alright you guys  
thanks so much for joining us  
wasn't that amazing worship  
as Chris said we're so thankful that you guys gather  
partner with us  
you're a part of our family all year long  
and we love that from around the world  
you guys are part of our Eagle Mountain family  
you gather you believe in what we're talking about  
you believe in what we're going after together  
and you believe in what God's saying  
my mom says it this way  
faith does not just say that he can  
but faith says he will  
it's not enough to have faith that he can  
we must have faith that he will  
now there's a lot of promises that God's given you  
and I wanna set it up for 2024  
so that you can posture yourself  
with the vision that god has given to us  
now  
I've been prophesying since 2022 when we got this word  
that 2022 was some 22 it was the year of the cross  
and then it would lead to Psalm 23  
where the year of the cross would give way to intimacy  
the Lord our Shepherd who is leading us and guiding us  
but the year of the cross meant we were  
then we would go through some things that literally um  
brought death to the flesh of who we were  
and to those around us  
and many people were going sideways  
god was was bringing them to their own cross  
like Luke 9:23  
when Jesus says take up your cross and follow me  
and we were understanding that the  
the cross was not just our salvation  
but death to the flesh and Jesus overcame that for us

so we were learning how to sort of  
take up our own crosses well  
and give things to him that he wanted to take from us  
and off low generational curses and all of that stuff  
that was uh  
20:22 and then 20:23  
we could then be LED by our great Shepherd in Psalm 23  
and that's where he would lead us  
in the realms of peace besides still waters  
and he would restore our soul  
and he would restore us to the place  
and to the vision that he had created for us  
and we would have intimacy with Christ  
and we would learn to focus on Jesus the most  
where we had been focused on all kinds of things  
in our business and people  
and all kinds of great things  
but in 20:23 it was Psalm 23  
and that was focus on Jesus  
Jesus and Jesus alone  
and so we begin to do that intimacy with him  
bringing out the reality of the Shepherd  
he is our great Shepherd and now 20:24  
this is time for Psalm 24  
and that 24 is something that's magnanimous  
we begin to see the greatness of the great king  
the father of us all  
and we're watching this progression from 22 to 23 to 24  
and I wanna get into that  
with you today  
now we at Eagle Mountain  
we've been focusing on some things as a tribe  
we have some mandates  
that are specific to our assignment  
and if you're a part of our family  
you've heard these before  
but I feel like we need to  
with clarity gain some new understanding on this  
so as a tribe here at Eagle Mountain  
we're a community of friends with intention  
we call it we  
we've got relationship but  
those relationships don't just cap out at connection  
those relationships go on to maturity  
to where we act  
to growth together so we're not just hanging out  
we're hanging out with intention

for the purpose of growth  
and we've taken  
and God's helped us define relationships with  
not only the connection component  
but the growth component as well  
and so we've been going after that and focusing on that  
number two that our focus was to make Jesus famous  
that's who we are  
just literally live in such a way that said Jesus  
you are our focus  
and so how do we make you are number one  
our magnificent obsession  
David said that this way one thing have I desired  
and Jesus you are my one thing  
you are my one thing and so making Jesus famous  
going after  
spreading his gospel and his glory to the world  
and then here are our our tribe  
and the reason why we call ourselves that  
is because you're seen you belong here  
you have a place  
when Jesus was talking about the church  
in the New Testament he used the word oikos for family  
and ecclesia for that apostolic mobilization  
there were two primary words that were used  
for the church oikos  
again that's family  
relationships with intention  
excuse me and then Ecclesia  
that's where we use the growth and the maturity  
and the authority that he's given us to move forward  
so he said this is a tribe of Oycos  
where you are seen and you belong  
we also experience the Lord together  
that's something that's super powerful  
and a big priority to us is that church must  
must be experiential  
it can't just be liturgic  
it's gotta be experiential  
that was the first uh  
mention of the church in the Bible  
was that it was Jacob's ladder  
where angels were ascending and descending  
this is none other than the house of god  
and that's the first time  
the house of God was mentioned in Scripture  
that set the precedent for what

