yeah go ahead  
go ahead Delore  
did you have some  
I I I did I  
I did I did and I  
I wanna hear Nathan  
I actually wanna hear Nathan more and I wanna hear me  
but when you said a prophetic word  
I was on here late because of what happened Bobby  
this is for you  
my brother I wow  
um I wrote down notes on a receipt  
I I because I  
I I knew what was gonna happen  
I wanted to make sure and that  
because once you start flowing in the prophetic  
all kinds of things start happening  
so this is what happened  
I was praying  
and a Kim song came into my mind and into my spirit  
and it was come  
let us go to the mountain of the Lord  
and we just came from New York  
Bobby in New York was prophesied by some of the  
the the most incredible  
Barbara Massey  
you look her up I  
you will get a start about Barbara Massey  
you won't even  
you'll be shocked  
he said that it would be the Eastern Gate New York  
and I started praying  
as god was showing me New York in the eastern gate  
and he said to me

you just came from the eastern gate in the East Coast  
and now you're going to the western gate  
on the West Coast  
he said I have seen my servant Bobby Greg  
Year after year  
I could cry  
cry out to me  
year after year after year  
what am I doing here  
what am I doing here  
what is happening  
you pray Bobby  
and you sought God in Eagle Mountain  
those words come  
let us go to the mountain of the Lord  
the East Post is New York blue  
blue state Delaware  
New Jersey oh  
the devil tried to capture that post  
and then you got the West Post  
Washington Oregon  
California and the  
the Devil did everything they could to  
to get both coast but Bobby  
I'm telling you Ben  
Oregon is gonna be on the map  
they're gonna bend  
when you ever said to me  
we're flexible  
that's why we're called bend  
a brush of the prophetic came into me  
and I'll tell you  
this is what I saw  
I saw a wind coming from the east  
hitting the west coast  
the wind of God coming from the west coast  
hitting the east coast  
and they're colliding in the middle  
and the collision  
that's going to happen is going to be so powerful

that it's gonna be like a ping pong game  
and God's gonna ping pong  
back and forth  
back and forth  
back and forth  
and I had a vision of a snake  
and I'm gonna tell you  
I was telling people in my chat today  
there was a vision of a snake  
we started this  
I told you that  
it was at Trump's National Golf Course  
October 16 2021  
right when Kim said it would happen  
and and there was a  
god gave you vision of a pipeline  
and the python was wrapped like this around the country  
and it was squeezing the country  
and after we went to New York and I  
I shared this and people in the chat are gonna remember  
I got another vision and the vision  
the head was cut off  
then we went to California  
and the whole of a a snake  
the the tail was cut off  
and so now you just have what's going on in the middle  
I was been praying Bobby  
and I was praying  
during this time when God was giving me a word for you  
and I could no longer see the snake  
the snake was gone  
and the east coast to the west coast  
to eastern gate to western gate  
I'm telling you  
God is gonna clean up those coast  
they're gonna be there for the glory God  
and my brother  
your prayers  
and I know Nathan's prayers  
here we are

both of you are on the West Coast  
I'm the East Coast girl  
this is a prophetic  
gathering right now that we're in the middle of  
and I'm telling you  
you watch and see what happens on the West Coast  
it's gonna boggle your mind Bobby  
God has heard you  
you have not been overlooked wow  
your giftedness have not been overlooked  
you've got gifts you have not yet even imagined  
and brother  
I'm praying for you  
and now I know why we're coming there  
and now I know why  
God dropped Nathan  
French on my spirit  
I had no idea  
and that's what happened  
and it's all came together today  
praise the name of the Lord  
yeah wow man  
it's incredible  
man oh Delora  
that you nailed  
you nailed it  
I mean that is  
that is me just on my face  
on the backside of the desert  
for the last 22 years  
calling out  
crying out God said  
say to the hills  
say to the mountains  
before you ever see anything  
I want you prophesying over the regions  
over the Pacific Northwest  
stand as a watchman  
cause it'll  
take a while to break up the fallow ground

and linking arms with you guys  
uh and our friends  
and just seeing this  
sort of come  
and to break open  
uh the seeds that have been sown  
um so thankful  
and and this  
this makes me cry actually  
it is my heart  
and thank you for seeing that  
God has seen me  
when he sees you  
like David uh  
when you feel like  
sometimes you're overlooked  
and there's  
those of you watching like David  
everyone else was picked but you  
and God knows where to find you  
and Samuel was like  
is there no one else  
he said literally  
I will not sit down until he come  
and there is a  
there is a new generation not of age  
of people who've been on the backside of the desert  
that are emerging  
right now as apostolic leaders
