couple things that I wanna just put out there  
regarding the person of Jesus  
to think about during the holidays  
No. 1 um  
Jesus is the Redeemer and I feel like  
there's  
so many things that God is going to be redeeming  
this year  
and I want you to posture yourself for redemption  
so that when he does it you're like  
oh that's right  
he didn't forget about those promises that he told me  
and he's redeeming everything that was lost  
let me give you the definition of redeemer  
it means to gain or regain possession of something  
to gain or regain possession of something  
that's what the word redeem means  
and it goes on to say  
to gain or regain possession of something  
in exchange for payment God gave his life  
to redeem the dream that he's put inside your heart  
and we have to go through process  
we have to go through all kinds of things  
people matter the process matters  
you can't speed it up and  
God's mercy  
is trying to make sure that we don't slow it down  
and so we wanna make sure to get into alignment  
the best that we can but he's the Redeemer  
and he's gaining or regaining  
possession  
of the promises that he put inside your heart  
I was studying um  
this week just cause I love the word  
and I was at this place in exodus where Moses is um  
going down to mount uh  
Horeb or the region of Horeb

because he had just killed an Egyptian  
he's got this justice heart and an Egyptian was  
um fighting and he killed an Egyptian  
Egyptian and then he takes off running for his life  
he gets down to Midian  
and he connects with a pagan Midian high priest  
who used to go up on Mount Horub  
and do his pagan rituals  
he connects with that guy  
ends up marrying his daughter  
his daughter becomes his wife  
and then the the place where um Jethro  
the Midian high priest  
used to go up and do his thing on the high place  
god encounters Moses at that same place  
at the burning bush experience  
and from that time on it's called the mountain of god  
total redemption total  
totally snagged that high place and said  
I'm going to use that  
I thought the same thing in regards to Jerusalem  
going there it's magnificent  
because you literally go up to the top of the hill  
to go to Jerusalem but Jerusalem was a pagan  
jebeauite high place before David captured it  
and it became the epicenter of the kingdom of god  
after David captured it  
many kings and leaders had tried to capture it  
but failed to do so  
and David captured it with the worshipping heart  
and the Holy High place of the Jesuits  
became Jerusalem  
the epicenter of the Lord God's a Redeemer  
he took that place and said  
I'm using it how about the cross  
I was thinking of the cross  
and I heard my good friend  
Johnny Enlo talking on this yesterday  
I think it was and he was thinking the same thing I was  
and that was that the cross was a pagan torture uh  
instrument and it became the salvation of the world  
the cross didn't start with Jesus  
he said I can use that they think  
they're going to use it for  
what they normally use it for  
but from this time on that cross  
which was used many times

times before Jesus became known now  
as the instrument for the salvation of the world  
don't tell me god doesn't redeem  
he'll use anything  
he's just that huge he's just that big  
something started out being his  
and then they went pagan and then he redeems him back  
some things just in your Bible just started out pagan  
and God said I'm using it  
the whole term Ecclesia was a non Christian term  
god says I'm using it so when God said  
here's my church  
and the gates of hell will not prevail against it  
he uses the word eclusia which is a Roman term  
it is not a Christian term  
everybody loves that but God says  
you know what  
that's the best word actually that describes my church  
I'm snagging it  
don't tell me God's not a redeemer  
look at your life  
people look at my life and they just think gosh  
Bobby was just Christian he was  
he was born in white tennis  
he was he just been a Christian his whole life  
and probably you know  
never sinned I mean  
you can probably look at me now and think that  
I get that I totally get it  
um but if you heard half of my story  
I think that it would encourage you to go  
oh my goodness  
there is hope for anybody  
there is hope any  
any mom or dad that's praying for their wayward child  
you just come and talk to me  
I'll give you 10 minutes of my story  
you'll be like yes  
there is hope there is hope  
I mean I often I think about it and I just thank God  
I'm like Lord  
thank you for praying mom  
thank you so much and  
and I have this connection with my mom  
cause I know that she spent so much time on her face  
so that God would set a trap for me  
to bring redemption in my life

