okay how's everybody doing  
good what are you sensing from the Lord  
through worship today yeah Omg  
wait wait wait wait hold on  
we're we're gonna thank you  
we're gonna do this  
I think it was the second song that Bobby was singing  
and I saw the Lion of Judah roar  
I heard and saw him roaring over us  
and then I also heard him say that the healing  
was coming in waves  
and there was something so holy about today's worship  
it was yeah  
amazing the Lion of Judah roaring healing awesome  
anyone else  
what did you sense in worship today  
yo Miss Pat  
I really sense faith arising to a greater degree  
what came to my mind was  
we believe and have faith in god  
but do we have the faith of God  
God planted that mustard seed within us that's from him  
that's God's faith inside of us  
we need exercise God's faith in us no  
just believing in that  
that's a whole different concept  
and that really stirred my heart today that  
that is really good okay  
wait so let's make sure we're hearing this faith rising  
but it's different  
say it again  
say it again  
it's worthy of saying again  
the difference is having faith in God  
and having the faith of God  
okay faith of God faith in God wow  
he gave it to us it's on a on our hearts

he gave us his faith  
okay what else did you sense  
did anybody see colors  
woo go back there  
colors colors hey  
my nephew when music plays  
he sees colors and it's actually a thing  
so if you saw colors  
let us know  
it's pretty cool yo um  
God release uh  
taking away relational boundaries  
where we put each other in boxes okay  
removing judgment  
accusation those things from the church  
and he causes righteousness to spring forth  
what I've been praying is  
you know um  
one of the things I heard was Trump has Trump cards  
well God's people have Trump cards  
and we're not to put one another in boxes we're  
we're cheering on with heaven  
and we're gonna see people surprise us with  
their change in their behavior and how they're acting  
because God causes righteousness to spring forth wow  
okay when she said that  
I heard March 4th is gonna have that word  
be released in its fullness  
so say it again  
cause it's where  
you know we only hear 5% okay  
that God wants to remove relational boxes  
we put in each other in judgments  
accusations  
things that limit us  
one another  
and he's causing righteousness to spring forth  
we're gonna  
we need to expect to be surprised by one another  
how we're acting  
how peoples  
change and behavior overnight  
because Jesus is doing a work on the inside okay  
that's the pruning that Toklio got this morning  
where god is pruning us now so that  
that can be the fulfillment of what we do on March 4th  
when we spring fourth woo

anyone else  
what's God sensing  
what are you sensing  
from worship  
um when um we were on the song about the Alabaster box  
and breaking the Alabaster box  
God brought to my  
my front of my face was the woman with the hair and the  
the hair of devotion  
yeah the oil that she wiped his feet with her hair  
and then I can smell it in my hair wow  
it was pretty powerful  
yeah I could smell it in my own hair  
you know we can experience God with all of our senses  
and even the senses we are not aware of  
and that is what just happened  
she could smell that aroma in her  
that oil in her hair  
did you know hair can symbolize devotion  
so what she was doing was she was taking her devotion  
and she was dipping it in the oil  
and do you know what the oil it was  
do you remember what the oil was  
burial oils right  
and she was saying I will  
I am devoted to worship you in everything  
and I humble myself by bowing before you  
in all of my devotion  
no matter what it looks like  
I will pour out for you  
I recently saw an Alabaster jar from that those days  
the ancient times  
and it was beautiful  
but it had been broken and put back together  
so that you could see what it looked like  
and do you know the light could still shine through  
but you were definitely gonna see the broken places  
God will break those things in us  
that are not supposed to be in us  
and he will put us back together  
the way he originally designed us to be  
and we may have scars  
but his light will shine through still to the earth  
and to all the other humans to say it's okay  
he was broken  
we've been broken  
he was healed

we are healed and you can be healed too  
miss my miss Mr Tom  
I was gonna call out your beautiful wife  
Mr Tom Harpman  
the colors I was seeing was white  
and amber oh  
the amber was a bright light  
piercing light  
penetrating purity wow  
cleanliness so clean  
so white washed  
whitest snow  
yeah holiness  
holiness wow  
I seen a standard being lifted up raised up  
that piercing light of the amber was going through  
it's like that  
sometimes you drive down the road at night  
especially of me  
because my night vision  
some of the amber lights that they have on the cars  
just it makes it hard to see cause it's so bright  
so penetrating  
and that's what I was seeing come forth from this place  
and it was the holiness  
the cleanliness  
the purity the righteousness  
of god and it was lifting up a standard  
and setting the pace and setting a standard that  
could penetrate right through darkness  
penetrate through anything that  
did not line up with that holiness wow  
so Bob Jones is a gentleman who hears from the Lord  
and he prophesied about the invitation of God to come  
and up the highway of holiness  
and he said  
it is a highway that goes up  
but it takes  
it takes cleanliness  
it takes the washing to stay on the highway of holiness  
but it was a word that he gave many  
many years ago  
and I do believe we have been invited onto that highway  
even today that word has not yet seen its fulfillment  
because the invitation is still going out  
but it means we must be cleansed and pure  
no mixture in who we worship

