so I really don't have um  
an agenda for today  
I've got one thing that I felt like the Lord said to me  
and he said to me  
today I'm going to ask them for their fear  
and it takes courage to give me your fear  
and then they sing the song  
you make me brave  
and all throughout that song  
I was going Lord  
it does take courage to give you every fear  
some of the fears that we know we're fighting  
and some fears we're not even aware of  
that we're fighting  
we're not even aware of what makes us afraid  
we're not even sometimes aware that we're reacting  
in a defensive posture  
and I was praying about this  
and I slipped into this vision  
and I saw somebody  
getting bombarded with thoughts of the enemy  
so much so that those thoughts  
almost were reality to them  
they couldn't tell anymore if those thoughts were real  
or if they were the enemy  
cause he was so bombarding them  
and sometimes  
those thoughts by the enemy get planted in you  
that you can't even tell if they're yours or his  
I was reminded of somebody that I was praying for  
that called me and said that they were being um  
accused of something  
and I was like  
tell me what you're being accused of  
and then they told me  
and I said well

let's just pray  
and he said  
but I gotta tell you one more thing  
last night I had a dream that I actually did  
what I was being accused of  
and he goes  
but Bobby I didn't do it  
but I had a dream  
and I knew because I'd seen this before  
that the enemy was literally trying to plant  
these thoughts inside their head  
so that they would live life from a defensive posture  
trying to go  
no I didn't  
trying to live life nah  
and I've seen people do that  
I've looked in the eyes of people over time  
and I've seen them living in that defensive posture  
where their spirit is just saying  
I have every right to be here  
and sometimes I ask them the hard questions did  
did your parents want you when you were in the womb  
and found out  
for many of them  
my mom tried to abort me  
and so they spend the rest of their lives just  
trying to prove to  
the world that they have every right to be here  
in a defensive posture  
they live life like that  
instead of full of Grace and joy and  
and watching the world sort of unfold  
or the red carpet of heaven sort of unfold for them  
they spend their life just proving to the world  
that they're not what the enemy says they are  
and the Lord said to me  
I want to take every bit of that  
every root of that  
every cause of that  
every portion of that  
when David said before  
I have a thought you know it far off  
like far off to the Lord  
is not just knowing David's thoughts before they happen  
like I knew you were gonna think that 30 minutes ago  
when God knows your thoughts far off

he goes all the way back in your bloodline bloodline  
bloodline and finds out where that thought originated  
and when he does a deliverance  
he goes all the way back  
and he knows how to pull up those roots for you  
and says stop paying rent on the planet  
stop living life like you wanna prove to someone  
that you're worthy enough to be here  
and so I really just have one verse today  
and so if you have your bibles  
let's go there then I just wanna see what the Lord does

2nd Timothy

one familiar passage

hi Scarlett

second Timothy 1 verse 7

I'm gonna read it just in a couple translations

super familiar right

for god has not given us a spirit of fear

I just stop right there

that's just not from the Lord

he's not giving us a spirit of fear

but of power and love and a sound of mind

we just read that together

you might have a different version or translation

you can just read yours with

but for God has not given us a spirit of fear

but of power and love and a sound mind

one translation says this

for god has not given us a spirit of cowardice

or timidity

but of power and love and discipline or sound judgment

one translation the NIV says

for the spirit of god gave us

uh does not make us

for the spirit that god gave us does not make us timid

but gives us power

love and self discipline

now I just felt like in this encounter with the Lord

he showed me those three elements that

of what he gave us and power

love and a sound mind and power

is amazing because everything he gave us

there is the opposite of fear isn't it

cause fear makes you feel what

disempowered

you're fully like in defensive posture

you're just like  
thinking things sometimes that aren't even happening  
you're prejudging and  
trying to posture and position yourself like um  
I think it was Einstein who said I feared many things  
most of which never happened  
I feared many things looking back on his life  
he said I feared many things  
most of which never happened  
so he's given us power instead of  
the fear that disempowers  
he's given us love  
because fear separates  
separates us from God  
separates us from people  
separates us from our call  
fear makes you second guess  
so perfect love or mature love  
or the person who's growing in the revelation of love  
that cast out all fear  
every bit of it all fear  
because love is the opposite of fear  
so when God says I've given you power  
that's because your fear is making you feel  
disempowered  
it's a lie but it's making you feel disempowered  
I've given you love because love causes you to connect  
and fear causes separation  
and just think about the people that we fear  
or maybe were used one of the other words  
were intimidated by  
God's not given us the spirit of humidity  
the ones that were too afraid to say something  
to coward us  
he says I've given you love  
so love breaks down all of those barriers  
you don't have to be timid  
you don't have to be a coward  
you can love  
and that's what it looks like  
it looks like the opposite of timidity  
and the opposite of cowardice  
it's not just love  
like googly love  
it's sometimes saying what needs to be said  
the opposite of timidity

