

**Title: Dennis and Delora OBrien**

**Speaker: Dennis and Delora OBrien**

**Date: 04/23/23**

**Topic Sentence:** Join with us as Dennis and Delora OBrien from The Gathering Movement minister to Eagle Mountain.

**NOTE: The following transcripts were automatically generated, please excuse any errors.**

we have so enjoyed our just recent friendship  
with Dennis and Delore O'Brien  
Johnny and Elizabeth hooked us up  
and as soon as we  
I remember I was in my house  
and I had a time for a conversation  
and I just wanted to hear  
what god had put on Dennis and Dolores heart  
and the moment they started sharing  
I started crying  
and I could just feel this authentic realness  
inside of them  
and the more they begin to share  
the more I begin to share  
it was like we were instant friends  
more than that  
instant family  
instant family  
and um we could not wait  
um to find out a way to serve them  
and they said well Bobby  
we wanna bring the gathering to Oregon  
Oregon I think that's what they said  
hahaha  
we'd say we'd love to have you come to Oregon  
yes you do yes  
you do so instant  
instant family and  
and then as soon as they got here  
it's been that way the whole weekend  
and so I want you to stand  
and welcome Dennis and Alora as they come  
wow wow wow wow wow  
oh boy I tell you  
that's a hard act to follow  
you know you know what

no no okay I I  
I and you know  
you got it I mean  
even little time we got to know each other  
you know man  
what you see is what you get  
I'm real I pee a lot  
I'm always going to bathroom  
I can attest to that when I go  
when I when I go  
god always speaks to me  
Charlie said Charlie  
listen Charlie  
you know what am I gonna do  
I'm just me  
so I so I gotta say this before we  
can we just do this before you do anything you want  
I know you're the boss we do  
I have never and I'm I'm being as real as I can  
never felt like I was hope amen like I feel your  
I I feel and I  
and I know it's not a physical thing  
like I know we're not supposed to move here or  
nothing like that  
but you know  
the spirit transcends to the natural  
and there's such destiny here  
you don't even know  
Bobby what you  
you don't even know  
what God is going to do here  
is going to turn the world upside down  
don't despise small beginnings because you began small  
wow  
wow you know when um  
this is I tell you it's thick up here guys  
I don't even know how you did the transition Chris  
where is Chris God would say to you oh  
you're not a man of big stature  
but you are a general in my eyes  
you are a Goliath in the spirit  
I can oh I cannot count  
the amount of times you've wept on your knees  
for revival  
how you've wept for God to use you  
and I'm telling you today my son

there will be a hand on you for the rest of your life  
taking your neck and turning it this way  
and turning it that way  
I say to you my servant  
you are my friend  
you are my friend says god  
watch watch over the next three years what happens  
your divine connections  
your divine and bend in your flexibility  
will bring you to a place like David  
in this place is a small stone that in my hand  
will kill the Goliath of this world says god  
amen amen  
you know when  
when Bobby first called us within about 30 seconds  
uh you it is so self evident  
I'm not gonna get through this  
I know you don't  
you don't like that sold out people like this  
like all the time  
so weeping anointing in this really is  
but within the first 30 seconds  
it is so self evident  
the apostolic mantle that is on your life  
and I don't know why I'm crying  
it's God I cry when I feel God  
destiny in the room anyway so  
last week  
she was on broadcast with Bobby and  
and Nathan and Dante and and  
and she had a word for Bobby  
she can get a lot of words for this guy and um  
and I didn't tell her that  
gotta give me a word for Bobby too  
and so she goes ahead and gives the exact same word  
which pretty much the way I life goes  
and so I I I wanna share  
this is this is nothing that you don't already know  
but God said to say it again anyways  
because it's a confirmation to you  
and it said  
let it be established by two or three  
I had no idea she was gonna do this again either did I  
yeah I know  
so he gave me a couple of scriptures for you  
the first one was Psalm 1 1 blessed is the man