and we are on that path  
we are on that path  
we are making a choice that Jesus is our everything  
we will not worship man  
and subconsciously people  
I'm telling you  
it's hard to even fathom how much we worship man  
we worship ourselves  
we worship each other  
we call it whatever it is  
it could be consciously and it could be subconsciously  
but Jesus is saying  
come on the highway of holiness  
where only worship of me is there  
it's the invitation  
we will worship only Jesus  
yeah I've got another one whoo  
who's good guys  
so when we were singing  
there's nothing else better than you  
um I felt like God was um  
spoke to me and said there's  
there's nothing else better than me except more of me  
yes and when he said that  
um the next thing that popped in my head is  
I'm gooder than you know  
haha and I saw waves  
I saw waves just washing in and each wave was like  
another revelation of his goodness wow  
and of his more  
um and then psalms  
whenever I think of waves of Psalms um  
42 um seven pops into my head  
deep calls unto deep at the noise of your waterfalls  
all your waves and billows have gone over me  
the Lord will command his loving kindness  
in the daytime and in the night  
his song shall be with me  
I just feel like that's  
the season he's taking us into right now  
yeah that's awesome  
that's a message right there  
whoo Jesus position us  
position us  
position our hearts  
you are all receiving a part of the message  
that is for today and for this season

so this is really good  
anyone else  
oh yes unomas  
so at the beginning of one of the songs  
I saw black and white movie  
and then the music changed and I was like  
oh my gosh we are  
we are in the now  
and I said Jesus  
I fill my dance card with your name  
and we danced through the entire song  
and it was different  
each part of the song  
we dance different  
it was slow  
it was upbeat and fun  
he spun me around on the clouds and he dipped me  
um it became intimate  
every every part of that song was a  
different layer of him dancing with me  
so fill your dance cards with Jesus yeah  
let's dance you and I  
that's awesome okay one more yes  
I love it hey welcome over how was your ride over here  
it was good what  
it was clear  
it was clear  
yeah fast so  
I'm being brave in myself and saying what I saw good um  
it was during probably the holy holy um  
are you God and the word yeah  
and I see the throne often here  
the the base of the throne and and I saw um  
the feet of the Lord  
and it was big it covers the whole stage and  
you know those little emoji crowns  
I send them to my friends often  
I like that they were falling  
it was like all of us were  
throwing crowns at the lord's feet  
and I just kept seeing that  
it was pretty exciting  
I don't have any revelation in that but yeah  
I feel like all of our hearts are here just for Jesus  
yes yeah that's so good yes  
go yes please okay  
welcome back

welcome over to you had to come over the the past 2 yes  
I did and I had my family helping me  
it was awesome yeah  
so now I can drive my new car back over oh  
congratulations  
to get a new Subaru  
oh nice yeah  
nice so I'm gonna be brave and saying this  
and I think it goes along with what a  
lot of people are seeing  
but the graves and the gardens is my like favorite song  
but the theme that I've had the last couple of days is  
if you see something that's  
wrong or out of alignment  
or someone's not living up to their  
fullest destiny calling  
it's easy to see the stuff you know  
and so the Lord said  
flip that to the opposite  
which is of course a bait  
bottom line  
prophetic understanding you know  
but I'm just really gonna take that on for myself  
that if I see something that's out  
it's not quite right or out of alignment or not  
what I wanna see in someone  
to just flip that and just say Lord  
what is the opposite  
what is the truth about them  
who are they really  
and I just feel like that's gonna be a huge  
form of worship in my life  
so I just wanna live that  
that is so good so hot  
raise your hand  
don't be shy  
how many of you needed that today  
yeah look here  
that's for a reason  
God is doing some stuff guys  
that's awesome  
thank you for sharing  
wow do I need to even speak  
cause that's amazing right there  
no seriously  
that is that is the message  
what I'm gonna share is just gravy to the message