sometimes it just means getting your voice  
and saying what God's given you  
and not worrying if it's right  
I love what Chris Becky says  
he goes some he'll say something and it goes  
he'll sometimes he'll go hold on  
I don't know if I believe that  
and I just love that  
because you've got to be able to sort of  
around the right people  
be able to process and emote  
remember when Peter took  
the gospel to the Gentiles for the first time  
he had that trance on top of the roof  
and God said hey  
don't call anything unclean that I have called clean  
there's gonna be some people that come  
and take you to a house  
and as soon as God finished saying that  
they showed up at the door  
and they took him to Cornelius's house  
Peter goes to Cornelius's house and for the first time  
preaches the gospel to the Gentiles and says this  
that we've been experiencing is for the whole world  
every tribe  
every nation  
and then he says  
while I was preaching  
the Holy Spirit fell on them  
Cornelius's house  
as it did on us in the beginning  
the upper room  
I was just talking about the Grace of God to us  
and it fell on them  
just like it did on us in the beginning  
in the upper room  
and then so he goes back to Jerusalem  
and he meets with the apostles and he goes guys  
I need to tell you what happened  
and I'm not sure it was supposed to happen  
and they're like what  
and he says  
here's what broke out  
to the Gentiles at Cornelius's house  
and he goes  
while I was talking

the Holy Spirit fell on them  
as it did on us in the beginning  
and who was I to stop God  
like he had to find out and they had to go wait  
is this is this okay  
God's doing something new can we allow this  
and they had to talk it through  
he was like I didn't make it happen  
I didn't do anything  
I the spirit of God just fell while I was talking  
they're like alright this is the Lord  
he's doing something new  
he's taking things to the next level  
the last thing that I'll say about  
the opposite of the spirit  
a fear is that God gives you a sound mind  
God gives you a sound mind  
and I started thinking about Lord  
what is fear do to the mind  
I'm I'm understanding  
I'm in this revelation about fear disempowers  
fear is the opposite of love  
it separates  
but what does fear do to the mind  
and then I was reminded of this gentleman who  
fear implants thoughts  
it makes you have  
a judgment a  
a judgment that is based on defense  
a judgment that's based on presumption  
and you can't think the thoughts of the Lord  
you can't love  
right when you're packing  
that kind of thing  
it just tries to mess with you  
and that's what fear does  
it starts planting things in  
you that are possibly going to happen  
and then you brace for that  
and sort of live life bracing  
instead of living life expecting God to do great things  
you live life  
maybe cynical because of past relationships  
and don't you wound me  
don't you do what you did before  
don't do cause you

because this situation is all too familiar  
of something that I've experienced in the past and so  
it causes your mind to sort of stay in a time capsule  
and review current situations through an old paradigm  
doesn't it fear just does not want you to have a  
sound mind it wants to mess with your thoughts  
and Jesus said to me today  
I'm just gonna ask them to give me their fear  
and I wanna give them power  
love and a sound mind  
who's up for that  
haha well stand up let's see what God wants to do  
um this gentleman right here  
I can't even see your face  
it's it's a weird lighting in the room today  
so I'm not gonna  
I'm just gonna go off of what I see in the spirit  
I talked about Cornelius a second ago and that he gave  
one of the reasons why  
um god allowed the gospel to expand  
in his house was because he was super generous  
Bible said that's what Cornelius was known for  
giving alms and praying  
and I see that same heart within you  
a generous heart and a man of prayer  
and I see the Lord just saying  
I am your exceedingly and great reward um  
I I feel like the Lord is giving you a generous heart  
and to be generous  
you do have to break through a certain levels of fear  
and the Lord is just super pleased with you  
I can feel his heart for you  
now tell him  
this is my beloved son and whom I'm well pleased  
tell him I'm so proud of his generous heart and desire  
desire for family um  
God's heard your prayer  
you're a man of prayer and desire for family  
and God has heard your heart for your family  
and there's something that's getting to  
ready to break  
loose in a family member that you've been praying for  
I see a young man  
but I'm not 100% sure that it's a man  
just getting a picture of somebody in the family that's  
getting ready to have an encounter with Jesus

