I just prophetically declare a new chapter
for this church
for this apostolic hub
I'm asking for a new beginning
and that even behind the scenes
this very day
that there will begin a realignment in a reconnecting
and a redirecting of people in the surrounding areas
Lord that they will partner with
the calling of god on this church
and that a new chapter at chapter 23 will begin
as we enter in to 2023
at chapter 23
for Pastor Bobby Hobby and all of those
who are working in the spirit of cooperation with the
the vision and the call on this house
I ask in Jesus name
for a new chapter
the author and finisher of the faith
to write a new chapter for this house
in Jesus mighty name amen
