Happy Father's Day today to every father out there
but whether you're a natural father
or a spiritual father
we are going to
we just want you to be blessed
we want you to be just
strengthened and encouraged today
and you know
there is a word that I received from the Lord
um that I believe pertains to
fathers and the season that we are in
and you know what that word was
that word is foothold
and right now
fathers more than you know
you hold the ground for your children
you hold the ground for your family and for your wives
and you were the ones who can help guide
and lead them and uh
ensure that there are no footholds from the devil
in their lives and in your life and
and there's a scripture
there's a story about Joe
Ash that I wanna share with you today
and uh Joe Ash uh
his father was murdered
and uh and uh
the his mother was so mad that his father was murdered
that she but she wasn't
she wasn't wanting the children to take over and I
and bear with me here as I look it up on my phone
but there's yeah
in the scriptures
and you can read it in 2nd Kings
and also in 2nd Chronicles
but um and I'm gonna butcher the names
but at Atelia
I think that's how you say it

she actually called for the murder of all of the sons
all of the king's sons
and when she did that
Jahodia the priest
he hid with um
he hid Joe Ash
and he hid his nurse
and for six years
he hid him and he preserves him
for the right time to crown him king
and when that time came
he was 7 years old
and he crowned him king and uh
and Atelia heard this
and she ran into the temple
because he crowned him king in the temple
and he had you know
garrisons of guards to protect the whole ceremony
and as she ran in
she was so angry and she uh
she was like
what's going on
and Jahodia says
grab her and send her out and kill her
and the guards grabbed her
and they took her out
and as they took her out
what they did is they
jahodiya watched the people that followed her
and as they followed her
he said to the rest of the guards that were there
he says now
go and follow them and kill them too
and what was happening is
she had set up bail worship
and the ashram polls
and they were
they were not worshiping god
and the temple of god was in disarray
it was abandoned
and so here
Jahodia is saying
you know like
we're crowning the real King
King and we're casting you out
and the first thing that
that happened was

all the Bale
idols were destroyed
but the ashram poles
remained and here now Joe Ash is growing up
and he is being taught
you know by Jahodia and um
and now Jahodia is old
130 years old
and he dies
and his son Zachariah
takes over the priesthood
and the men that were
surrounding and close to Joe Ash
convinced him
to follow after
and worship the ashram poles
they're at the
the goddess
and that was what
had been left up
that had remain
he should have
and he was instructed
to get rid of all those things
but he did not
and so here it is
and the the priests are like
repent Josh
repent trying to get him to repent
and he would not listen
and Zachariah comes and gives him a prophetic word
and he still would not listen
but he got so angry
that he goes and he ordered
the killing
of Zachariah
in the courtyard of the temple
what a foothold
the ashram poles had in the land
and those that worshipped Ashram
see those people took their time
they waited until they could have the ear of Joe Ash
to change his heart and to now come into a place
where he is murdering the priests of god
the very god he was meant to serve
that he was raised to serve
but because of a foothold

and here's what happened
I'm gonna read this to you okay
it's out of 2nd Chronicles and uh
it's where Joe Ash is uh
is coming into
so it's second Chronicles 24
and it says in 17
now after the death of Jahodia
the priest who had hidden Joe Ash
the officials of Judah came down and
bowed down to King Joe Ash
then the king listened to them
this is how it happened alright
at they abandoned the house of the Lord
the god of their fathers
and served the ashram and the idols
so God's wrath came on Judah and Jerusalem
for their sin and guilt
yet god sent
prophets among them to bring them back to the Lord
these prophets testified against them
but they would not listen
then the spirit of god came over Zachariah
the son of Jehovah the priest
and he stood above the people and said to them
this is what God has said
why do you transgress the commandments of the Lord
so that you cannot prosper
because you have abandoned
you've turned away from the Lord
he also abandons and turns away from you
so they conspired against Sakurai
and stoned him to death at the command of the king
in the courtyard of the house of the Lord
thus Joash the king
did not remember the kindness of Jehoidah
Zachariah's father
had shown him
but he murdered his son
and when Zachariah was dying he said
may the Lord see this and avenge me
and do you know what he did
he raised up the army of Syria against Joash
and Joash gets critically injured in the battle
but the then
listen to this
that in verse 25

it says when they left Joe Ash for
they left him very ill
his own servants conspired against him
because of the blood of the son of Jehovah
Jehovah can't say that word
the priest and they murdered him on his bed
so he died and they buried him in the city of David
but not in not in the
the cemetery area where the kings were buried
now I find that very significant
here is the king
a father who's
who was shown kindness and
and give put into an arc of Protection
and because of foot hold
you see a foot hold can be an inch
an inch layer
it does to be
Satan isn't
he can take over and occupy and cause
we just saw happen in Japan
he can possibly happen
and fathers
this is the charge for you in this season
in this time right now
God is saying
remove every foothold
first from your own life
and then lead your families into
removing every foothold that the devil have
this is the time to worship God
we want no footholds in our life because God
is wanting to release his glory like never before
and if there is a foothold
it can go sideways
and there and God
he has good things he is a
if we can like our heavenly God
just and we'll see his glory great
measure Bobby
what any thoughts coming to you
man I it just makes me wanna pray
I mean that's a powerful portion of scripture
that makes me just wanna go Lord
if there's anything
you know that Psalm 19
12 through 14 prayer that David prayed