God is already speaking to your hearts and collectively  
we are joining into  
but I am gonna speak to you today  
out of the book of Isaiah  
and here's something I've uh  
that was highlighted to me this time about Isaiah  
there are a lot of songs in Isaiah  
and we read them as just  
it's the word of God or a letter or  
you know it's story history um  
but their songs  
and they were songs that were sung  
is some of them prophetic songs  
singing into the future like we do a lot of times  
and some of them were this is what's happening songs  
and some of them were this is how you are supposed to  
behave songs  
this is your role  
this is what your grid of living looks like  
for right now  
and this is what you will do  
um that's not what I'm gonna talk about today though  
today I'm gonna talk about in Isaiah three men  
and these three men  
you when I begin to tell their story  
you're going to have a picture  
of someone drop into your mind  
and I'm gonna actually share  
the scripture  
and and let's just let it  
you know give you that visual picture okay  
the first one is that of Isaiah 14:13  
but you said in your heart  
I will ascend to heaven  
I will raise my throne above the stars of god  
and I will sit on the mount of assembly  
in the remote parts of the north  
I will ascend above the heights of the cloud  
and I will make myself like the most high god  
so what picture of a man  
or what picture came into your mind  
who came into your mind who Satan  
do you know that was the king of Babylon  
that was what God was saying  
sing about the king of Babylon  
okay here's another one  
but yes it does sound like Satan doesn't it

there's a point to that  
the the second man is found in Isaiah 40 verse 3  
the voice of one crying in the wilderness  
prepare the way of the Lord  
makes straight in the desert a highway for our god  
J the B John the Baptist that's right I love J the B  
okay and we know it's J the B  
like legitly J the B  
because in Matthew 3  
this is what it says  
in those days  
John the Baptist appeared  
preaching in the wilderness of Judea  
and saying repent  
change your inner self  
your old way of thinking  
regret past sins  
live your life in a way that proves repentance  
seek God's purpose for your life  
for the kingdom of heaven is at hand  
this is the one who was mentioned by the prophet Isaiah  
when he said  
the voice of one shouting in the wilderness  
prepare the way for the Lord  
so it was legitimately talking about him  
all those years ago  
whoo okay here's the third man  
and this is an Isaiah 53  
for he shall grow up before him as a tender plant  
and as a root out of dry ground  
he has no form or comeliness  
and when we see him  
there is no beauty that we should desire him  
he is despised and rejected by men  
a man of sorrows and acquainted with grief  
and we hid as it were  
our faces from him  
he was despised and we did not esteem him  
surely he has borne our griefs and carried our sorrows  
yet we esteemed him stricken  
smitten by god and afflicted  
but he was wounded for our transgressions  
he was bruised for our iniquities  
the chastisement  
for our peace was upon him  
and by his stripes  
we are healed

I'm gonna go on  
I know you know  
but I'm going on  
he was oppressed and he was afflicted  
yet he opened not his mouth  
he was a lamb  
he was led as a lamb to the slaughter  
and as a sheep before its shearer is silent  
so he opened not his mouth  
he was taken from prison and from judgment  
and who will declare his generation  
for he was cut off from the land of the living for his  
the transgressions of my people  
he was stricken  
and they made his grave with the wicked  
but with the rich  
at his death  
because he had done no violence  
nor was any deceit in his mouth  
yet it pleased the Lord  
it pleased the Lord  
to bruise him  
he was put to grief  
when you make  
his soul an offering for sin  
he shall see his seed  
he shall prolong his days  
and the pleasure of the Lord shall prosper in his hand  
he shall see the labor of his soul and be satisfied  
by his knowledge  
my righteous servants shall justify many  
for he shall bear their iniquities  
therefore I will divide him a portion with the great  
and he shall divide the spoil with the strong  
because he poured out his soul unto death  
and he was numbered with the transgressors  
and he bore the sin of many  
and made intercession  
for the transgressors  
Jesus yes that's awesome  
so this question was going in my mind for a while now  
and um I'm a processor and I'm a solution finder  
um to some degree and um  
and in the question that I kept going back to was  
if this was prophesied in Isaiah about Jesus  
and Jesus was with his father at that time