that walk of not in the council of the ungodly  
nor standeth in the way of sinners  
nor siteth in the seat of the scornful  
but his delight is in the law of the Lord  
and in his law that he meditate day and night  
and here's the  
here's the thing you wanted to punctuate for you  
oh my God I know I know I know  
he shall be like a tree planted by the rivers of water  
holy cow stuff up here  
but bring it forth  
his fruit in his season  
his leaf also shall not wither  
and here's the here's the line  
whatsoever he doeth shall prosper  
yes yes so it began to show me some prophetic imagery  
like it says  
you're a tree  
and you've been planted by the by the river  
and I don't think it's an accident that this place this  
this this shoots is that the name of the river here  
runs through Ben right  
and you planted a place by the river  
a tree by the river and  
there's a oh my goodness  
what is going on  
they did a study with trees thank you  
and wiping your nose in front of the whole  
like 10,000 people  
will you will you go take peace  
I wipe my nose okay  
so they did a study with trees right  
and they they planted three trees  
this is an actual scientific study  
I was blown away  
and the first tree they put a stake  
and they let it grow  
the second tree  
they put a stake and they  
blew a little bit of wind on it periodically  
and the third tree  
they did not stake  
but they blew heavy  
winds on this tree as it began to grow  
and when it got through the growing cycle  
the first tree with just the stake grew the tallest

but it had the thinnest trunk  
it was very weak  
the second tree  
with a little bit of wind on it  
it grew a little bit bigger trunk  
but the third tree with no stake in the heavy winds  
had the widest girth and trunk  
showing its strength  
so and show me Ben Ben Ben  
the the winds of adversity  
that you've been experienced since you came here  
have only served to make that trunk your tree so strong  
because this strong tree is gonna support  
and and and and be arrested by for so many ministries  
so I see why tree house is being built in your ministry  
cause you this trunk is so wide and so strong  
because you've been made by those winds  
in those winds of adversity to come against you  
glory to God and here's the  
the description that that he really punctuated for you  
Isaiah 54 and 2 he said  
enlarge the place of your tent  
stretch your tent curtains wide  
I put this in bold  
do not hold back  
lengthen your cords  
strengthen your stakes  
for you will spread out to the right and to the left  
your descendants will dispossess nations  
and settle in their desolate cities  
glory to God what God has planned for this place  
I I I'm we are  
we are overcome  
like she said  
we are the destiny in this house  
you you guys  
you don't listen  
we we've been  
we've been in this thing almost 40 years  
been to a lot of churches we served  
we served in local church for many years and um  
what you have here is rare  
I'm telling you  
appreciate what this ministry  
Bobby what they've done  
oh my Lord you

you've got gold here  
you've got gold  
you are a blessed house  
amen and I and I'll tell you what happened  
when I went to the bathroom  
am I am I telling the truth though  
doesn't this always happen  
I went to the  
I went to the bathroom  
the last gathering  
and I ran into a woman who  
couldn't get up to the front of me  
but she told me when we had prayed for her  
that she didn't ask for nothing  
she just wanted prayer  
and her ears were healed and she could now hear  
that's when I went to the bathroom  
so before I came in  
I said Bobby  
where's the bathroom  
and and I went into the bathroom  
now understand  
when we were in the back with the  
with the um  
the ministry back there  
and you and the gene and everybody  
and we pray  
you prayed and  
and I had a vision  
God shows me visions all the time  
just open visions  
I see it like a photograph  
and what I saw was an upside down volcano  
and and then the Holy Spirit said to me that's the  
that's the portal  
there's a portal there  
and it looked like an upside down volcano and  
and so I shared this with them  
and Charlie Man  
you just picked up right on it brother  
you are powerful  
powerful prophetic being there and um  
and he started speaking about oh they  
they're enlarging the portal  
they're large in the portal  
and that's what had to happen