and that is
David said this in Psalm 19
who can understand his errors
cleans me of my secret sins
the ones I don't even know about Lord
the motives
the the depths of the
why I do what I do
why there's footholds where they get a
a foothold in me
even a little ledge to stand on
um he David said
who can understand his heirs
cleanse me of my secret sins
and keep your servant from presumption
like presuming that I'm good
then he goes on to say
then shall I be innocent and upright
from the great transgression
like David thought that was the great transgression
to have god doing something in your life
but you're not sure what it is
and he said
and let the words of my mouth and the meditations
of my heart be pleasing in your sight
oh Lord my strength and my Redeemer and that's
that's the prayer that I wanna pray
not only for fathers
but for all of us
this is time where gosh uh
you don't wanna let the success
that God's bringing the body of Christ into be tainted
by a foothold that we haven't dealt with for two years
five years 10 years
20 years God's been knocking on the door of our heart
and he's simply knocking
because he wants to take it away
it's that simple
and we're just like somehow
you know um
don't know how to get rid of it
not even sure what it is
we need Holy Spirit to put his thumb on this
and we just need to simply give it to the Lord
and let these strong holds and foot holds be dealt with
before you pray
that this is what just

just I wanna encourage you
with fathers
you have more sway
you have more power in your children's lives
your words carry so much weight
more than you realize
and if you have ever bought the lie that you're
insignificant or what you have to share
or what you have to give to your children
is insignificant
I just I release you from that line
I say be free from it
because that is far from the truth there's
they are listening
they are looking
they're watching
they long to hear what you have to say
and they want to know that they are following
in those right footsteps those
that path of life
and although every one of us has a battle
we have to face
no one can fight my battle
no one can fight yours Bobby
no one can fight anyone else's battle
but we can stand there
and we can teach you how to fight
uh the right way and how to overcome with Jesus
and so you know
this is we need you fathers
we need you to rise up
to know who you are
and to know how much we need you
and to know what your words are
and to hear you
and to just receive what you have to say
whether it be a good
a correction
um or a good a
you know a word of affirmation
regardless of what it is we need it
we need it in our lives
without the banks of the river
the river one runs wild
and you fathers carry so much authority
to raise those banks up in the times when we need it
so Bobby I pray let's pray

let's do it
and if you are sitting here going gosh
I don't know the significance of what I carry
and I have not battled for my heart
I've sort of done other things
and left the ground of my heart unprotected
um God's here to help you
God's here to strengthen you
and when we pray
God's here to take that foothold of the enemy out
um you got to know what it is
you gotta be able to label it
you gotta be able to go man
God's been talking to me about this thing
and I just don't want it anymore
whether it came from generations
or just came from something
you open the door to
um this is your finest hour
and I'm not just talking to fathers uh
but the Bible says you have 10,000 teachers
and not many fathers
and I was seeing
I got an opportunity yesterday to
let someone ride my Vespa
and I got to teach him how to ride that Vespa
and he's like a son to me
and I'm sitting there you know
holding onto the vest
but first uh
making sure that he's not gonna dump it and crash it
and then I'm teaching him how to do this
and I'm noticing that I'm teaching him
and fathers
you're constantly teaching your children
go this way
don't do this
you're in teacher mode all the time
step away from that
I told you take out the garbage
you know just all of those things
we're constantly in teacher mode
and the Lord was like
I wanna bring you into a season
because you have 10,000 teachers
like we're doing it all the time
but what's the difference between

teaching and fathering
right and so
that's the Grace that God's releasing in this time
is where you can literally father it and
and mothers
you're saying today
well I'm a single mom
and I'm the only father right now
these kids will have
and there's a Grace on you
because the father will come
he will show himself in you
it's wild that he can do that
but it's the same Holy Spirit
and God will give you Grace
so that they
don't miss out
how cool is that
not only that
like he'll bring coaches
and significant people to father
your kiddos at the times when they need it
he's a father to the follow us
so there's no limitations
let's pray God
I just thank you so much for
first of all
that you are a good father
and God we just thank you
that you right now
I just identify
any footholds to the enemy that we have let in at all
god we just asked that you would
identify uh
places where we've compromised
maybe we haven't known
our efficacy
and the power that we carry as a
as a person
as a parent
as a leader
as a Christian
and we've abdicated those roles
and therefore
Satan jumped on it
and tried to um
take our authority away

God we just cancel all of that in the spirit right now
in Jesus name
and we say Lord
you gave us that authority
nobody can take it away
and we're not gonna let it
and God we just thank you
that you've given us the power
to win souls
you've given us the power to shine
you've given us the power to bring a light
like a city on a hill
and that's what we're going to do and Lord
we just do it
all for your glory
all to lift up the name of Jesus all
all to have Jesus
first place in our lives
and Lord all of the
weight that is on the shoulders of your father's
and your mother's right now
all across the world
we just ask that you lift that weight off
I just released
Becky and I
we release a spirit of peace over to you right now
from your father
so that you can just feel the peace of God come in
and take all of those weights off of you
as the Lord
your God fathers you
and so we bless that
and we bless God
to father you now
in your spirit
soul and body
we pray over finances
and all that you need
the father is
is concerned
about what you're concerned about
we pray over your body
every cell of your being
to manifest the glory of God
we pray over your
relationships
to be restored

and to be whole
in Jesus name
and we pray over your assignment
the one that only you can do
that God's given to you
and we ask Lord
that you would just breathe
upon that assignment
give confidence
for your assignment
and remind us Lord
of why you are the father
and that we are your children
you have a plan for our lives
and that you desire that plan to be fulfilled
more than we do
so we bless your people right now
and we bless your anointing
for fatherhood this day
Happy Father's Day
