today I wanna talk to you about um
the glory of the Lord
I wanna talk about the glory of the Lord as a covering
and how the Lord sees you
and I wanna talk about seeing God
and I feel like um
there's an importation today for many of us
in regards to how we see the Lord
and how whether
how we know how he sees us
so today is all about seeing God
and I just wanna pray as we get started
Lord help us to see you everyday in your word
in a conversation in a song
in a teaching in a download
in your creation in a person
in a situation in the past
in the present in the future
Lord help us to behold what you haven't done yet
like
help us to behold what you wanna do in a year from now
in our lives two years from now
10 years from now
help us to behold now what you're going to do tomorrow
help us to literally see you
the god who lives behind us
on top of us and in front of us
Lord I just thank you for an anointing
to change the narrative and to see god
in Jesus name amen
open your bibles to Psalm 24
who may ascend

huh
come on
we had to know that by now me
the word there for ascend
I love it it means to arise
to go up to grow up
how many know that
there's a lot of people who wanna go up
but there's not a lot of people who wanna grow up
and ascending is about going up and growing up
it's what God's doing simultaneously inside of us
he's making us into the person that
not only understands I was made to ascend
but my lifestyle is being transformed
into the very image of Christ
that's what god is doing
Romans is super clear about that
that is the work of the Holy Spirit is to transform us
and he's got a dream not just
to transform us into the best version of ourselves
I love that saying the best version of yourself
but I actually wanna go a little higher and say no
actually
what he's doing is 10 x the best version of yourself
he's actually transforming you into the image of Christ
the very person I mean that's he's got high hopes
and I love that holy spirits
like I got this Holy Spirit psych
I got this
if there's anybody that knows how to transform us
into the image of Christ it's Holy Spirit
he knows exactly what he's doing
and he's super confident about what he's doing in you
so we're gonna rise up which means to go up
but the word ascend also means to grow up
I didn't make that up
God put that there we're gonna rise up
we're gonna go up and we're gonna grow up
I felt like
many people were getting accused by the devil saying
gosh you may have caused them to ascend
God by the blood of Jesus
but they're not gonna stand there
because the Bible says

who may ascend and who may stand in that place
like who can ascend by the blood of Jesus
and the Grace of god who's ushered us into the Grace
but who can stand there the enemy's accusation is that
the blood of Jesus could get us there
but somehow we have to stand there on our own
and that's just not true it's
the same God who got you there
is the same God
that's gonna empower you to stand in that place
and we're learning to stand
we've been learning to stand these last few years
the best place to stand is on the word of God
the unshakeable word of God
the rock himself
that's the best place to stand and be unshakeable
when everything else is shaking
then so we stand in that place
who can ascend and who can stand there
the same God who caused you to ascend
is the same God that will cause you to stand
all we have to do is just say
oh God
be my rock oh God
strengthen these legs like pillars in the house of God
cause me to stand
some things you need to stand for
some people you need to stand with
some things you need to stand against right
but stand stand
put on the former of God so that you may be able to
that's it pray at all times and without ceasing
so that you may be able to
those scriptures say that the former of God
and the power of prayer will cause you to stand
that's why their gifts to the body of Christ
so that we can stand
and that's what we're doing
we're standing firm in our faith
we're standing firm in the truth
we're deciding that God's words
final authority we're kicking devil butt in our homes
and over our marriages and over our kids
we're just going no

no I will make that stand
I love what cat says I don't do demons
Wanna say that with me I don't do demons
absolutely we make a stand and we we know
when it's heaven and we know when it's not
I mean God just given you that sensitivity
is put a spirit within side of you
so you know when it's heaven
and you know when it's not
wherever you go
in a conversation in a meeting
in a store in a place that you go
and you're pushing that shopping cart going yes
I am so glad to be here today
I am so glad to release heaven
I know when it's heaven and I know when it's not
and every place you go you just take the kingdom why
because we see God we see what God's doing
we behold the Lamb wherever we go
we're beholding what he's doing
it hardly takes any discernment
especially these days
to behold what's not happening in your life
everybody can behold what's not happening
you can major on that
but who's beholding what God's doing
tell me about what he is doing
that's why
the people who walk in the power of testimony
are prospering the most the people who have testimony
they know their testimony
they stop and think for a second
wait what is my testimony like
we spend a lot of time asking
and there's nothing wrong with asking
you will hear me say ask
seek and knock ask
seek and knock Jesus said is the acronym ask
ask seek and knock
so there's permission to ask all the time
but when you behold what he is doing
and not just what he's not doing
and get beyond the asking
then the asking leads to thank you

