  
come and he comes  
wait a minute  
Jesus hadn't start commanding the host  
he didn't have armies  
in the natural  
that conversation was actually more about  
the spirit realm than it was the natural  
you're right  
Jesus is saying to this one  
come and to that one go  
because he didn't leave  
being the captain of the Lord of host  
when he came to this earth  
what was he doing on the hill  
those nights when Jesus went up to pray  
what was he doing for Jerusalem  
what was he doing for the regions around

he didn't leave his assignment of being  
the captain of the Lord of hosts  
saints and angels worshipping god around the throne  
we sang about that today  
saints and angels  
think about that  
that's this mingling like there  
it's normal  
saints and angels are normal  
and they have no problem worshipping together  
that's normal  
the living creatures and the 24 elders  
they followed his feet  
and they cry holy  
and as Chris said  
the word holy there is not just holy like righteous  
purity purity  
the word holy is transcended beauty  
Lord you're more beautiful than  
when I just looked at you five seconds ago  
now you're more beautiful  
and I come over here and see a new glimpse  
and forever I'll be crying transcended beauty  
this transcends what I knew of you before  
so here's how it works  
when it comes to saints and angels  
they do a lot of bowing  
falling down at his feet  
and worshipping the king of all kings  
the savior of the world  
it's all about him  
it's not about angels for me  
it's about us and angels for him  
casting down our crowns holy holy  
I mean your Bible says whatever you bind on earth  
it'll be bound in heaven  
some of the translations say  
whatever you bind on earth  
will have already been bound in heaven  
in other words  
you're gonna listen to what I'm already doing  
and you're gonna bind on earth  
what's been bound in heaven  
and you're also gonna lose on earth  
what I've shown you is lose in heaven  
if it's here then I want it there  
if it's not here I don't want it there

so you get to choose what to bind and what to allow  
but before we choose any of that  
we've got to know his will we've got to know his word  
but in all things before we choose what to allow  
we must bow  
this is not about us  
this is about the king  
first we bow then we choose what to allow  
would you all stand with me  
it's time to release the angelic  
time to partner with what heaven's doing  
time for this to be normal Christianity in this new era  
God's doing amazing things  
and I just think it's appropriate for us  
if you will  
to have a Revelation  
4 and 5 moment with saints and angels around the throne  
so if you can  
if your if your body will allow you  
would you just come up close and let's just  
take a couple minutes and bow before the king  
saints and angels  
would you all come  
if you feel comfortable doing that  
let's just bow before the Lord  
we can't have a message on Angels Without  
and Saints without doing what they do best  
and that is to bow why  
because in doing so today  
there's a revelation for you that your God is great  
that your God is holy we all have needs  
we all have needs of healing and wholeness and finances  
the world has needs of us dispatching angels  
but let's do what we do first and that is bow  
plow before we break in before we plow we bow  
God sees you my friend he sees your life  
and father today we honor you  
we honor your Son Jesus  
the captain of the Lord of host  
the king of all kings  
there is none like him  
at his name  
every knee should bow and every tongue confess  
and Jesus is Lord to the glory of the Father Father  
we bow before you and before the son that you've chosen  
your only begot king of all savior of all  
we just humble ourselves and say oh Lord

not our will but yours be done  
God I'm asking that you mobilize  
a people who know how to bow  
and then they know how to plow  
the Lord after all of the battles that we've all faced  
we come right back to this place  
and we bow  
we worship you we glorify you  
and father we join with the angels and humility  
and meekness but with great authority  
we know there's a shift happening  
we know the spirit realm is active  
we know that you're calling Christians  
to arise in their authority  
which begins first by bowing  
so we go low to go high  
and Jesus  
we just obey  
we just Hurrucane to your voice  
you are the apostle and priest of our faith  
you are a great leader and you have great leadership  
so today together we just bow as a of people  
we just bow before you  
we worship you with our lives  
we don't always understand  
we're saying we don't need to understand all the time  
we just bow  
you are a king  
holy  
holy  
saints and angels  
holy  
holy holy  
Jesus you're holy transcend to beauty  
holy are you God holy are you God  
holy Jesus  
holy Lord  
holy God  
we worship you come on let's sing this song  
holy holy holy  
holy  
holy God  
beautiful Jesus  
beautiful Jesus  
beautiful Jesus we worship you we worship you  
we worship you  
we worship you

we worship you Jesus  
we worship you oh God  
we worship you wonderful Lord  
King of all king of all  
seeking Jesus on the throne  
master of all surrounded by holy  
surrounded by your worship  
surrounded by angels worshipping  
we are in wonder we are in all and fascination of you  
seeking Jesus powerful and regal  
and as you give him your life  
as you give him this next season  
as you give him your past  
you're kneeling at the feet of the God  
who created heaven and earth  
he's not equal to the devil  
the devil's no match for the son of the living God  
surrounded by holy the angels cry holy  
his people cry holy there's none like you  
so we worship you  
you are such a good god  
in charge of our lives  
in charge of the world  
in charge of the universe  
you have not left that role of captain  
of the Lord of hope  
holy  
alright let's stand up  
let's stand up first we bow then we plow  
first we bow then we POW  
first we bow then we decide what to allow  
and it's time to interact and release heaven  
and the angelic to hearken to the voice of God  
the word of God  
not mine not yours  
but the word of God  
so I wanna just count down like 3  
2 1 and I want you to just say to the angelic  
you go and you Hurricane to the word of god  
over my family  
over my kiddos  
over my region  
over my marriage  
over the church  
I want you to go and you dispatch angels  
first we bow  
and then we plow

