the Lord Lord show me when worship first started
I saw Jesus walk in here
and he said
many of my children have been
have chains of depression on them
and I'm gonna set them free from that depression oh
and and the songs that played were all about
breaking chains and being set free from strongholds
but he told me he said
your world the world
not just our nation
the world has had a chain of depression put around it
he says I'm breaking that chain off too oh
oh okay so as we declare and decree and
pray and proclaim and worship
we're not doing it for
just for ourselves and our loved ones
but for this world
cause we got a big God and he's got a great plan
and his son died on the cross for the whole world oh
to be saved
to be set free
to be set on fire oh
to live full
happy lives
not downtrodden by the enemy
so I know if any of you came in here
and I know our worship team declared
discouragement was going
I'm telling you
if you came in here discouraged
depressed about anything
anything in your lives
you're gonna leave free

you're gonna leave happy encouraged
full of faith
full of joy hahaha
and you're gonna spread it
I'm gonna just share this word the Lord gave me about
portals okay
you told me this is about here
um a couple of weeks ago ho
our son John
we were doing a prophetic weekend in Florida
at our church
and it was Friday
Saturday Sunday
so Saturday morning
he had a dream vision
and he saw the United States all in gold
up to the States along the West Coast
and there was a fire line there
Ho and I knew our assignment
we thought we were there to just have fun
and be prophesied over and prophesy
just have a ball
but God show me no no no
you're here on assignment
and your assignment is to get the glory
that's on the East Coast
and coming across the United States
to go all the way across to the West Coast
so we prayed
we proclaim
we prophesy for the West Coast
and the Lord told me as I gave that vision
I cast the vision to the people there at our conference
and right away I got a download
a prophetic download that
immediately after the conference ended
we were gonna start hearing reports
of revivals breaking out along the West Coast
and Emmanuel Johnson told me five places in Justin
California had revival

fire breakout
and we heard of other places along the West Coast
and this is part of that right
that's why we're sent here
cause God wants the west coast filled with this glory
haha and our job
our assignment is to open a portal
now how do portals get opened
through worship
the Lord told me
just not regular worship can open a portal
it takes worship from people that love him
that live their lives for him
that live a lifestyle of worship
when he gets a gathering huh
of people together that love him with all the heart
mind soul and strength and worship him
angels the released
I call them drill angels cause I see them drilling
and they're over people's heads
I've seen them drilling holes into the atmosphere
making these portals
I've seen a couple of portals be opened oh
when we were
I think it was in Pennsylvania
I saw a portal
we had worshipped
we already worshipped here
so stuff is happening already
and this these big
huge angels had these big
huge sledgehammers
and there was like
the cement against the sides of the portal
and they were slamming this thing
they were making it bigger
bigger bigger
expanding it
that's God's plan
he doesn't want just a little portal open

over this church
he wants your whole state
he wants the whole West Coast
he wants the whole world with the glory ho
and then when we were in Texas two weeks ago
I saw in the spirit
we went there to open a portal oh
and I saw this angel
leaning against the side of the portal
just leaning there
and we're worshipping and all of a sudden the
the wall falls over fuck
and the angel laughs
laughs laughs
laughs and he said there's no limits
no limitations haha
it made it look like it was hard but it was like
haha and what I saw here
oh oh I saw a ceiling over this whole region
and you see that wall back there
old old bricks
it was like that was brick
but all with a cement in between
the whole ceiling was made like that over this region
and then the glory came and there was an explosion
and that's the worship
that's you guys
that's the worship
and this explosion came from here above and went boom
above and it just blasted this ceiling
so that not even the dust of the dirt from it
the explosion came down
it was gone so I'm gonna declare it right now
in the name of Jesus
we declare and decree open heaven over Oregon Ho
a portal open now
Holy Ghost doing a miss explosion of the glory of God
ho that this portal opens
Ho ho never to be closed again never
never never never ho

that the Lord God Almighty his angels
and all that he has stored up in heaven for us
can have easy access to us with no opposition
no delays our prius can easily ascend before his throne
and we can have heavenly visitations
he told me my when you cut an open heaven
then my people can come and visit me in the spirit
and have heavenly encounters
I declare that over this place
in the name of Jesus amen amen
this is what he said to me
many portals will be opened
for I will have my way to invade the land
with my glory and my goodness
evil will be chased away
darkness will no longer hide evil from my children's
sight for my glory
my light will chase darkness away
and all that was hidden will be exposed
it's gonna be a great exposure
and with that exposure is just gonna be oh
look at all the wicked things they've been doing
justice is coming forth with the exposure
just judgments are coming forth
the judge the God
the Lord God Almighty
the just judge of all the earth
I've seen him come from his throne in his judges robe
issuing forth judgments here on the earth
we're gonna see it because he has a remnant
he has a people that love him with all their heart mind
soul and strength that stand in the gap oh
will not let go
will continue to love
even love their enemies okay
that's the call that you came for
that's the call of God
that we cannot be bitter
when we see justice wall
when we see judgment

we're not gonna be dancing in the streets
at their downfall
we're gonna be dancing in the streets
for the righteousness of God is gonna be poured
out over the land
and the wicked will repent
and they will turn to God and their souls will be saved
and we're gonna dance and rejoice oh
thank you Jesus
oh by Santa's listen to this
this is really cool
portals are being opened and meanwhile
we have assigned mighty warriors to close evil portals
is that cool is that cool yes
God has portals but the enemies got portals too
I've been to hell and I've seen what I've seen in hell
here on the earth
I'm like oh my goodness the devil
spring is summer hell here to the earth
they come through evil portals
well God said
I got you guys assigned to open godly portals
but I've got mighty warriors that have an assignment
to close evil
wicked portals ho
so the enemy will not have access
ho do you to your loved ones huh
to your nations haha
to the world
that awesome
God has strategies okay
we just gotta find the lane he has us in
and get in that lane
and do whatever it is he's told us to do
don't be jealous because somebody else has got a more
beautiful looking lane to travel on no
stay faithful in the lane you're in
do whatever he's giving you to do
do with all your heart
all your might

all your strength by the power of the Holy Spirit
and accomplish what he's giving you to do
and pray for your brothers and sisters
that are in other lanes
that they stay strong
they persevere
they do what they've been called to do
we're an army
we got that link
arm and arm and be you and unity
loving and supporting and encouraging
helping our brothers and sisters
cause we're gonna win this war
he said this is one of the ways
your land will become mine again
is through opening godly portals
and closing ungodly ones
he said this is one of the ways
one of my strategies
oh thank you Jesus
oh God it's good
he said that these places that have
these portals opened are going to be places
that will be known for many miracles
science and wonders
so once the portals open
Pastor Bobby
haha Chris well
I where's Chris huh
well anyway
you guys haha
the portals gonna be open
it's gonna be easier
miracle signs and wonders gonna become commonplace
angelic host easily get to you
we see in the stereo
Daniel Chapter 10
where Daniel prayed and fast 21 days
he had a revelation
trying to get the answer

prayed nothing happened
21 days an angel comes to him said
I tried to get to you for 21 days
but I was resisted by the prince of Persia
Heaven closed huh
bricks cement
mortar closed
couldn't get through
Michael had to come in a system and fight
the way to get the answer
when you get an open heaven
no resistance
the blessings
the prayers
the miracles gonna be easier
your and so he sends us to get this thing to happen
so that those that are left behind
he strategies this way to send us
so he knows we don't waste our time
they sent us to a place where we
he will have people
ambassadors of righteousness
ambassadors of godliness
that will take the stand and continue to do the work
and he knows your faithful
that's why we were sent here
to get this portal open