because you behold what he is doing
and we're constantly thanking him
and even in our ask we mostly start with thank you
thank you Lord
that you hear me
like when Jesus rose Lazarus from the dead
he didn't ask he just went
thank you God
that you hear me and thank you that you always hear me
Lazarus your life's about to change get up
that is how we stand we fight for people
we stand for people who can't stand for themselves
sometimes
we stand for people who can't stand themselves
sometimes
we stand for people we can't stand sometimes
come on
it's a little too stuffy in this house
after the worship team team it up
who may ascend the hill of the Lord
and who may stand in his presence
that's how we operate from a place of presence
as we stand there we understand it
we stand there we don't deviate
I know it's a mental battle
I know it's gone long
I know there's a great battlefield
called the battlefield of the mind
but you keep standing
the full armor of God will help you stand
your prayer life will help you stand
and you keep going and you don't give up
if you prayed over that person
to get out of that wheelchair
or if you're the one receiving the miracle
you stand you stand
I've listened to
I remember listening to a lady who was in wheelchair
for I think
20 something years and I
and I watched her testimony
and she said just every day for 20 years
I pictured myself standing
and so when

when I got up out of that wheelchair and that
person who prayed for me said
it's time for you to get up
I had already stood every day for 20 years in my mind
I had already won that battle in my mind
so the rest was just physical
and God honored my faith
and God honored their faith when he got me out of that
wheelchair and she walks and she walks
time to stand
who may ascend into the hill of the Lord
who may stand in his presence
I'll tell you who the Bible answers it
and verse 4 he who has clean hands and a pure heart
who has not lifted up the soul to falsehood
or has sworn deceitfully
now clean hands in a pure heart
I'm pretty interested in that
because I wanna spend my life before the Lord
understanding how to get these hands clean
and how to keep these hands clean right
I mean that's just the basics of salvation
the basics of knowing god
but then it's not so basic once you begin to understand
Omg there are so many things that can dirty
these hands of mine
who has clean hands and a pure heart
is the one who ascends so I wanna know how to ascend
and I don't wanna know how to stay there
I love what Bill Johnson says
hey I love that you're on fire now
come and talk to me in 20 years
and let's see that there's the fire
still burning and exploding even growing
first Peter 1
9 1
19 says this
you were bought with the precious blood of Jesus Christ
death he was a pure and perfect sacrificial lamb
that's how we got clean that's how we got clean
folks is that Jesus's blood washed us
he made you clean you are clean
who can ascend with clean hands and a pure heart
we can because of the blood of Jesus

that's nothing we've done in and of ourselves
but the Holy Spirit helps us in our weakness
he helps us to not only uh
receive the cleansing power of Jesus Christ
he helps us to walk in that cleanness
Job 17

9

and I'll just throw a few scriptures at you real quick
the righteous will hold his way and he who clean
he who has clean hands will be stronger and stronger
the righteous will hold to his way
and he who has clean hands
will be stronger and stronger
that's what
having clean hands and a pure heart does for you
you just grow and you strengthen
and you hold fast to your way
the way that God's given to you
Psalm 18 verse 24

therefore the Lord has recompensed me
according to my righteousness
or some of the translations say Psalm 18
verse 24 therefore
the Lord has recompensed me according to my integrity
but my righteousness or my integrity
as the psalmist said he takes ownership
this is my integrity
it's not just the integrity of the Lord
it's not just the righteousness of the Lord
David calls it my integrity
my righteousness therefore
the Lord has recompensed me
according to my righteousness
according to the cleanness of my hands
in his sight
there's something that the Lord looks at and sees
as we say god
I want these hands to be clean
I want my life to be clean
I want what I touch and what I bless and what I hold
and what I'm grasping for
and what I'm reaching for
and what I'm reaching for in my life and future
God I just wanted to be clean