and take them to the next level  
and so God I just pray  
whoever this is  
whoever this family member is  
whoever this um  
whoever you are about to encounter  
sort of to give them a road to Damascus  
encounter god  
I ask that they would be  
their heart would be open to you  
I asked for levels of deliverance  
to take place in their mind  
so that they can perceive the glory of god  
so that they can be aware of your greatness  
and your goodness and god  
all of the pain of the past  
you would deliver them from  
and I pray this heart uh  
and this mind that you've given this man right now Lord  
that it would be a blessing  
and it would be a direct proportion to his prayers  
and I just see your prayers just setting all of this up  
and Lord not just this one family member  
but all those that he's praying for  
God just hears your prayer  
God just hears your heart for the people you love  
and so I just prophesy into that in Jesus name  
Jesus name  
alright let's  
let's deal with fear  
um while I was talking a minute ago  
I could feel things shifting in the room  
I could see lights going on  
sort of like these edits involved  
I could see lights going on and going wow  
that that's me  
I've got that or I've got that in my bloodline  
or I need uh  
the Lord to check those thoughts all the way back  
and all some of the things that we talked about there  
just for a few minutes  
lights we're going on  
and you just are brave enough  
that's what he said during the song  
you make me brave  
that sometimes um

it takes bravery just to give him your fear  
isn't that wild  
because bravery is the opposite of fear  
but sometimes it takes courage to give him your fear  
and the Lord wants to give you courage today  
to give him your fear  
but I feel like in the room we have to just say Lord  
that's me standing in the need of prayer  
and just in a humble moment  
would you just admit  
Lord that's me  
I need to give that to you  
my fears in one way or another  
just lift up your hand if that's you  
and this is before you and the Lord right now  
this is before you and the Lord  
I thank you for your humility  
just keep that hand up right now  
father while their hands up saying son of David  
have mercy Lord  
while their hands are up right now  
their spirit is saying  
son of David  
have mercy and god  
I'm asking right now  
for an army to be risen up out of this  
dear God you know it  
and I pray for an impartation of power right now  
in this room today  
Lord that you would fall upon us with power  
that you would fall upon us with love  
oh God that you would teach us to receive your love  
and then give your love like we've never known  
love without fear  
love without agenda  
is it possible to have love and fear at the same time  
yes so Lord  
crowd out our fear with your love  
and God for those of us  
who are just asking for a sound mind  
god turn this room  
god into a holy habitation of revelation  
where we could think the thoughts of Christ  
where our lives  
our businesses  
our families

everything would get a download right now  
of what fear has been trying to steal from us  
and we begin to think new thoughts and revelation  
and suddenly anything is possible  
suddenly the relationships that we were worried about  
suddenly all of those breakdowns  
they don't mean a thing  
all of those walls come crumbling down in one second  
in your presence god  
we say we believe in a supernatural god of breakthrough  
we believe in a supernatural god of healing of hope  
of restoration god  
and so father  
right now we thank you that in this room  
today you're going to exchange fear for a sound mind  
you're going to exchange the lies of the Evil One  
for the truth of the Holy One  
and God I just thank you that in this room  
we all just confess by uplifted hands  
this is what we need  
you are what we need  
this is what the church worldwide needs  
so come and revive us according to your word  
come and revive us according to your word  
I'm gonna just ask the worship team to come back up  
I want you to stay in this place  
Nordstrom's  
I just see um  
sorrow just gonna call it out  
I just see something that's  
the lord's just wiping away today  
it's like he's wiping tears from your eyes  
I see him with a sort of a Mason jar  
holding tears and said  
I've kept everyone  
every every tear you've cried every um  
every anguish in the heart of for people  
and I've kept all of those tears  
all the things  
all the tears that you've cried on behalf of people  
and I'm wiping away those tears today  
um I see the Lord mighty  
uh doing a restoration  
um Eric I saw for you um  
the sun shining on your face  
and you were just sitting there standing on a Hillside