that's what their assignment was  
so then I went to the bathroom  
and there's a picture  
of what I saw  
double Snow Cat is that a volcano oh  
I'm undone I'm undone  
that is it that is it so it was that picture  
you need to take that picture  
I'm telling you right now brother  
you turn that sucker upside down  
you turn that upside down and I'm telling you  
that was what I saw  
I almost fell over into the toilet  
I was like what  
that's what I saw  
so let me tell you  
so I'm sitting there and and  
and this is what God starts speaking to me  
the disciples turn the world upside down  
you understand  
turn the world upside down and and  
and it's the  
it's the upside down kingdom they brought  
the greatest is the servant  
love your enemy  
you know it's all of that  
it's an upside down kingdom  
but let me tell you the day today is  
the devil Looney Lucy  
I call an AGS loose names Lucifer it because why do you  
who's Looney Lucy  
Looney Lucy okay  
what he has done is he's counterfeited  
and turn the world upside down against God's people  
and this is what God said to me  
and I'm watching the video back there  
and I'm and I'm  
and I know that you have to turn  
the picture upside down and he  
and God said  
I'm going to turn things back the way they were  
so that the  
that volcano will be upside down  
and the portals will be open all over this world and  
and like you said  
angels ascending and descending

and there will be glory that will come on  
and in the glory  
there will be wealth  
there will be health  
there would be  
they'll be everything that you need  
you reach up and that will be there and  
and this is the scripture  
and then I I saw the  
the graphic  
and it was the waterfall  
and then I saw it going up  
the waterfall was going up  
and then God gave me this scripture  
and god said  
let there be a firmament in the midst of the waters  
and let it divide the waters from the waters  
and god made the firm  
firm firmament and divided the waters  
which were under the firmament from the waters  
and it was so  
and God called the firmament heaven  
now if he's flipping that around  
he is going to bring heaven on earth  
I'm telling you  
on earth heaven on earth  
and you take that picture and you turn it upside down  
because as you go week after week after week  
that portal's gonna get bigger and bigger  
and bigger and bigger and bigger  
and it's gonna be so huge  
it's going to expand out of Oregon  
and let me tell you something brother  
you're not getting rid of us  
we like this place  
we like this place and then I'm gonna like  
I know you got something to share  
but I've got to take one  
I'll give him a minute  
I really will  
I'll be nice  
this is the scripture  
this is the scripture god set for this place today  
Jeremiah 19 to ten  
behold this is for all of you  
you need to understand

not just Bobby  
this is for all of you  
we are in a body ministry right now  
the day of the one man show  
it's over folks  
it's done it's finished  
you're gonna walk down the street  
lay hands on someone  
and they're gonna come out of their wheelchair  
that's the day we're in  
listen we're holding the flag  
that's great  
but I wanna tell you something  
and this is  
Kim said this and I we  
this is what is happening right now  
when he was talking about Trump  
and he did not realize it was Trump at the time  
but he said he came out from up millions behind him  
Kim saw millions of people behind him  
and out comes this man from among them  
see Bobby Den  
you know Dennis and I  
we come out from among you  
we are not that the season  
say everything proper  
like I said  
I pee a lot  
you know I shouldn't really say that to be proper  
you understand  
I don't buy that  
that that day's gone  
that day's gotta be gone  
because if we do not move out of the religiousity  
come on that has taken over the church world  
we are never gonna do the greater works  
I'm sorry you two stand up you two  
you two have a desire  
for miracles  
God wants to tell you I hear you guys  
I hear you I see your heart put your hand up  
put your notebook up yeah put that hand  
God is let me let me do this I'm sorry  
I got touch your hand  
miracles give me your other hand  
give me your hand sister miracles

miracles miracles  
miracles miracles  
miracles miracles  
miracles will be rot by your hands  
miracles will be rot by your hands  
the likes you could  
it is going to astound you  
and it's gonna astound your family  
and your family is gonna say she was right  
she was right she was right do not back up  
do not stand you stand for him do not give up  
you will be vindicated in Jesus name  
Hallelujah  
well as long as the Holy Ghost open up that door  
I'm getting um  
there's somebody here on the live stream  
you have been battling um a recurring illness  
the same symptoms keep recurrings like the  
the woman with the issue of blood  
is anybody in here or they on the live chat  
recurring illness keeps coming  
okay just you can stay right there  
I'm gonna come over to you in a minute um  
yeah and if anybody on the chat just say that's me um  
um but this is um  
this has been impressed upon me that um  
that the woman with the issue of blood she just said  
if I could just touch the the hem of his garment  
I would be made whole  
and Jesus said who touched me  
because virtue was released so Father  
in the name of Jesus I pray right now that Jesus  
you release your healing virtue that you touch her  
you touch every organ every cell  
every part of her body  
Lord God release the healing virtue Holy Ghost  
Holy Ghost I pray  
that the healing mom of Gilead would just  
overshadow her every area of her body  
I curse the spirit of infirmity yes  
in the name of Jesus  
you have no place here anymore  
I remove that dirt that is tried to lodge in her body  
I remove it now in the name of Jesus  
I burn it and curse it  
and send it back to the pit of hell