there's nothing wrong with you being successful
but God's will God's way
causes you to have clean hands touching that thing
and you'll always be challenged
for the very things that God's promised you
you'll always have the opportunity to do God's will
your way the very promises that he's given you
like for some of you and I've seen it this way
for some people who God's prophesied
you're gonna have a ton of finances
between that word and the time
that finances come into their bank account
I've seen them so challenged on fudging
on their taxes and all of those things
to just get to where God's called them
in their own strength and I'm like
don't do it it's not worth it
don't soil your hands with that kind of stuff
you do your righteousness
which came out of heaven for you
but take ownership like David
my righteousness
take ownership of what God's given to you and say
this is our righteousness
yes it came from you
yes it came from your cross
but I have taking on your righteousness for my own
it is my integrity my righteousness
Psalm 26 verse 6 says this
so I will wash my hands in innocence
and so I will go about your altar
so I will wash my hands in innocence
some say this so I will wash my hands in innocence
so I can go about your presence
I will wash my hands in innocence
and so I will go about your altar
Lord
I thank you that having clean hands just makes presence
more experiential
it does something when I come with you saying
here am I I have kept my life before you
the righteousness that you gave me I walked in
the purity that you gave to me
cause it all started with you but I've walked in it

I made choices I chose to not do this
I chose to not do that I chose to do this
I chose to do that
I made choices to live and walk in righteousness
who may ascend those people
those types of people who make choices
I'm just prophesying in the spirit
there's decisions to be made today
there's choices to be made today
there's flags
banners to be planted in the soil of your heart today
there's decisions that will change your life
from this day forward
if those banners get planted today
in the soil of your heart right now
and I'm so glad that the Lord just doesn't do it for us
he does it with us
I'm so glad that we get a reset on all kinds of choices
well Lord
I haven't made these choices in the past
that's okay today's a new day choose
make a choice choose right now
you have the power I
I I anointed you with the power of free will
just make a new choice
just make a different choice today
that's all it start it
breakthrough can start with a new choice right now
right here right now
so I will wash my hands in innocence
and so I will stand in your presence
the word hands there in the original
means hands that are faced up
clean hands
hands that are open here I am Lord
all that I am all that I have
it belongs to you
hands lifted hands raised
here I am I am yours
some of the translations in the Hebrew
means to turn up your palms
clean hands and a pure heart
the word for pure means actually chosen
not just pure as in like we think

it actually means a purity
that comes from knowing you've been chosen
you're actually responding in purity
because you know he called you in purity
it actually begins
the first part of the word begins with the word chosen
I'm responding to God in purity
cause I know he's called me to it
I'm not giving him anything
that he hasn't first given me right
we love him because he first loved us
we're responding any purity that we have
any choice that we make
any decision that I make before the Lord is
because I understand I'm responding to a call
it just makes things different when you know
he's initiating your righteousness
he's initiating your purity
he's initiating your life
we're responding David said in the Psalms
I sought the Lord while I was already in his hand
I love that Lord
how about when I didn't seek you
yeah you were in my hand there
now I was like well
I was sprinting toward hell
and he's like I got a big hand
I watched you
are you glad he's got big hands
where can I go from your presence
where can I go from your presence
my friend right here says what he loves about Texas
you can sit on your front porch
and you can watch a dog run away for four days straight
where can I go from your presence
that's totally right isn't it
clean hands and a pure heart
the word chosen
were responding to something that was given to us
so we're not doing it in our own strength
we're not doing it on our own
we're responding
the purity that we walk in and we choose to walk in
comes out of the reality that we've been chosen

the word heart there clean hands in a pure heart
the word heart there just means the inner man
and so Lord wash cleanse
thank you for your power
thank you for your glory to cleanse our heart
and thank you Holy Spirit
it just reminds me the power of the Holy Spirit
to change us all into the image of Christ
there's nothing that again
we could do on of our own strength
walking this out without the Holy Spirit
it's just a bad day
it's a bad life
I mean it's just like
come on Lord
you know you know it
we have the want to we have the desire
but you alone have the power
so thank you
God for calling us to the ascended lifestyle
but going you're gonna need Holy Spirit
you're gonna need Holy Spirit
just every day
just get filled I mean
you can't get out of all
the first four chapters of acts
every time they met and they were filled
and they were filled and they were filled
and they gathered and were filled by the Holy Spirit
and they gathered and were filled
and all kinds of filled in the scriptures
every chapter in the book of acts and they were filled
I mean if that's not a launch for the church
or a beginning of how when we everyday
just need a fresh feeling from Holy Spirit
Paul said I pray in tongues more than you all
I mean that's pretty wild to have that confidence going
I'm constantly praying in the spirit
I'm making tense
and I'm constantly praying in the Holy Ghost
because I recognize that there's no way I can walk out
this calling without the power of the Holy Spirit
and if anybody knew how to get things done
in their own power it was the Pharisecy Paul