here we go three  
two one go angel  
go Hurricane to the word of the Lord  
we release you to perform the word of god  
over our families  
come on come on  
come on come on  
over my life  
over my calling  
over what you called me to bring  
angels bring resources  
angels bring heaven  
angels bring the calling  
angels open doors  
angels to the word of god  
to the word of God  
our region to the north the south  
the east and the west  
come on come on  
come on come on  
come on come on go  
go go go go  
Heaven's gates open  
Heaven's gates open  
in Jesus mighty name  
go right now  
in the name of the Lord  
in the name of the Lord  
in the name of the Lord  
for the will  
for the name of Jesus  
come on can we just give a shout of praise  
let's give a shout of praise  
yes God yes God  
yes God come on  
come on come on  
for your glory God  
for your glory God  
we worship you  
we worship you  
we worship you  
now anytime we do that  
and heaven draws near  
when we understand the reality  
and we can do it biblically like this  
something shifts in the way the church is  
operating around the world

suddenly the globe gets a lot smaller  
in terms of your authority  
Lord we want anointed saints  
who know to access a power that we don't have  
except for you  
Lord you know our families  
you know the cry of our hearts  
you know what's needed  
first we bow  
it's all about Jesus and it always has been  
my needs are amazing  
as they are to you Lord  
and I know that  
but first I bow  
and for every battle that I face  
you will find me coming back through the mist  
my armor tattered and torn because of the battle  
but I will find myself through the mist  
coming back to the top of the mountain going  
but I must worship him  
through all the battles that I've been through  
I must make it back to the top of the mountain  
to worship him  
and here comes the glorious saints  
throughout all history  
of all battles that they've ever faced  
finding their way back to Calvary to worship him  
you're not alone in that  
you're not alone in that  
I don't care what you faced it  
I know it's been tough  
it's been tough for me  
but at the end of the day  
we use the last of our strength to find our way  
back to the top of that mountain to worship Jesus  
holy holy  
ah there's no one  
sing as we come face to face sing it again  
surrounded by your holy  
the most revered mantle in all of heaven is that grey  
brown drab mantle of humility  
it's the most revered  
angels bow when they see  
a saint with the mantle of humility  
because humility  
that person everybody knows in the spirit realm  
they have the most authority

because they started out living life with a bow  
wasn't about narcissism  
wasn't about just me getting mine authority  
starts with the bow  
and Lord that's what we say today  
there's all kinds of things  
we know that you know our hearts  
we know that you know us inside and out  
but we thank you for a company of people  
that are being activated on the planet right now saints  
interacting with the full power that was given to Jesus  
the same spirit that resurrected him from the dead  
and we're learning to activate heaven and be activated  
and not be a victim of anybody's sin or depravity  
Lord I thank you  
and we're prophesied as we interact with you  
as we bow before you and rise as mighty saints  
there's something about going low to go high  
and so we go low  
and that elevates us into our authority  
and now we stand in proper alignment  
and improper authority because we went low  
and now with that  
regalness  
Lord I'm asking for new assignments  
new release of authority and identity  
because we came to bow  
the joy of knowing what you think about us  
because we came to bow  
living a lifestyle of this right here  
all nations will come to the mountain to bow  
that's what Eagle Mountain will be known as  
all nations will come here to bow  
that's why this place is called bend  
ha they will come here to bow  
and be around saints who know their authority  
because we know how to bow  
we're gonna wear out our knees knowing out about  
I feel it I can see it  
God's already putting those heavenly knee pads on you  
because you've lived a life of bowing  
submitting to the Lord  
and the reward is heaven  
great joy great power  
breakthrough  
the Lion and the Lamb  
now I'm sensing healing in the room

because we have properly intertwined with heaven  
and if you need healing  
would you just raise your hand  
healing in your body  
would you just raise your hand if that's you  
all right we've got a couple here  
can we just dispatch and begin to lay hands on those  
raising your hand if you need healing  
keep your hand raised and the rest of you mobilize  
find someone with their hand raised  
go to Steve over here  
there's a lady over here yes  
we're gonna pray for her and those online  
there's a there's a lady back there  
would you find her  
there's two ladies back there  
would you find them  
and and if that's you  
you just need healing  
just raise your hand high until someone comes around  
and I want you just to pray now and use the authority  
you have bowed low  
you have come in meekness  
we have cried holy  
and God wants to release his power through you  
come on pray  
pray pray pray  
engage engage with heaven  
come on pray right now  
release heaven  
release wholeness  
release life  
release health  
release the authority that God's given you  
I pray for those online right now in Jesus name  
word and heal them from every disease  
and rescue them from the grave  
and so I release healing over you  
I send the word of God right now  
I send the word to heal right now  
come on you don't have to come Jesus  
just say the word  
just say the word  
and I speak the word to you right now  
in Jesus mighty name  
glory of God  
come to this house

glory of God  
come to this house  
glory of God  
come to this house  
I release healing  
we release healing  
we release wholeness over you right now  
in Jesus name  
glory of God come  
glory of God comes  
come on come on  
freedom freedom  
every demonic  
every spirit of infirmity  
your power is broken  
every spirit of depression  
your power is broken  
every spirit of anxiety  
your power is broken right now in Jesus name right now  
every infirmity your  
your power is broken  
right now in Jesus's name  
you have to go  
we release wholeness life  
hell healing abundance  
finances right now  
the oil of gladness  
the joy for mourning right now I  
those of you who've been burdened by grief  
we break grief off of you right now  
and we replace it with joy  
joy and laughter  
dancing joy  
joy joy over you  
joy over you  
joy over you  
in the name of the Lord  
in the name of the Lord