the house of god should be  
experiential angels ascending and descending  
can you say amen to that  
we must have a culture of heaven  
and again I say it  
an environment of growth that is the culture of heaven  
and then also  
we must transform society with Heaven's solutions  
that's the ecclesia part  
we can't just have our four walls  
and experience the presence of the Lord  
without going and sharing it with the world  
the world deserves an encounter with the living god  
so that's a lot of who we are  
we're called primarily  
to focus on five different aspects of the Kingdom  
and for us that is again  
the Great Commission number one  
that's Eagle Mountain's focus  
the Great Commission he said he gave us five planets uh  
more than 20 years ago  
and that first area of focus is the Great Commission  
that's how we make Jesus famous  
we focus on him so we can make him famous  
No. 2 discipleship  
that's training for raining  
what does it look like to train to rain here on earth  
that needs to happen now are you being discipled  
and is the body of Christ discipleing you  
we're not just called to make decisions  
but to literally train and equip  
and we understand a lot of people wanna make Jesus uh  
their savior but don't necessarily wanna make him Lord  
and this is where we help say  
wait a minute discipleship is you investing in you  
it's the greatest way to not only honor Jesus  
but to believe in what he's called you to  
and if you honor you  
then you'll believe in your growth and discipleship  
you'll value it and so we're so excited  
because the Fivefold Ministry is raising into a place  
where Becky's bringing me water  
Happy New Year everybody  
there's your water love you guys  
thank you Mommy  
love you that's my beautiful bride Becky  
so we're so excited to equip and train

and that's part of the mandate of the fivefold ministry  
and God's really getting the fivefold ministry back to  
what's our role our role is to equip  
our role is to be generals in the army  
and sometimes that means  
we've got to encourage people from a distance  
sometimes  
it means we got to get right up in their grill and say  
come on you were born for greater things  
also prayer and prophetic proclamation  
for us that is what we need to be about  
god said if we gave ourselves to prayer  
and prophetic proclamation  
he would use us to shape the future  
because that's what prayer and proclamation does  
so again The Great Commission discipleship  
No. 3 prayer and prophetic proclamation  
and No. 4 creativity  
that there were areas of creativity  
that god wanted to bring on the planet  
that  
everything we did had to be in realms of creativity  
god what are you doing outside of the box  
every time you come here Lord  
uh you're the most creative person on the planet  
you created everything therefore  
we ought to be the most creative people on the planet  
and then also finally  
resource  
excuse me  
God has called us to be a resource  
not only to the body of Christ  
but to the world and so how do we bring heaven on earth  
and really that's the standard that we wanna walk in  
is to bring heaven on earth  
and so let's go over the Great Commission  
The Great Commission is until everyone knows right  
we're winning souls  
we're going after our uh every sphere of society  
supernatural kingdom  
we lead by serving  
disciple ship right  
we started a ministry called Glory Light  
Transformation Centre  
and glory Light is a place for inner healing  
and deliverance where you can detox from the world  
the ways of the world

the thinking of the world low thinking  
all of that sort of thing  
we have Eagle Mountain TV that excuse me  
has free programming  
we have free podcast  
our Kingdom Learning e courses for reformers  
our Pearl School of transformation  
conferences and classes  
we want you guys to be discipled and will connect it  
prayer and proclamation how do we shape the future  
well for here we have our upper room  
we have times where uh you have prayer furnace nights  
a prayer and worship nights  
all of those types of things prayer for our community  
making sure we have assignments around our community  
and you should too prayer  
initiatives that God's given you for your community  
we wanna make sure again  
in creativity that we're dreaming with God  
that you're discovering your passion  
that were releasing creative arts  
creativity and business innovation solutions  
we're really here to make heaven tangible  
and then again our resource  
what does that look like for Eagle Mountain  
well our resources that we wanna connect with  
other apostolic networks  
we have uh uh something that we call Kingdom Allies  
it's a network that we've created of apostolic minded  
comrades and you can go to our website  
and look up Kingdom Allies  
click on that page  
and get connected to a network of Kingdom Allies  
a network of apostolic minded comrades  
uh so we're learning to love our region  
we're learning to serve  
other apostolic resource centers  
that believe in transformation  
so we talked about Psalm 22  
Psalm 23  
Psalm 24 let's go into Psalm 24  
is this verse 1 the earth is the lord's  
and all it contains  
the world and those who dwell in it  
for he has founded it upon the seas  
and established it upon the rivers  
now here we go we're seeing that the Lord