if anybody knew the pressure to get it done
to look good to be seen before men and all of that
it was him and he's like
I've done that I've been there
come on let me tell you
I know how to get it done in my own strength
but now I pray in the Holy Ghost
and I'm telling you what happens here
as I pray on the Holy Ghost
10 x
100 x compared to what I used to do on my own strength
I pray more than you all I'm confident
I'm always praying
I think there's a revival
I know there's a revival of communion
that's happening right now
but I just wanna declare a revival of tongues
I just wanna declare tongue talk
a little bit and I wanna pray for you
I love praying for people to get their prayer language
why because I know you need it
better than that God knows you need it
God knows you need it
something happens when you pray in the Holy Spirit
you begin to get a clarity
you begin to see things here's how I ask
I was like Lord why
why do I um
why do I need the gift of tongues
and he showed me and I'm this visual person
so I always just get these visual encounters and I saw
um
what look like
the Holy Spirit skipping down the aisles of Costco
and now the Bible says you don't
in Romans 8 you don't know how to pray as you should
or as you ought to
but the Holy Spirit prays through you
the Great Intercessor prays through you
with grodings that can't be understood
and so he's walking down the aisle
skipping down the aisle of Costco
well let's make it religious
um pentacosco

and he's throwing in your basket
all of the things that you don't even know
you're gonna need going shopping
the kids are always like sneaking stuff into the basket
well that's what Holy Spirit's doing
he's walking down the aisle
you don't know what you need
but I know what you need
I know what you need
who wants that guy praying for you
praying for you well
what's wild is that guy's gonna pray for you
through you
so that's what's happening
while you're praying in the spirit
as he's going make sure Bobby gets this
make sure Bobby gets that
he's going down we don't know what we need
but he knows what we need and he prays for us
first Corinthians chapter 2
Holy Spirit
came to show us the things that are freely ours
Lord we just want all that you want for us
and
we're just so thankful that the greatest intercessor
ever known to man in the history of the world
lives inside of us
and just as like dude
let me pray for you
get your prayer language and start praying in tongues
if you're depressed if you don't know what to do
if you've got decisions you need to make
the Great Intercessor is on the inside
let him pray for you
oh shakara
but you right
who wants that
and his he's genius about saying
and I'm not gonna do it for you
I'm gonna do it with you
what kind of cool thing is that he's decided
you open your mouth and we're gonna partner for you
you're gonna pray in the natural
and then you're gonna pray in the supernatural

and we're gonna combine cause I wanna hear your desires
I wanna hear the things that you're going after
but then you pray on the Holy Ghost
and let the great inner sister pray over you
and watch what's gonna happen
and I just go back and forth
my desires my wants
my clean hands and pure heart Holy Spirit come
that's why
one of the great gifts that Paul talked about
in the New Testament Church
was to be able to interpret tongues
and what that great intercessor was praying for you
oh we need that Holy Spirit
I just wanna know what you're praying
that's what I ask I just wanna know what you're praying
I can feel something
I can feel you surrounding me like a
like a mama at night just praying over her son
I can feel you praying stuff
but I wanna know what you're praying
cause the next time I pray I wanna agree with you
teach me to pray
and that's what happens when you pray in tongues
is the Great Intercessor teaches you to pray
don't you think that he loves praying through you
and then hearing those very words come out in English
next
don't tell me that gift is gone away
don't tell me that gift is no longer needed
cause we got a better way
Lord teach us to pray
Lord teach us to pray
Lord help us to have nights where that's all we do
is come down and pray in tongues
how about that let's value that once again
clean hands in a pure heart
I'm telling you
there's a fresh start that's in this house today
there's a fresh start
there's a fresh place for you and God
there's a fresh start for your life
there's a fresh start for your marriage
some of you came in today

you weren't even sure if you needed a fresh start
blessed are the pure in heart
Matthew 5 8
for they shall see god
clean hands in a pure heart
that's what happens
God's purifying your heart so you can see him
that's how it works
it goes right back to beholding the Lamb
blessed are the pure for they will see me
God said
I'm not just calling you to purity
cause I want you to be pure
I'm not just calling you to purity
cause you're filthy and you need it
I'm calling you to purity
because the blessing of the pure
as they get to see me
Lord we just stop for a second and say that our reward
of all that we do
to keep our hearts pure
the reward is that we get to see you
that's reward and we love it
those who have not given themselves to falsehood
felt like the Lord highlighted that to me for you
falsehood some of the translations say to seed
but the Lord so amazing and
it jumped off the page to me
so I looked it up in the Hebrew of the original
and the definition for the word falsehood there says
that which disappoints
I'm sorry
that which disappoints hope
huh that's falsehood
anything that does not born out of hope
anything that disappoints your hope
and God saying there's hope for a brand new day
there's hope for a fresh start
and anything that disappoints hope is falsehood
so don't lift up your soul
to anything that disappoints hope
cause Hope's on a mission for your life
he shall receive blessing from the Lord
and vindication or righteousness from god