and then all those years later  
he actually was born a human baby  
and then he was a child growing up  
young man growing up to become a full grown man  
when did he know  
that Isaiah was his portion  
and what did he do when he knew  
and it got me to think about his time here on earth  
because you know  
you see we have this  
I'll just say me  
I have this idea that I think  
oh holy Jesus  
he knew who he was from the beginning  
he was a little baby going I am I am God  
it's so lame  
it's so ridiculous  
I mean here's little Ezra over here  
my sweet boy  
my sweet treasure  
if he were to know his true identity right now  
and his purpose on this earth  
how would he behave  
when did Jesus know and what did he do when he knew  
how did he behave  
so this is like going through my mind and I'm like God  
at some point  
I mean you were a part of having Isaiah prophesy this  
when did you your memory when was it not there anymore  
could you imagine  
a little child knowing they were gonna die  
how much trauma that would bring on a baby  
on a little kid  
and I propose to this to you today  
and I'm telling you  
this is not doctrine  
this is just me talking  
so take it with a grain of salt if you so choose  
throw it away if you want  
but I actually  
encourage you to take the question to God  
and ask him yourself  
but I propose to you that he knew then  
he was born a human  
and he did not know  
until he spent time with his father  
so in scripture

we find out  
that 12 years old  
he knew who his daddy was  
he had no question of his identity  
and in Loop 2  
we've read now  
his parents went to Jerusalem  
now you remember this  
probably for those of you who've read the Bible  
and that he went with his parents  
to Jerusalem every year  
every year for the Passover  
the Passover feast okay  
so every year means from the time he was born till now  
twelve years  
he is gone to Jerusalem for the Passover feast  
and when he was twelve  
they went up to Jerusalem  
according to the customer  
the feast and as they were returning to Nazareth  
after spending the required numbers of days  
at the feast  
the boy Jesus remained behind in Jerusalem  
and his parents didn't know this  
but supposed him to be in the caravan  
and they travel today's journey  
how many of you as parents have left your kids  
come on be real  
be honest I've left kids that aren't even mine okay  
like it happens  
Isaac's probably got trauma from that  
I'm sorry I've left you Isaac um  
a day's journey  
I didn't leave Isaac that long  
and then they began searching anxiously for  
him among their relatives and acquaintances  
when they did not find him  
they went back to Jerusalem  
looking for him everywhere  
three days later okay  
so this is four days  
the boy is missing  
could you imagine a mama's heart  
this is where the bear claws come out  
where is my son  
three days later  
they found him in the court of the temple

sitting among the teachers  
both listening  
let's just be honest here  
we never liked to look at that part  
but he actually listened to them okay  
and ask them questions we don't like  
cause Pharisees is a bad word right  
just throwing that out there  
listening and asking them questions  
so we ask them questions as well  
all who heard him were amazed by his intelligence  
and his understanding and his answers  
and when they saw him  
they were overwhelmed and his mother said to him son  
why have you treated us like this  
listen your father and I have been greatly distressed  
and anxious looking for you  
that was his come to Jesus moment right  
could you imagine  
I mean this is probably super like  
if it were me  
I'd be like oh  
it's on right now  
you are gonna get a little spanking my dear  
and I believe I do believe I'm sorry  
I grew up in the south  
so spanking a part of life there  
and also hitting your head with a brush  
my grandmother did that all the time  
so she's like  
you get back over here  
and although I've heard recently that that's actually  
now considered a weapon  
I had no idea  
I just know my head is nice and thick  
because it's been pounded on so many times  
which is awesome okay  
so here she is  
she's like your father and I been greatly distressed  
we are we are anxiously looking for you  
and he answered  
why did you have to look for me  
did you not know that I had to be in my father's house  
or the new King James translation says  
did you not know that  
I must be about my father's business  
but they did not understand what he had said to them

and he and he went down to Nazareth with them  
and was continually  
submissive and obedient to his parents  
such a good boy  
and his mother treasured all these things in her heart  
or let's let's do a different translation  
he went down with him and came to Nazareth  
and he was subject to them  
but his mother kept all these things in her heart  
so here's what we know  
he's 12 years old  
he knows who his daddy is  
he has identity  
there is no identity who who am I  
going on with him  
all right 12 years old he knows who his daddy is  
and he knows he's about  
he's supposed to be about his daddy's business okay  
we also know Mary  
who has been told some things  
has not revealed everything to her son  
in her infinite wisdom  
she knows she can't go  
here's my little baby hey  
I'm gonna look into your spirit and tell you  
you gonna die  
you gonna be  
bruised so badly that you're gonna be beaten so much  
people won't even recognize you hey  
four year old Jesus just wanna let you know  
you're dying  
you're gonna be  
totally in pain and you can't say anything about it  
shut that little mouth  
you're not gonna be able to do it  
just wanna let you know your future good times  
what mama is gonna do  
that to their son  
you don't awaken love until it's time  
and he had to be of a right age  
to begin to have that reveal to him  
but Mary in her wisdom  
knew that is not for me to speak  
that is something that must be revealed  
between a son and his heavenly father  
a son and his daddy  
and it will come her role she knew I will be there