you gotta pray in mama  
you do not stand a chance  
that's the bottom line that is the bottom line  
praying dads do well too  
but there's something about  
if you read the story  
every woman in Scripture that came to the Lord  
with the burning heart not one of them did he deny  
not one of them  
I wanted a  
really highlight redemption for you this year  
because that's exactly what God's doing  
he's redeeming your story  
he's redeeming the promises  
he's redeeming your children  
he's redeeming all that was lost  
that's by definition the word redemption  
he's seeking out the things that were lost  
and he's making sure that  
all of those things are redeemed  
and I felt like the Lord says  
I'm making the enemy pay  
he's going to catch the enemy for you  
he's gonna present the enemy to you  
and he's going to make the enemy pay  
Bible says if you catch the thief  
he has to pay 10 fold  
and so that's what's happening  
the lord's catching the thief in your life  
and in the life of your children  
in the life of your business  
and he's going to make the devil pay tenfold  
now I also see um  
the Lord releasing a spirit of worship  
God is raising up a spirit of worship in this house  
I wanna prophesy it directly to this house  
and we're not just a worshipping church  
because we've got great musicians  
I love that part of it  
but that's not what makes a worshipping house  
what makes a worshipping house is  
because the spirit of god stirs our hearts  
and the heart of the people  
to live a lifestyle of the awareness of his goodness  
that's what makes us a worshipping people  
and that's what I'm praying for all of us this year  
is that we're constantly aware of the goodness of god

and the bright product of that in your life  
is you just worship it's just  
thank you Lord  
thank you Lord  
all throughout life so  
that when we come here  
worship is not a struggle  
worship is like easy at the drop of a hat  
we worship why  
because we live a lifestyle of worship  
when you do that  
there's nothing that can stand in your way  
from the power of  
what corporate worship is supposed to be  
so I'm I'm thanking God for the musicians  
but I'm also praying and asking the intercessors  
pray for the church to have a lifestyle  
of encountering the goodness of God  
because that's what it takes  
to have a worshipping house  
the reality of the goodness of god  
we will kiss the sun in public and not be ashamed  
it's time to start worshipping  
it's time to start dancing  
it's time to stop caring what people think about you  
and kiss the sun in public  
and that kind of spirit of worship is so contagious  
isn't it see someone doing that next to you  
you just you just wanna worship the Lord  
the spirit of worship  
that's what the world needs to see  
is us worshipping the Lord  
that's the best form of evangelism  
is just worshipping God worship the Lord  
that's what the world needs to see  
the spirit of worship actually is the culture of heaven  
the spirit of worship  
will take our praise from being a sacrifice  
and it'll make it a joy the joy of our lives  
so the enemy will try to get you to focus on you  
who get you to try to focus on your weakness  
but the spirit of worship will rush in  
and set your focus on heaven's intention  
to glorify Jesus  
that's what the spirit of worship does  
all right yeah  
there may be all these things going on lateral

but the spirit of worship will actually help you  
focus right on Jesus  
and then worship will come right into your being  
come right back to you if you've lost it  
and you'll find oh wait  
that's what happens when I focus on Jesus  
spirit of worship is meant to glorify Jesus  
and worship will be the result of a church  
who has seen the risen king  
can you say amen to that  
so I just prophesy the spirit of worship over you  
over your house over this house  
over your lifestyle it's just again  
to keep it simple  
it's the byproduct of encountering the goodness of God  
Lord thank you for your goodness  
I mean this season  
make sure to take time with your family  
and just thank him for the goodness  
maybe after you've opened presents  
maybe after you shared that meal together  
let's just circle up guys  
and let's just thank God for his goodness  
we're doing that right now  
as an expression of who he is  
and just remind everyone of why we're gathering  
it's really the goodness of God  
and the more we think of the goodness of God  
the more we become the goodness of God  
that's how it works  
also here's something I was hearing for this season  
and on into the New Year  
that the Lord is raising up Wonder Women  
wonder women and God's doing something in women  
that I just wanna speak to  
he said this to me God says  
I'm releasing women  
who will operate in the wonders of my kingdom  
tell women to rise up to the wonder of my power  
women have kept the faith  
women are full of courage  
women are ready to release my power  
women will not deny me women will stand beside me  
tell the world that my wonder women are being released  
they've they've stood through testing  
they've walked through the fire and now they will  
under to the world can you say amen to that