it's a gift from the Lord
he'll receive blessings from the Lord
and vindication from God
receiving blessings
that word for receive means to carry
it's just receiving and carrying blessings
you've received that blessing
because you've chosen an ascended lifestyle
you've made choices for integrity
and holy spirits right there to pray for you
when you fall and you get right back up
and you let that great intercessor take over
and do what he does best cause he loves you
when you make a mistake he's not see told you so
when you make a mistake he's like
start praying in the Holy Ghost
let me intercede for you I'll cover the whole thing
you receive blessing
the word blessing means a gift
nothing you could have done at me
it actually is the word favor
and it comes from the word Barak
means the God who bends
the God who kneels and the God who kisses
thank you Lord
for coming down close for kneeling down close
and for kissing me with a blessing
this is the generation who seeks him
who seeks your face
even Jacob
generation means
the type of people
these are the types of people that seek his face
the ones who have sat under his righteousness
the ones who have stood in their integrity
and allowed Holy Spirit to empower them
this is the generation these tenacious people
who know how to get back up when they fall
these are the types of people who seek his face
even Jacob why is that even in there
I asked the Lord about it he said
because we're talking about the people
who don't lift up their soul
to idols or walk in deceit

Jacob his very name means deceiver
I let him seek me I opened heavens
the heavens opened Jacob's ladder
under a man who needed to be changed
from being a deceiver to prince with god
Jacob he was called Israel you shall be
he who does not lift his soul to idols or just
or lives in the sea or walks in the seat
he shall receive blessing from god and vindication
this is the generation who seeks his face even Jacob
I'm telling you now
there's a people who are rising up right now in purity
with clean hands and a pure heart
because they know the power of the blood
and the word of their testimony
we just wanna be marked by God
we can feel the drawing of the Holy Spirit
to come away from the things of this world
and seek him everyday you can feel that I know you have
that's a part of your testimony
is how he's conforming you into the image of his
dear son
we're washed in his presence as we say yes
to let his word be our covering
and I just say over you you're covering today
Isaiah 4 and verse 5 over all the people
there will be a covering
a cloud of smoke through the day
and a flame of fire through the night
his glory is your banner his glory is your covering
his glory is your delight
Lord I pray over your people peace
I feel your shalom in this room
I pray over your people
the reality of an ascended lifestyle
and I just wanna thank you
Jesus for your blood
for making it all possible that I could live
that we could live in the Father's plan
thank you Holy Spirit
that you said let's up it and not only be with them
but be inside of them
and then you counsel together again and said well
actually let us make them in our image

is that even possible
yes
and God I just wanna thank you
for being a father
Jesus I wanna thank you for giving your life
and being a brother
Joint Air
we are the errors of salvation we have an inheritance
and I wanna thank you great Holy Spirit
for giving us this reality on the inside of us
for praying for touching
for believing for conforming
for doing what is impossible with man
but possible through you
Holy Spirit I thank you for guiding us
for leading us for teaching us
for saying this is how to keep your heart pure
this is how to live an ascended lifestyle
thank you Holy Spirit
that even when we forget you're relentless
and we just ask you for a fresh
fresh start today even you
Holy Spirit in our lives
that you begin to speak to us fresh
we wanna hear all throughout the day
even when we're busy
even when our minds are focused on work and people
and all of this stuff
Holy Spirit it's just good to know
you're constantly working to conform us
and so we just say yes to the work of God in our lives
I will just sit before his presence
just put thank you on your lips
would you huh
thank you God
thank you God
Lord I ask that you would release a revival of tongues
a revival of our prayer language
I tell you this many of you have been trying to do it
under your own strength
and the Lord is saying to you
if you would just believe
I've given you a gift
that takes supernatural faith to receive