I will take whatever stance I need  
and I will love and I will serve  
and I will care for him  
and when anyone  
everyone leaves  
I will be there standing and loving and supporting  
so when did he know and what did he do  
spending time  
with his daddy  
when did Jesus read Isaiah  
do you remember that  
when did he know that what he would go through  
was actually prophesied in Isaiah  
see he was there when they said Isaiah speak this  
but now he's here  
and he has to read it again at some point  
and go that's me  
that's me  
and I accept that and I receive it  
and I'm not gonna be a victim going oh my gosh  
that's what I do  
wait a minute  
one time I asked Jesus  
I was like really young in the faith and I I  
I just married Bobby and I was like  
you know like in honeymoon land with God  
and I was like woo Jesus  
show me what my life is gonna be like  
I wanna see it all  
cause I like no one ahead of time  
and I all of a sudden was in this  
I was in a different place  
and I was on this like conveyor belt  
and as I'm going on this conveyor belt  
I'm seeing these pictures  
these images going on both sides  
like a movie screen  
but I can't make them out because I'm going too fast  
and then all of a sudden  
the conveyor belt becomes this roller coaster ride  
and I'm trying to hold on  
and I'm like wow  
trying to hold on for dear life  
on this roller coaster ride of my life  
and at the end of it I was like  
what just happened  
I don't even remember what I saw

all I knew was that it was a roller coaster ride  
and God was saying your life  
your life I I know  
and I will let you see those images  
and I will let you know some things  
but just enjoy the ride with me  
cause I love roller coaster rides  
do you think Jesus recognized himself  
when he read about David  
or that I mean that was his ancestor  
surely he read  
what about Joseph  
when he read about Joseph  
did he know that he  
too would be sold for 30 pieces of silver  
one thing we know for sure is that he knew who he was  
and he was settled on it  
he was the son of the most high god  
we also know that he  
developed a prayer life  
and in John 5:19 it says  
so Jesus answered them by saying  
I sure you and most solemnly say to you  
the son can do nothing of himself  
unless it is something he sees the father doing  
for whatever things the father does  
the son and his turn also does in the same way  
and in Luke 22:39  
and he came out and went  
as was his habit  
to the mound of olives  
and the disciples followed him  
and when they arrived at the place called Yosemite  
he said to them  
pray continually that you may not fall into temptation  
and he withdrew from them about a stone's throw away  
and he knelt down and prayed  
and this is what he prayed  
father if you are willing  
remove this cup from me  
and it was the cup of divine wrath  
yet not my will  
but always yours be done  
and an angel appeared to him from heaven  
strengthening him and being in agony  
deeply distressed and anguished  
clearly at that point he knew

he had known for some time  
Paul says that we are to imitate him  
as he imitates Christ  
and in 1st Corinthians 11 1  
this is what I got when I boil it down  
everyone is imitating someone  
and everyone has a purpose they are fulfilling  
even when they think they do not  
so have you heard a family member say  
oh you're so  
like so and so  
you're just like so and so  
I actually have my grandmother  
I when Hurricane Katrina hit New Orleans  
my family's from New Orleans  
my grandmother was here  
and she was actually supposed to fly out that day  
and we're watching the the news  
and I looked her and I guess you're not leaving  
she's and she says  
I guess I'm not leaving for a while  
cause Hurricane Katrina had hit her home  
there was no power and no way to even access her home  
and then the  
airport was completely shut down for months  
and so here's my grandmother who came to visit us  
now stuck for months on it  
we had no idea when she was gonna go back  
and so I said well nanny  
I'm putting you to work  
and my grandmother  
I didn't really grow up knowing  
and being around her very much and so  
um she was always working  
whenever I stayed at their home  
she was always working  
she was mainly gone  
she was gone  
you know very early in the morning and um  
and so I didn't really know her very well  
and God gave me this little gift of having her here  
and um you know  
so she went everywhere I went  
she did everything I did  
we clean the church together  
we went and visited people together  
we set up for church together and kids together