and I release health  
I release vigor  
I release energy  
Lord we thank you  
we thank you that you heard her prayer  
you let us know her prayer  
we thank you Lord  
that you're gonna use her mightily in your kingdom  
that she'll no longer be impeded by sickness  
that she will fly with the eagles Lord  
in Jesus name  
yes  
yes  
who's Mildred or Millie  
who's Mildred  
Millie it could be on the  
could be on that could be on the live stream Millie  
okay whoever it is  
you're being healed right now  
you have an issue with your  
back of your neck going down your spine  
and it's actually like a curvature  
I don't know if it's  
scoliosis or what it is  
but God is touching you right now  
God is touching your neck  
touching your back a Milli Mildred  
Jesus name  
amen I wanna I wanna pray for Bobby in this ministry  
before we go on to  
yeah yeah yeah  
right now no just be just yeah  
I wanna I wanna I wanna who's got a plan now  
I got well I got my bowl of water well  
I don't know if you're gonna get to the sponge trick  
but we'll try  
I I you know  
you know Chris  
I mean I love God and I don't mind  
but it'd be nice to say one thing that we planned yeah  
so so here's just one so here's the deal just one  
here's the I'm gonna pray for you buddy  
here's the deal  
Delore and I spent a little time  
we had a six hour airplane ride  
and a couple days before

so we we put down some you know  
some stuff guy was speaking to us really good stuff  
you know it was good  
we we'd have been we'd have been awesome oh  
it would have been amazing  
so so this morning  
we you want to miss the side yeah  
I feel like I know this is my good side  
I know it's just good here okay  
so that's a story  
so we're having breakfast and and and you know  
I said here it comes  
I can see it comes  
you start stirring is all no  
no she's gonna throw the whole thing out the window  
I know it's gonna happen  
so she's talking with one of our staff Betty Ann  
hi Betty Ann  
and and Betty Ann says the word immersion right oh  
I gotta do it now  
well wait wait  
I'm setting you up oh  
you're setting me up yeah okay  
so good so uh  
are we gonna do this  
yeah I can do I can do let me pray for Bobby first okay  
okay so don't do this water sponge yet  
so uh I know she starts getting a sideshow sometimes  
she says she starts getting all like  
oh my I got I got the revelation for the meeting  
oh my God immersion you guys are that she starts  
you know over cup of coffee and and and I see it coming  
so that means everything we plan we're not gonna do  
right right  
so the difference between her and me is in a moment  
this woman could just do any  
just preach the whole message  
like you don't you need just need one note  
now conversely  
I gotta prepare for maybe 2 3 months no  
so so we had this thing down right  
I had my notes look  
I got my notes good notes  
so I she says we can't we can't do that  
are you I said you kidding me  
so so here we are

so when we pray for Bobby  
you can do your your stupid sponge trick  
you'll be impressed  
oh bet yeah  
Becky please go if you're online  
you don't wanna leave until you see my sponge trick  
see let me hold jam big  
no yeah yeah  
that would be good yeah  
okay you know  
we're like we're like whatever we're at home whatever  
yeah yeah yeah  
yeah join hands there okay  
my Lord oh God ah  
father  
what what do you say the the the the oh man  
the the mantle  
and the anointing on these two is so large  
it's so awesome  
I don't even think they realize how  
how much it is on them  
and I know they know  
they've been called in the apostolic prophetic realm  
but I I don't know man  
so I I pray right now  
Lord in the name of Jesus  
for financial increase yes  
the resources to accomplish the mission of this house  
I pray for supernatural ways  
checks in the mail  
touch people's heart  
supernatural  
send the raven with million dollar checks Lord guys  
I'm praying Lord God  
for just the  
not provision  
but so much abundance abundantly  
above all they could ask or think money is important  
they need this to accomplish what you want this  
this global vision that they have you  
you've made them for a time such as this  
my God so Lord  
I'm praying for divine connections that will facilitate  
the emerging of this global apostolic ministry  
that you will connect  
connect with strategic people and partners