so we just release wonder women  
Lord that you're doing all over the planet right now  
signs wonders miracles  
God I thank you for these wonder women in Jesus name  
he was also speaking to me about the unseen realm  
and that moment in 2nd King 6  
when Elijah was praying for his servant  
and the servant wasn't able to see  
all the angel armies that were with them  
and he said there are more with us  
meaning the angel armies than those who are with them  
he didn't just say there are more with us than them  
he said there are more with us than those with them  
when your eyes are open  
you can see the demonic side of things  
and those who are with them  
but then  
you also look and see that there are more with us  
the angel army than there are on the demonic side  
and that's something that our eyes are being open  
to see right now  
sure it  
it doesn't take much discernment to see  
where the enemies at but where's God  
where's God  
there are more with us than those who are with them  
and we need to have a keen discernment that points out  
not just where the demonic are with them  
but where god is with us and that's super important  
so there's Grace on open the eyes of my heart  
is what I've been praying for you and for myself  
open the eyes of my heart now  
faith is the substance of things hoped for  
the evidence or the proof of things not seen for  
by it people of old obtain their testimony  
and by faith  
we understand that the world has been created  
watch this by the word of god  
so that what is seen has not been made out of things  
visible  
everything that seen was not made out of visible things  
how important is the unseen realm to you  
if everything that is seen now  
was first in the unseen realm  
how important is the unseen realm  
there are people who say the scene  
realm is more important than the unseen realm

you can't divide the two  
if you're walking in the kingdom  
you cannot  
people will try to discount the unseen realm  
they will tell you that  
the scene realm is more important  
little do they understand that  
while there's so clings to the scene realm  
their faith is being stolen from them  
faith is found in believing  
for things that you cannot see  
everything that was created and made visible  
was first created in the unseen realm  
if you discount the unseen realm  
then you reject the spirit of creation  
and build the tower of Self effort in its place  
fear and the religious spirit want what is seen  
while the supernatural waits  
for someone to believe  
that the unseen is real enough to manifest  
I was sitting there  
as the Holy Spirit was telling me this  
just going yes  
yes yes  
I can feel the urgency of God saying  
I need some people to believe for the unseen realm  
he went on to say this  
god is opening the eyes of our heart  
to see what is already there  
that's the point when Gahazi's eyes were open  
it didn't make the angel armies appeared  
it allowed him to see what was already there  
talk about that winning team  
we'll have such a great sense of winning  
if we're able to see  
and know that the angel armies are already around you  
they're already there it's not  
oh Lord  
bring them  
we've already known that  
the Bible says angels have been sent  
ministering spirits to minister to the saints  
mom turn off your phone please my goodness  
I don't get to do that very often  
gosh  
so god is opening the eyes of our heart  
to see what is already there

once we see the unseen and the scene realms  
super imposed over one another  
we will understand that  
it's foolish to see them separately  
once we see the unseen and the scene realm  
super imposed over one another  
we will see that it's foolish to see them separate  
the awareness of the angelic  
the tangibility of God's presence gold  
silver other supernatural provision  
I see just appearing out of nowhere  
because we chose to believe in the unseen realm  
it has no option but to manifest  
god has reserved many signs and wonders for the season  
and Holy Spirit will open the eyes of our heart to see  
what is real  
what's real there is real here  
what's real there is real here  
we better get a mindset about that  
there's no separation  
if we're if we're bringing the kingdom  
if we're bringing heaven on earth  
you have no option but to believe if it's real there  
then it needs to be real here if it's real there  
it's real here alright lastly  
I wanna read you a story  
one of my favorite in scripture  
Jay who rides and I can't give you Jay who  
without a little bit of techno music  
so you gotta bring that for me  
alright 2nd King Chapter 9  
I'm just gonna leave this story quickly  
and let it speak for itself  
second Kings chapter 9  
verse 1 meanwhile  
Elisha the prophet  
had summoned a member of the group of the prophets  
get ready to travel he told him  
and take this flask of olive oil with you  
go to Ramau Gilead  
and find Jehu the son of Jehosifat  
remember Jehosifat who sent out the armies  
they worshipped before it was the worshipping army  
and the spirit of worship fell on them  
and the Lord confused  
the armies that were coming against King Jehovah  
well this is his son