we did everything together  
and at the end of that time  
she looked at me and she just says  
you are just like me  
she's got this Mississippi accent  
even though she's from Louisiana  
and I'm not doing it justice right now  
but she said that and I  
I was kind of taken aback by that  
and I was also flattered by that  
like in a good way like wow  
I am like somebody in my family  
and um I mean  
I look like her  
I look like her entire side of the family  
you good generations  
you know you line us all up  
we got a big family  
we all look the same  
and yet here now I realize  
I act like somebody and she says it's in your work  
the way you say your words  
the way you move your expressions  
the thing just in your move like movement  
she says it's just like seeing me  
I had no idea I was imitating her  
cause I didn't see that  
so it does not have to be on a conscious level  
in the womb  
they say that the babies begin to practice  
facial expressions from their ancestors  
and they have proof  
it's pretty cool  
everybody's imitating somebody  
whether you know it or not  
I didn't know it love that I did  
the king of Babylon who is he imitating Satan  
he wanted to become more powerful  
and he wanted to be seen as a god  
and worshiped as a God  
Paul imitated Jesus  
knowing who he was and what his purpose was  
and what did Jesus do  
he was about his father's business  
so how do you imitate Christ  
do you know who you are can we get that settled today  
who is your daddy

and let me be clear about this  
12 years old human Jesus could get that settled  
it's about time we get that settled  
okay no more of this I don't know who I am  
now I am not saying that it is  
it's we should all know  
and understand the fullness of our core design  
that is different than knowing who our daddy is  
and knowing from who we now have been born from  
when you are saved  
you ask Jesus into your heart  
you confess with your mouth  
and you believe that Jesus is our Lord and savior  
creator of everything right  
right then your identity is settled  
so who in here isn't saved  
if you aren't  
we wanna pray with you today  
because we want you to know who your daddy is  
just like we all should know who our daddy is  
okay  
now that's we can end it there and be like  
wow salvation  
and it's amazing  
but there's another part of imitating Jesus  
and that's now doing what he did  
imitating him by spending time with our Heavenly Father  
because you are here  
and I propose to you  
you were there talking to Jesus  
talking to your heavenly father  
your spirit knows what you were here for  
your spirit said yes  
I will fulfill the expression of you on the earth  
and then here you are baby and a child  
and it's time to remember  
and the only way I would love will be awaken  
as you feel are spending time with your daddy  
have you spent the time needed with him  
to remember to know  
to be assured  
it doesn't always have to be hard stuff  
he has you here for good stuff too  
a lot of times were like the sufferings  
that's not what I'm talking about  
is the fullness of your purpose  
of the expression of who god is

that is to be released in a light shining in the earth  
and it is crucial to settle  
the question of your identity today  
and it is crucial to settle  
how much time  
you need to spend with your heavenly father  
to know what you are to do  
with who you are  
so when did you know  
that you are a child of the most I got  
when did you know you were a son or a daughter  
and what are you doing now  
please hear me clearly  
I am not saying performance  
I am saying presence with God  
time with him will awaken love in you  
to know what it is you're here for  
Christine Potter used to say she knew  
she knew what she was here for  
and some days it was one thing and another day  
and some days it was another thing  
but she knew because she spent time with her father  
and he's hungry to spend time with you  
he has so much to say so much to show you  
all becomes clear  
all becomes clear when you spend time with him  
everything that is in your mind  
like dust goes away when you spend time with him  
when you focus in  
and he wants  
I mean he's so  
he's so wanting it  
more than any other time  
I believe in history  
he's saying  
spend time with me  
I mean you hear this and you hear this  
and I'm telling you  
I have to repent  
I don't spend enough time with him  
I'm still stuck in the place of going  
I'm ticked off because this person's doing that  
and that person's doing that  
and I'm ticked off  
because we don't have enough of this and that and this  
I need to spend more time with him  
out of time with him comes everything else