and um you're out in  
in the in the forest or something  
but there was this hill that was clear  
and you looked over and there was this beautiful tree  
um and you sat down under the tree  
and as you sat down under the tree  
the Lord like Nathaniel  
uh just begin to speak to your spirit and said  
I love when you're here  
and that's where he  
and the Lord said to Nathaniel  
I saw you while you were sitting under the tree  
and I don't know this naturally  
but I see it as clear as day right now  
and the Lord loves to speak to you there  
and he says I  
and then I saw the sun shining on your face  
and he says  
this is the hour  
this is the time  
where I am uh  
revealing to you that you are my son  
and why I made you and why I created you and why my uh  
wind is upon you  
I'm I'm touching your eyes  
um and I just see the Lord just sitting down with you  
under that tree and just having a conversation  
super proud of you  
super pleased and excited for what he's teaching you  
and like the disciples  
I don't know why I saw this  
but I saw you calling him like Raboni  
like teacher  
almost like when you watch  
like chosen or something  
they just revered his wisdom  
they revered his teaching  
and I just see the Lord taking you into a season where  
um he's gonna teach you a lot of things  
and just make a lot of things practical for you  
um as a as a  
as a man as a man of God  
um he's just going to show you  
all of the things that you're asking him about  
I just see these moments  
whether you're under a tree

spiritually or physically or not  
I just see the sort of  
that's where it started  
and there's these moments of wisdom  
and God wants to just  
download and answer every question  
and it starts in that place under the tree  
Nathaniel I saw you there  
so Lord let your sun shine on Eric's face  
and bless him God  
may his face shine upon you  
we worship you God  
we worship you God come now  
we just give you all of that fear  
the roots of all of it Lord  
exchange it right now in this room  
for your glory  
for your power love in a sound mind  
exchange it right now  
I prophesy Lord  
mighty men and women  
mighty boys and girls God  
once who are super confident in the love of the Lord  
I saw this confidence raising up where  
we would begin to now  
from this day forward  
watch those thoughts  
that the enemies trying to plan just go  
no I see that  
I'm not having that  
I catch the thief right now and no  
I am not having that  
and I'm telling you  
it's not just about catching it for yourself  
I'm talking about generations of lies  
that have been bombarding your family  
and you're the one that says  
thus far and no more  
you're the one that says it stops with me  
and I speak to those online too  
right now in Jesus name this stops with you  
this stops with you  
this fear stops with you right now  
in Jesus name and father right now  
empower breathe upon us breathe upon us god  
a whole new way of thinking

a whole new way of operating  
a whole new freedom  
where I'm not reacting or responding or paying rent  
Isaiah 58 I see the Lord right now  
breaking the pointing finger  
and the vanities that have been spoken against you  
that spirit of accusation  
it's not this  
the fast that I have chosen  
to lose the bands of wickedness  
to break the pointing finger  
and the vanities that have been spoken against you  
I break every word  
curse spoken against you  
from before you were born to this day  
right now in Jesus name  
I just go back in your bloodline  
I just go back in your history  
I go back in your family  
and the Jesus who stands out of time right now  
if you just present your bloodline before him  
Daniel did it for all of Israel  
if you just present your bloodline before him  
he will rush right back right now  
and he'll heal the effects of fear  
and the lies of the enemy  
I gave you life so you could live it  
abundantly above all that you could ask  
or even thinking  
if you have any thought  
that's lower than abundantly above all  
then that's not me  
be reconciled yes the Bible says to one another  
but god says be reconciled to me  
be reconciled to the truth of how I think about you  
and decide to believe today that I've called you  
I've chosen you  
decide to believe today that you are mine  
there's not one thing that you are facing  
that I can't redeem  
there's not one thing that you are  
facing that I'm not a part of right now in your life  
I'm growing you I'm maturing you  
I am with you right now  
you're not waiting me for me to break in I am with you  
alright here's what I wanna do

this is what I want to sort of break out of  
this somber thing  
I think the Lord wants to mess us all up  
so why don't you just all come up front  
we might have to push the chairs back  
ministry team  
why don't you just come  
play me something fun  
there's three reasons why we come to church  
one is to behold Jesus Christ say behold Jesus  
that's one reason why we come to church  
the other one is to release the kingdom  
say release the kingdom  
right so we behold Jesus  
we release the kingdom  
and the third reason why we come to the church  
is to have fun  
everybody say have fun  
so that's why we come to church to see Jesus  
to worship and behold the king  
we come to church  
to release the kingdom  
and to have fun  
so let's do all of that let's behold Jesus  
let's release the Kingdom and let's have a lot of fun  
yes yes God  
yes Lord let me  
yes son yes God we worship you  
break it loose  
break it loose break it loose break it loose  
breaking loose  
where do you love  
first of all  
we worship you Lord  
we worship you God we bless you Lord we bless you God