find Jehu the son of Jehovah  
son of nimshi  
and call him into a private room away from his friends  
sometimes to hear the Lord  
you've got to come away from your friends  
and pour the oil over his head  
and say to him this is what the Lord says  
I anoint you king of Israel  
and then after you've done that  
open the door and run for your life  
the prophets were always appreciated in those days  
and not to this day  
so Jay who left the others  
and he went into the house  
and the young prophet poured oil on Jay  
who's head and said this is what the Lord  
the god of Israel says I anoint you  
king over the lord's people Israel  
you are to destroy the family of Ahab  
your master your king  
in this way I will avenge the murder of my prophets  
and all the Lord servants who were killed by Jezebel  
remember that

Verse 17 now

the watchman was standing on the tower of Jezreel  
and he saw the company of Jehu  
Jay who got a vision  
because the word of God was spoken over him  
and it goes it's time to take that spirit of Jay  
Jezebel out of the land  
and he says you go after Jezebel and the house of Ahab  
the rebellious the prophet  
false prophet of the Lord  
who's come against the prophets of God  
and I'm just telling you right now  
even I could hear as the Lord was speaking this to me  
I could hear the chariots of Jehu  
beginning to ride throughout the land  
to go take out that spirit of Jezebel  
so J J who left the others and went into the house  
and the young prophet poured oil on him  
and gave him that commission  
and now Jehu is riding up to Jezreel  
to do what he was commissioned to do  
and now  
the watchman was standing on the tower in Jezreel  
and he saw the company of Jehu as he came

and he says I see the company  
and Joe Ram said  
take a horseman and send him to meet them and ask  
is your intention peace  
so Horseman went out to meet him  
and this is what the king says  
is your intention peace but Jay  
who said how is peace  
any business of yours  
turn and get behind me or follow me  
and the watchmen reported the messenger came to them  
but he did not return and then he said  
sent a second horseman and he came to them and said  
this is what the king says is your intention peace  
and Jay who answered  
how is peace any business of yours  
in other words you do everything but peace  
why are you even asking this question  
and Jay who answered  
how is peace any business of yours  
turn and follow me in other words get out of my way  
and the watchmen reported he came up to them  
but he did not return  
and the driving is like the driving of Jehu  
the son of nimshi for he drives furiously  
and when Jezebel the Queen Mother  
heard that Jehu had come to Jezreel  
she painted her eyelids and fixed her hair  
and sat at the window  
and when Jay who entered the gate of the place  
she shouted at him have you come in peace  
you murderer  
you're just like Zimry who murdered his king  
and Jay who looked up at her at the window and shouted  
who is on my side  
and two or three eunuchs looked at him  
throw her down Jay  
who yelled  
and she  
that harlot that Jezebel  
that false prophet was thrown down  
and the Lord started showing me  
I could literally hear the chariot the  
the horse hoofs of the chariots of Jehu  
riding into Jezreel  
to bring down that spirit of Jezebel  
now Jezebel is not just found in a woman

