through the back around
just praying and worshiping
the steam hit me
and I feel like I'm supposed to prophetically declare
Psalm 24 and there's another scripture
Isaiah that's on my phone
I said thank you Isaiah too
to which I'll come to pass in the latter days
that the mountain of the lord's house shall be
established on top of the mountains
and there's something about the mountain
the theme of the mountain of the Lord that landed on me
and I knew prophetically I needed to speak into it here
um but this is God's agenda
uh I believe it's part of the destiny on this house
it's part of the call of god that is on this house
this people
this region
but I believe it's also national
that it's for the nation
uh that in this hour
god is saying that his mountain is gonna be
established over the other mountains
and in Psalm 24
it says the earth is the lord's and the fullness of it
the world and they who dwell in it for
who shall go up into the mountain of the Lord
who shall stand in his holy place
he was clean hands and a pure art
who has not lifted himself up to falsehood
or to what is false
nor 1 deceitfully
he shall receive blessing from the Lord
and righteousness from the god of his salvation

this is the generation of those who seek him
of those who require him
who seek your face
oh god of Jacob
and the first thing that really stood out to me
was the mountain
the mountain represents nearness to god
spiritually
one of the significant aspects of a mountain
the mountain of the Lord
it represents nearness to god
and here it's saying that
he has clean hands and a pure heart
who has not lifted himself up to falsehood
or sworn deceitfully
this is talking about a position of the heart
and it says
he will receive blessing and righteousness from God
oh God of Jacob
so now I really feel
the anointing and the call of God on this house
is to establish the mountain of the Lord
I also feel that there is a
community being raised up here that will be fully
equipped by God
they will know God
and they will do great exploits
they will know themselves
they will know one another
um it's a true
authentic community
being established by the hand of God and also
what I keep hearing is that they will be thoroughly
equipped and
and I just keep sensing the mountain of the Lord
the nearness of God
that it's a position of the heart
that will release blessing and righteousness
and then the reference of the God of Jacob
Jacob now this is what the Lord showed me

Jacob was deceitful
okay Jacob deceived
right but here
he's talking about a generation
that will not lift their hearts up to deceit
but they will have clean hands and a pure heart and
and that heart will receive blessing
and righteousness from God
and what the Lord showed me is that
with this generation
that God is touching
now if you go down again
a few more verses
this stood out to me
who is the king of glory
the Lord strong and mighty
the Lord mighty and battle
and what I feel like prophesying right now
is that what we will see over our nation
in this next season is the Lord mighty and battle
that we're gonna see God reveal himself as the Lord
who is mighty in battle
and this is gonna be the generation of those
who seek God
I saw and what I feel to prophesy
is that god is breaking deceit
and deception off of a generation
and their hearts are gonna turn from Jacob to Israel
where Jacob
his name means deceit or
or you know
but but then as he wrestled
he received the blessing
and he was transformed to Israel
which means prince with God
or those who contend with God
so there is a move of the Lord
where God is gonna rise up
over our nation in this next season
as the God mighty in battle

and there is going to be
a touch of god upon a generation
that will break a spirit of deception
that has been released from the gates of hell okay
and the gates of hell
will not prevail
against God
and he says
open up the gates be lifted up you age abiding doors
and the king of glory is gonna come in
the one who is strong and mighty in battle
so there's gonna be an overthrow of deception okay
and I wanna prophesy this over our nation right now
from this place of the mountain of the Lord
because there is something here of an anointing
to see the mountain of god established
and that's a place of nearness to God
it's a place of a position of the heart
where there's no deception
but it's it's clean hands and it's pure hearts
and it's those who will stand near to God
and and God mighty
and battle will bring an overthrow of the deception so
um this is the hour
there's gonna of the great clashing
but God and his mountain is gonna be
established over the other mountains so Lord
we just prophesy this today
right from this place that you are establishing
the mountain of the Lord
and we declare father
that we will see the Lord mighty in battle and Lord
we will see a generation of those who seek
who require you
father and Lord
I thank you that you are transforming Jacob to Israel
that Lord Jesus
we are in an hour
father with there will be a revival of the heart
God is saying

it's not just gonna be an external move of God
it's gonna be an internal move of a revival
within the heart
that brings clean hands and a pure heart
that causes blessing and righteousness
to be established within
not just on the outside
but on the inside
of a generation
of a generation
and father we declare today
you are breaking deception off of a generation
guys we have to understand
there's a battle going on in the realm of the spirit
we need we need to declare what God is saying
and he is saying that he is gonna break deception
off of a generation
and there's gonna be revival of the heart
and the mountain of the Lord is going to be established
and there's gonna be a whole company of
people that stand before God
with clean hands and a pure heart
this is gonna be an hour of the pure heart
this is gonna be an hour of the pure hearted
where the pure hearted will see God
the pure hearted will see god
so father we pray today
we pray even in us Lord
let there be a pure heart in us god
no deceit found in us as your people father
that our hearts would be lifted up to you
and they would be a blessing
and a righteousness that we walk in father
that is because of that condition of the heart
now just say Lord I receive it
say I receive it for me for my family
for my church
and I release it over the nation in Jesus name amen
alright so what you don't know is
I just prophesied from this house