I stand on holy ground  
alright you guys  
here's what we're gonna do  
we're gonna get a fire tunnel going and so  
I want you guys to come all the way around to this side  
and we just wanna pray for you  
but here's how we do fire tunnels at Eagle Mountain  
once you've gone through the fire tunnel  
you gotta become a part of the tunnel  
so you receive and then it's all for his glory  
and then you bless others  
does that make sense  
and listen there's an exchange today  
there's fear for freedom  
we're exchanging fear for freedom  
and that's what's happening  
you're gonna feel that  
and you're gonna come into a sense of destiny  
like never before  
and just feel that clarity  
of the smile of God pour on your life  
all for his glory  
so just prophesy into the freedom  
and so as soon as you go through  
I want you to feel that sense of freedom  
and then I want you to release that reality  
on other people and be a part of the tunnel  
as soon as you go through  
you're gonna step up and ascend  
and as you do so  
we're gonna have our online audience go first  
and so come on through

Dance Song  
yeah son yeah  
victory is us victory  
haha  
oh oh oh  
crazy Jesus  
to the lake over here  
you hear that there is he  
can you hear it can you hear it  
can you hear it yes can you hear it  
okay so if you've got something  
in your ears that needs to be healed  
I want you to raise your hand  
if your hearing needs to be healed  
turn my mic up  
if you've got something in your hearing  
that needs to be healed  
this is how this works  
I want you to raise your hand  
whether that's physical hearing or spiritual hearing  
we're gonna honor the word of the Lord  
I want you to raise your hand okay  
so in the presence of the Lord  
everybody who's got your hand raised  
keep them up  
until someone comes around and lays hands on you  
here's where we release the glory of God

go find someone to pray over  
who's got their hand up right now  
physical or spiritual healing  
or prophesying is gonna be healed today  
in Jesus name come on  
let's go pray mobilize  
we've got people that need healing right there  
right there  
come on go find someone with their hand up  
and go pray over them  
I want every person that's got their hand up  
to have someone to pray for them  
come on let's release the glory right now  
come on there's healing  
overhearing  
can you hear it  
can you hear it  
there's healing  
overhearing  
can you hear it  
come on those watching online  
right now in Jesus name  
we release the power of God to heal your natural ears  
and your spiritual ears right now  
we prophesy  
opening of ears  
opening of ears to hear the voice of God  
like you've never heard him before  
the opening of your ears  
to hear the voice of your beloved father  
this is my beloved son and daughter in whom I'm loyal  
please right now  
in Jesus name  
come on let's give the Lord a shout of praise  
for healing right now over healing  
in Jesus name we bless you Lord  
we bless you God  
release the Kingdom  
overhearing we receive it we receive it  
can you hear it now there is healing over healing  
right now they're healing they're healing  
can you hear it now better heal  
hear it can you hear it now  
is there a ceiling it's overhearing can you hear it  
can you hear it now there a ceiling

can you hear it can you  
can you hear it  
hear it now there is heal  
it's over here right  
overhearing  
so good morning  
bloodlines  
of any imperfections that have been passed on to  
you from generations  
anybody feel that as they were just  
maybe walking through the prayer line is felt  
there was like a healing in our blood  
our blood line in the in the spirit  
I just want to  
I just want to claim that I feel like there's a  
some final activation for us to do today  
the verse that Bobby shared forgot  
it's not given us a spirit of fear  
but a power  
love and a sound mind  
there's a there's a declaration for us to seal  
what the Lord has done today  
so I wanna speak that three times okay  
and I'm I'm gonna lead us in that  
and I want you to speak it out  
I want you to like  
say with boldness okay  
so three times  
the Lord has not given us a spirit of fear  
but a power  
love and a sound mind  
I need you to do better than that

for the Lord has not given us a spirit of fear  
but a power  
love and a sound mind  
for the Lord has not given us a spirit of fear  
but a power  
love and a sound mind so father  
I just bless your people right now  
God with the truth of that Lord  
as we take the new found freedom that we have today  
Lord each and every day and every moment  
Lord we have the opportunity  
and the privilege to walk  
Lord in your love  
and your freedom  
and with the sound minds  
so I speak that over us right now  
we receive your love  
your presence  
and a sound mind in the name of Jesus each  
every person watching online  
we speak the same  
a sound mind over you  
for you to discern  
and to see and to know  
the love of God  
cast out all fear in the name of Jesus  
thank you father  
we had church today didn't we  
that amazing  
thank you Lord  
we just give the Lord is an amazing clap  
offering praise  
this one last shout  
thank you father