the essence of him now becomes the essence of me  
and flows out of me to others  
he's so eager he's so ready  
he's all in he always has been  
he gave everything for you  
to spend time with him and to know who you are  
so being imitators today of Jesus  
means that we spend time with our heavenly father  
because Jesus Isaiah 53  
who has believed our message of salvation  
and to whom has the arm and infinite power  
of the Lord been revealed  
for he grew up before him like a tender chote  
and like a root out of the dry ground  
he did everything I just spoke  
do I need to say them though  
let me do it again  
let's keep going  
he has no stately form or majestic splendor  
that we should look at him  
nor handsome appearance  
that we should be attracted to him  
he was despised and rejected by man  
a man of sorrow and pain and acquainted with grief  
and like one from whom men hid their faces  
he was despised  
and we did not appreciate his worth or esteem him  
but in fact  
he has borne our grieves  
he has carried our sorrows and pains  
yet we assumed that he was stricken  
struck down by god  
and degraded and humiliated by him  
but he was wounded for our transgressions  
he was crushed for our wickedness  
the punishment for our well being fell on him  
and by his stripes  
we are healed  
for all of us like sheep have gone astray  
we have turned each one to the worship of our own way  
my my word worship in there but it is our own way  
but the Lord has caused the wickedness of us all  
to fall on him  
he was oppressed and he was afflicted yet  
he did not open his mouth to complain or defend himself  
and like a lamb that is led to the slaughter  
and like a sheep that is silent before shears

so he did not open his mouth  
after oppression and judgment  
he was taken away  
and as for his generation  
who among them concerned himself with the fact that he  
was cut off from the land of the living by his death  
for the transgression of my people  
to whom the stroke of death was due  
his grave was assigned with the wicked  
but he was with the rich man in his death  
because he had done no violence  
nor was there any deceit in his mouth  
yet the Lord was willing to crush him  
and causing him to suffer  
he would give himself as a guilt  
offering and atonement for sin  
he shall see his spiritual offspring  
all of us  
he shall prolong his days and the will  
the good pleasure of the Lord  
shall succeed and prosper in his hand  
as a result of the anguish of his soul  
sweating blood drops  
he shall see it and be satisfied  
by his knowledge of what he has accomplished  
the righteous one  
my servant shall justify them many  
making them righteous  
upright before god and in right standing with him  
for he shall bear the responsibilities for their sins  
therefore I will well anyway I'm gonna quit there  
he was so eager to spend time with you  
he did that  
that's my Jesus is he yours  
oh Jesus this is how much  
they wanna spend time with you  
heavenly Father is like  
we've done it all  
come spend time with me now  
know who I am  
I'm your daddy  
and know why you're here  
what you gonna do  
I have no other enticement  
I have no other wrapping it up  
I just hope that I've pricked your heart enough today  
to want to be with him

and to repent of the waste of time  
that we have not spent with him  
he so wants to spend that time with you  
so I don't want to do a call  
I don't want you to raise your hand  
I just want you to run to him  
I want you to settle today in the sand  
you write your name in the sand of heaven  
and you say no more  
well I question who I am  
I am a daughter or a son of the most high God  
and now it's time to spend time with him  
to know what I am here to do  
so God I repent  
and you can join me if you want  
but I repent for questioning what you have done  
to call my name  
I confess I am your daughter  
forgive me for continuing to question who you are  
you are my daddy  
and I stand before you repenting  
for the time I have wasted not spending with you  
for this stupidity of my own mind  
to say that I can do it without you  
I can live this life  
without an everyday moment with you  
and I repent  
of questioning my identity over and over and over again  
and I repent  
I repent  
of believing that I am on this earth for my purposes  
and not for yours  
and I submit myself to you  
and I take my devotion and I dip it in the oil  
and I wipe your feet today  
and I say I will lay everything out for you  
and I will die to myself  
so that you can be worshipped and glorified through me  
in the ways that you have so ordained  
before the foundations of the earth  
Lord I don't wanna waste another moment  
your will be done God  
your will be done  
I will receive every cup you give me  
I just want to spend time with you  
I just wanna know you  
I just want love awakened in my heart

to the fullness of what you have for me  
I don't wanna  
I don't wanna leave this earth  
without knowing and fulfilling  
everything that you so desire  
thank you God  
who's your daddy  
I suggest today that you have that time with him  
and ask him  
where am I still worshiping myself  
creating images in my own likeness  
don't think you do but we do all the time  
that sounds like a Don Potter song to me  
I'll tell you what  
2022 was the exposure of man and the worship of him  
20:00 twenty three is the worship of Jesus  
let's do it together  
well that's it y'all

but today Holy Spirit reached out to you and said  
I'll give you courage  
I will be your guide and strengthen you  
I hope you receive that today  
and if you have not yet received Jesus as  
your Lord and savior  
we're gonna have our team up here ready to