I hid it so that you would value it
I know tongues messes with the mind
you have to be in a place of faith to receive that
but I hid it for you not from you
I'm giving you a fresh start today
would I call you to ascend without causing you to stand
Jesus
did his work by going to the cross
and ascending for you
but the Holy Spirit is now doing his work
to cause you to stand
is the Holy Spirit weaker than Jesus
or is he doing inside of you
what he promised he would do
oh Jesus
you shall have a bride that is like you
in every dimension you will have a bride
that will be willing to give her life for you
I will see to it
the Holy Spirit will finish his work
oh God we love you oh God we adore you
we worship you
first of those
who say that's me I wanna I wanna receive a fresh start
I want you to just boldly stand up where you are
I wanna receive a fresh start today
yeah come on come on
God's for you God is for you
God is for you there's a fresh start
there's a clean slate there's a new beginning
there's a hey I've got something new for you
his mercies are new every morning
there's a fresh start to your faith
there's a fresh start to get back
so that you can go forward
he's doing that right now in the room
those who are hungry today
for the gifts of tongues whether be the first time
or you just haven't spoken in tongues for a while
and you want the sand cleared out of that
well I want you to come down here
I wanna pray for you myself
the gift of tongues come on down
be bold you get that great Holy Spirit praying for you

you get that great Holy Spirit praying through you yep
just come on right down on front
who are standing for a fresh start
I want you to slip out of your seat
I want you to come right down I wanna pray with you
I'm gonna ask you
right now there's someone in the room
maybe you're watching online
but there's someone in the room
and the Lord saying
I need you to release somebody from the pain
that they caused you before you can go forward
there's a level of forgiveness
that will hold you into yesterday
and if we're gonna do this and go forward
I need you to release them
from the pain that they caused you
I need you to release them
and by releasing them
you're not saying what they did was good or fine
you're saying
it's bad enough that it caused me pain
but it ends today
it ends right now it ends this moment
and I'm not gonna keep it in my heart
so that it keeps me from moving forward
Lord
we just sit in the refreshing of your presence today
also the last thing that I heard this morning was
the gifts of the spirit the gifts plural
that the Holy Spirit gives
we want them function functioning and operating
and gosh we can have all gifts of the Holy Spirit
we can just have the presence of God
manifesting in our lives
and I just wanna pray generally for us all
but you have to respond to this
you have to want the Holy Spirit
and the gifts of the spirit
and if that's you
just either stand or raise your hand
some of you can't stand
and you just wanna raise your hand
just open the funnel

open the funnel
open the funnel
Holy Spirit
we just want all the gifts that you
have for us nothing we can earn
nothing we can earn but many things we can walk in
many things we can keep many things we can stand in
and so we just open our hands right now
and we receive the gifts that you give freely
all the gifts of the Holy Spirit
the ability the strength to be strong
and to stand and operate and function and
things that we couldn't even know naturally
God we wanna know
we wanna know
Wanna know things for our family
for our clients God
we wanna know supernaturally
and you call them gifts we want tongues
we want the interpretation of tongues
we want prophecy we want miracles
we want all things super for natural and Holy Spirit
we want it all we want it all
we want it all
so we hold up the final and we say we receive it all
we carry it all
so father
we ask you right now
and we thank you Holy Spirit
that not only are you teaching us to go up
you're teaching us to grow up
and God we just thank you
that you're helping us to know your ways
but it's not in our own strength
now ministry team
would you come and help me pray for these standing here
ministry team would you come
just begin to surround them with love
begin to lay hands with love
that's the heart of the father today
it's just love for his people
it's my good pleasure to give you the kingdom
now I just prophesy
a burning of the bridge

a bomb that destroys the bridge so you can't go back
and those of you who are standing for a brand new day
I want you to see the bridge behind you exploding
to where you can't go back
and the past can get over it can't find you
and I just say God is doing that for you now
just see your father destroying the bridge to the past
and he's saying come on
I'm gonna give you fresh strength
I'm gonna give you fresh power for your future
come on just believe for it hunger for
value it because I got a fresh new start for you
it was never in your own strength
father I just say this is the day right now
march in the sand right now in the name of the Lord
a fresh beginning
a fresh start right now in the name of the Lord
a fresh start for your people
a fresh start those around the globe
for those in this room right now
a fresh new start and a new beginning
and I say the words of god
I will remember their deeds no more
I will remember their deeds no more
in Jesus name
a fresh touch a fresh start
now those of you who are praying for this fresh start
I can feel it right now in the room
just begin to praise just begin to thank God
just begin to pray in the Holy Ghost right now come on
a fresh start
you let that intercessor begin to pray for you
right now come on
begin to prophesy oh intercessor
what my fresh start looks like
come on as you pray in tons
that great intercessor is gonna prophesy
what your fresh start looks like
come on come on
pray in tongues pray in tongues pray in tongues
come
on