although it was in this scripture  
but um  
it's method or focus is to undermine the prophetic  
to cause a division to happen in the prophetic  
that spirit of Jezebel can fall on a man  
that can fall on a woman but I will tell you this  
and nobody ever talks about this  
that for every Jezebel there's always a passive Ahab  
who did nothing to make the corrections in her life  
that he should have  
I'm always looking  
where is passivity  
cause Jezebels get formed in a vacuum of passivity  
when you're not bold enough to deal with the issues  
and God is saying I'm raising up jayhoos  
who will ride  
and be bold enough to deal with the issues  
and not be afraid of what man thinks about you  
sure enough that Jezebel will make herself look good  
she'll put that makeup on and the Lord says  
throw her down I've got one place for Jezebel  
and it's again  
it's not just a person it is a spirit  
we have got nothing to do with that  
under mining spirit of Jezebel  
we want nothing to do that  
not in your home I don't care if somebody's winning  
I don't care if somebody's in your position  
that you rightfully have  
do not enter into that spirit of Jezebel  
no matter what happens in 2023  
and the spirit of god I just pray even in your dreams  
you'll hear Jehu writing and you'll know  
god is coming to cast down that spirit of Jezebel  
for you  
now god is raising up Jehu's  
who will ride furiously with an urgency  
to throw down that spirit of Jezebel  
who kills the prophets  
he will deliver the church from the spirit of Jezebel  
and the trap that has been laid for the prophets  
he will spring on Jezebel  
for every Jezebel there is an Ahab  
who is passive and would not bring correction in love  
but god is delivering ahabs from their passivity  
their sentimentality and their unsanctified mercy  
god has remembered his prophets

and all that they have endured  
at the hands of soulish men  
and he will cause the prophetic anointing to explode  
and the testimony of Jesus shall be heard in the land  
louder than the fear of man  
can you say man to that yeah  
let's give the Lord a clap and praise for that  
Wonder Women Redeemer is coming  
the spirit of worship and the Lord  
causing the fury of the jehus to ride once again  
that's so powerful I mean  
if that doesn't shape all those together  
shape God's heart of love  
intimacy for worship courage in every spirit of society  
I don't know what does that's  
that's a good word and so let me just pray over you  
and then  
we're gonna go on to a few other things we're doing  
father thank you for your truth  
thank you for your power thank you for your glory  
thank you Lord  
for the courage of your people to raise up with power  
with authority God  
thank you for your goodness thank you for your Grace  
Lord I pray for the rest of this year  
in 2023 God  
I pray that you would release  
the revelation of you as Redeemer  
I pray you would release the church  
into areas of worship like we've never known  
lifestyle of worship like we've never known  
Lord capture everything  
go redeem it our past  
our present our future  
use everything in our lives for your glory  
turn it around because that's what a redeemer does  
worship we say  
is a lifestyle that we live by  
Lord we call forth right now  
even in the sound of my voice  
in this room and all around the globe  
I call forth wonder women in the name of Jesus  
wonder women who will bring the power of God  
not that men can't but I'm called  
there's an anointing on women to do this  
in this season you're gonna watch  
all the women

who've been rising in the places of political power  
it's a down payment of what God's getting ready to do  
in the church and so we prophesy that father  
I thank you for the unseen realm  
that it is more seen to us this year than ever before  
may the unseen realm not be called unseen  
from this day forward may it be called the scene realm  
open the eyes of our heart  
to see Jesus everywhere we go  
and Lord I just thank you that  
you are riding throughout the land to go in advance  
take out the enemies that stand before us  
the mental the emotional  
the financial enemies god  
the spiritual enemies that would try to attack us  
that would try to sit on our confidence  
or bring the spirit of limitations to us  
Lord you're breaking all of that off  
and Lord  
we just thank you that that um  
heart of courage that Jay  
who had is writing throughout the land once again  
and seen in your church and father  
we give you praise so I prophesy Lord  
to an overcoming army to a church that is victorious  
to a church that knows how to pray for each other  
and see heaven manifest  
god we bless what you're doing in this house  
those connected to us around the globe  
father I thank you  
that we will be seen as a tribe of people  
who believed you for great things  
and stepped into something amazing  
that we could not have ever even imagined  
in 2023 in Jesus name  
amen and amen  
yes Lord  
yes god bless you Lord