that will be a resource and A and a  
and a provision  
even a financial provision to accomplish this task yes  
and I'm praying  
for an increase of the anointing of the Holy Ghost  
there has been so much deposit in these two  
they have sown into the word  
you can just tell as they  
as they speak  
the deposit of scripture in their lives  
and the time spent with Jesus  
so I'm praying for  
this is the time of harvest  
it's a time of weeping  
it's a time of exponential growth yes  
yes I'm praying  
you just explode yes  
this ministry  
yes yes yes  
every devil in hell that is tried to restrict  
hold back impede  
I clear the way in the name of Jesus  
and I cast off these strategic  
assigned devils that have come to stop the growth  
I bind you devil  
and cast you off of this place  
in the name of Jesus and Lord  
we pray for this continued portal and open heaven  
that all the resources of heaven will be poured  
out upon them  
yes I'm praying for yes  
natural health yes health  
perfect health  
I'm praying  
Lord God that they would have the vigor and  
and the energy of their youth  
that Lord God  
we may be killed but we are well able to take the land  
to take the mountain  
and so Lord  
I'm praying right now for great Grace to be upon them  
because this is a heavy  
this is a heavy load  
but your burden is easier  
yoke is light Lord  
so I'm praying right now the

the great Grace is out of the book of acts  
would come upon them yes  
that they would be able to maneuver and facilitate and  
and and and manage this whole monstrous ministry  
with the Grace of god on their backs

yes father I

I just thank you for this

this Jonathan and David connection

that the joining of Kindred spirits

it's it's supernatural

it's it can't even be articulated what we feel in our  
spirits when we're in their presence Lord God

but you sent us here for a time such as this

for this purpose

and so Lord

I just pray you answered this prayer speedily

quickly in the name of Jesus

amen amen amen

God bless you guys

thank you

my God

I'm gonna tell you one final story

because it's going to set up

the ministry that will happen it in a few minutes

we were sitting this morning

having breakfast and just

it's wonderful

because our team is from all over the country

it's like we pick up stragglers you know

you know kids

I'm serious

it's we really do

and so we're sitting

so Betty Ann who's been a

friend of ours for probably 35 years or more

god spoke to me

and when we were

we went to the Immersion Brewery and had dinner

the first night we were here

right across from our hotel

and as I was sitting there

I was getting quickened and I didn't know why

so when we left

I kept seeking god about it because I wanted to know

what is going on with Immersion Brewery

I had no idea was supposed to go in

there is what's witnesses  
somebody was  
but I didn't know what to do  
so I started praying and uh  
god gave me a scripture and um  
he spoke to me about Luke 3:16  
where John answered saying John um  
Baptizer John the Baptist  
uh I baptize you with water  
but he was mighty of the NY coming  
the strap of who sandals I'm not worthy to tie  
he will baptize you with the Holy Spirit and fire  
now since we got here  
God's been speaking to us about fire  
now fire will burn you  
if it's a match  
it it has a burn  
and the fire of God doesn't burn you  
it ignites you  
so a match if you have a match of fire  
like some churches don't do  
praise the Lord  
but if you have 5,000 acres of timber burning  
that will ignite a nation in the spirit  
so we're sitting having breakfast and  
and Betty and  
has no idea that I just  
got through with this whole thing about fire and  
you know Abraham  
God's in the fire  
he's in the burning bush  
he was in you know  
and and when they  
when they sacrificed  
he was there  
he came came out of heaven on 120 tongues of fire  
I mean he go on and on and on  
fire fire fire  
the fire god  
he's a consuming fire  
so she says out of nowhere  
like just bloop  
um yeah I was in New York City because that's where we  
we were on staff you know  
she was part of whatever  
everything I did

