

## The 7C's: Commitment

**Welcome! We are so glad you are here! As a Tribe we commit to a social contract of honor, respect and privacy. Please stay mindful of what is shared here stays here. We will all grow through intention and integrity.**

### **Introductions**

As we kick off this evening together please take a moment for each person to share with your table group a personal growth win or challenge that you were able to realize from our last discussion on **Consistency**.

### **Lesson Focus: Commitment**

Note the 7C's took 7 years to be fully revealed. We are diving into C #3 - Commitment. Here are 4 areas to commit yourself to:

1. Commitment to the Lord in faith and love to see his kingdom here on earth. Wherever you are NOW dive in and fully give yourself. Release any hesitancy that causes you to be half-hearted and holding back. When you fully engage and commit to where you are, you will experience greater fruit.
2. Committed to God's people through relationships.
3. Committed to God's presence: hearing the voice of God. Seek to hear his word and direction before you take your next step. Make sure God is "in it." If it isn't God, do you really want it?
4. Committed to a region - fully loving the region you live in. Be committed to the success of the region you live in. Speak life over the area and cease any negative thoughts, words or actions you've participated in.

### **Discussion on Commitment**

1. What elements of daily living can threaten or distract from your areas of commitment, and cultivating consistency? Is it possible to be wholly committed without consistency?
2. Why is it important to have grace for our own mistakes and the mistakes of those around us?
3. What is the value of our doctrines coming from scripture and not just our experience?
4. As you review 4 keys areas of commitment in our faith walk... is there one area that is highlighted to you? If so, what do you feel God is wanting to reveal or grow in you?
5. What does it look like for you to love the region of Central Oregon? How might God be leading you to show up in his love and purposes in fresh ways?