and and so she said  
I was in New York City  
and I was in a museum  
and there was an exhibit where you stand  
in the middle of this room  
and an artist  
like in that case was Monet  
it shows the sketches and  
and you know  
everything in it  
and what it did  
was it immersed you in the life of Monet  
well I proceeded to flip out  
as everyone at breakfast is watching us and  
and and I'm  
I was in I was in awe  
because that's exactly what God was speaking to me  
about being immersed into his spirit  
and how you should stay immersed  
can I have my bowl now  
okay now let me  
let me I have to  
there's a you know  
nothing like seeing something  
you know there's a visual  
and when you got a visual  
and I'm you know  
I'm a drama queen you know  
and I worked in the entertainment business in LA and I  
so I'd like to use props when I can  
and so today at breakfast  
this idea came about  
and I wanna show you  
this is the spirit of God  
the water okay  
this is you  
if you take yourself  
and you immerse yourself in the word in in serving  
in loving in spreading his truth in witnessing  
that word witnessing still goes today you know  
we still can witness  
I don't know why we don't witness anymore  
I used to go around with tracks and go hit 7 elevens  
somehow this is ended  
why why the  
we need to pick up his cross

he went to it  
let's bring others to it  
so when you take yourself  
and you immerse yourself into his spirit  
you come out filled  
filled with the glory of God  
filled with the fire of the Holy Ghost  
but let me tell you what happened  
see what's going on  
you have a problem with your spouse  
how come it trips  
you get somebody at work gives you a bad  
bad report you have to deal with it  
and then you end up having an argument with someone  
and you get mad  
you get offended at church and all this  
and what happens is before long  
you are once again empty  
if you're empty see no drip no nothing  
nothing it's gone  
you need to again immerse yourself  
in the spirit of God and come out whole  
then like I said to you too  
this is you right now  
you're filled you guys  
you're filled  
you're doing this to your family  
they don't like it  
it doesn't matter  
you dunk yourself again and gone even more  
don't ever bow  
don't ever bow to the spirit of the world or our family  
for fear what they will think of us  
because I'll tell you something  
when your day is up  
and all of us will have  
I hope we're all caught up in the air and we don't ever  
see death but it when our day is up  
this immersion is all you have left  
your family is not there with you so I wanna tell you  
Bobby and I said all that to say this  
you and Chris and Kimberly and all those that we've met  
have you've immersed yourself  
immersed yourself  
and and you you don't even know what you do  
and I and I even calling up Tony

you don't even see  
you don't people don't realize they just  
if you go in a high impulse of faith  
you will do what God wants to without even thinking  
you don't even have to hear from him  
but you gotta be this  
you can't be this  
so we're gonna do a fire line  
yeah let me um  
just say something too um  
so so after she  
this morning at breakfast when she upset my world um  
we are back to the motel room and hotel room and I said  
well this doesn't work anymore  
so the only thing I heard was  
the Charles Dickens quote  
it was the best of times and the worst of times Taylor  
two cities Taylor two cities  
I said okay  
that's my jumping off point so  
you know we have been in a season of great adversity  
disappointment  
the past few years that the church has taken a torpedo  
we've been broadsided  
and it has been the worst of times  
but it also  
it's best of times because we are in a time frame  
a dispensation of time  
that God is stepping out of eternity himself  
and he's coming into our dimension  
he's saying  
I'm gonna fix this thing  
I'm gonna restore this thing  
I'm gonna bring restitution  
I'm gonna judge this thing  
we're in that  
we're in that Cairos moment  
it's the set time  
it's the appointed time of God  
it's the fullness of time  
you can you can feel it  
that the prophets are prophesying it  
you can just grab it out of the air  
he's coming  
the the lion is gonna roar out of Zion  
and he's gonna go before us

and he's gonna destroy the enemy  
so it is the best of times  
come on and so I  
I share this on a previous broadcast  
but I think it's important right now  
before we do this  
this fire line  
and and and Isaiah 54 is my favorite scripture  
and it says  
sing old Baron  
and cry aloud  
you that did not bear children  
and so God is telling us  
in your barrenness  
in your situation that looks dire and impossible  
and you've lived all these years  
and nothing has happened yet  
or you haven't seen your miracle  
your destiny has not been fulfilled  
sing what are you kidding me  
cry aloud rejoice  
he's telling us  
because you're gonna have more children  
than that of the married wife  
we're in that time frame when like you spoke to them  
it looks like you're never gonna get vindicated  
you're looking like the crazy one in the family  
you've been battling things you never thought  
your battle  
you know the covid situation and the  
and the relational problem because of truth and  
and all that stuff  
and everybody's had  
odds in the church has just been destroyed  
but God is saying right now  
sing o baron  
sing o baron  
and so I shared this talking about word  
word pictures so um  
when my wife was pregnant with our fourth child  
you know I was in the room with them  
and your husbands will relate to this there's a  
there's a point in the time for labor of the woman  
that's called transition  
see we are spiritually in a time of transition and that  
and in transition and pregnancy

and not pregnancy and labor  
is that it is the most painful  
right ladies  
it's the most painful part of the labor process  
it's excruciating  
and when it gets to those  
is it 10 centimeters  
yeah and when it gets to that point  
it's like your wife is cursing you out every  
cursing the book  
she's saying  
what did you do to me  
because it's painful  
and we've all been now in the point of transition  
we felt the pain of these past few years  
we felt it but it's the shortest period  
see if the pain is this great  
that means the baby's coming come on  
yes yes yes  
the baby's about to be born  
so sing and cry aloud and all  
we gotta do is we just gotta like  
like the doctor says this may be like not kosher  
but I talked about peeing yeah  
really you set me up all you gotta do is push  
one more push by faith  
so when we come up with the fire alarm we call it  
we come up with this fire line  
you come up believing  
I just gotta push and I'm gonna get my miracle my baby  
my destiny my restoration  
just push in the spirit by faith  
how many have to pay for that  
yes come on  
hey man it's time can I do just one more thing  
you could do whatever you want  
you looking at me like I run in the show well you too  
I ain't no fool  
haha  
yes you  
did okay  
so  
I got another word this is why I get this reputation  
you know what reputation you know  
you know the reputation  
one more word pitcher we're gonna pray for you

back in the 70s  
I happen to be an avid boxing fan  
and I and I have to repent because I love  
seeing people get knocked out  
I don't know what it is  
I just when that uppercut and right cry oh my god  
I just love when they hit the mat it's sick I know  
I love it too and so  
so I was a big Muhammad Ali fan  
and back in the 70s he fought George Foreman  
it was the was it the rumble in the jungle or  
and Manila right yeah  
the girl right okay  
so this was supposed this was the fight of the century  
if you were a boxing fan  
you this was it you you  
this was the  
the greatest moment of your life  
see these two guys come together and um  
I think they had like the highest views  
watched of any sporting event at that time and uh  
and Ali was the was the underdog  
former was the favorite  
he was bigger stronger  
he was the champ so um  
this is where the concept  
we heard about the rope a dope thing  
remember that  
so Ali had this all planned out  
he even trained for this rope a dope strategy  
before we got in the ring  
he would have his his uh uh  
thank you sparring partners  
beat the crap out of his body  
as he was against the ropes  
he conditioned for it  
so the fight starts  
and just like Ali wanted  
forming went after him  
and Ali would just go against the ropes  
and forming would pummel him  
pummel him round after round  
and I was watching say  
fight fight  
what are you doing Ali  
please fight back

he just sat there and took the punches and but  
but formed and realizes that when you  
when you're against the ropes and boxing you to  
and boxing you take a body punch  
the ropes absorb the punch so  
what would look like it was a devastating punch  
was really not hurting how he at all  
what it was doing was tiring  
George Foreman out  
he was running out of gas  
so 8th round comes  
and all of a sudden  
Ali comes off the ropes  
Bam Bam Bam  
Foreman's down  
and he wins the fight  
see we're in the moment now  
where Jesus is coming off the ropes  
go ahead he's been paying  
he's playing a Roper Joe with the devil  
and the devil's been given his best shot  
he threw everything at us  
thought he had it beat  
but there comes that point  
when Jesus comes off the rope  
and knocks out the doubt  
that's who we are in time right now  
expect at any moment that suddenly anything can change  
the 24 hour period about this time tomorrow  
it's all gonna change  
and we live in that it's it's coming  
the baby's coming so  
so we just got to push a little bit today so um  
give it to Chris  
you wanna do you wanna