the earth is the lord's  
we're being invited into the bigness of who our god is  
and in the midst of all of that  
the earth is the Lord  
and everything and everyone that dwells in it  
there's a question that comes out of that  
so since he's so magnanimous  
who may ascend the hill of the Lord  
and who may stand in his holy place  
now who wants to ascend  
who wants to go up  
who wants to live an ascended lifestyle we all do  
that's what we're called to nothing less  
and so we're so excited  
but not only who wants to go up  
but who wants to stand in his holy hill  
he's looking for those who will not just want to go up  
or be willing to go up but those who will stay there  
live there stand there  
make that reality evident in your life  
that you literally belong here in heavenly places  
so ascent means to rise up  
who can ascent to rise up  
to grow up to be lifted up  
his holy heal that means to be sacred or set apart  
now the answer comes right after the question  
the question is who may ascend  
but the answer is right after the very next verse  
he who has clean hands and a pure heart  
does not lift up his soul to any idols or falsehood  
now he has clean hands  
the word hands means palms uplifted  
that's palms of worship  
pure heart means the word pure means chosen and sincere  
and the heart means the inner man  
hands up lifted  
a worshipping chosen  
sincere heart  
where your inner man says  
I'm all in not just on the outside  
now Jesus did that for us  
who can ascend you as clean hands in a pure heart  
often we just think well  
if I get myself clean then I can ascend too  
and that's not what the Bible says  
the Bible says that it's the one who has clean hands  
and a pure heart

now Peter wondered in the New Testament  
how to make himself clean  
he said Lord  
wash me completely and Jesus said Peter  
only your hands need washing  
because I have made you clean already  
we've been clean by the blood of Jesus  
we've been clean and washed by the washing of the word  
that he has given to us his very life  
so now what we need to do is just stay clean  
just stay positioned to live a mindset of cleansing  
when you read that Psalm 24  
if you think wow  
I need to make myself clean again  
and I don't have clean hands and a pure heart  
don't think that way  
that's not what God's leading us into  
for Psalm uh  
for the 20 24 year  
or in Psalm 24  
who has not lifted up and sold the falsehood  
has not sworn deceitfully  
their falsehood literally means the accuser  
we have chosen to not side at all with the accuser  
who's not sworn deceitfully  
deceitfully means uh  
those who look for ways to chisel  
ways to bring fraud or even ill gotten wealth  
or they're always looking to do a work around  
they're always looking to get uh  
the short version  
the microwave version of what God's doing  
if we don't do that  
the Bible says he shall receive blessing from the Lord  
I want you in 2024  
to posture yourself for unprecedented blessings  
and the salvation of his god  
he will be of a generation who seeks his face  
seek the lord's face  
this is what's going to Mark the Christians this year  
is those who seek his face  
they will receive blessing from the Lord vindication  
many of you have been accused falsely  
many of you have been accused of all kinds of things  
the accuser of the brother has been after you  
and I'm telling you  
2024 is a year of vindication for you

now lift up your heads cause it's really all about him  
oh you gates  
be lifted up everlasting doors that the king  
I'm gonna define who he's coming as this New Year  
he's the Lord strong and mighty  
he's the Lord mighty in battle  
lift up your head so you gates  
and lift them up  
you ancient doors that the king of glory may come in  
this is when David was bringing the Ark to Jerusalem  
and said it's time to receive  
it's all about his presence  
it's all about ascending  
into a lifestyle of his presence  
who may ascend well  
the word who is actually the Hebrew word  
that's pronounced me m  
y e in the question is the answer  
you may ascend I wanna pray for you  
and I wanna thank you for joining us  
as we have grown and expanded over 2024 or 2023  
it has been awesome and we're so excited for 2024  
let's pray  
father I pray over your people in 2024  
an extended lifestyle I pray over your people  
the power and the glory of experiencing your presence  
on a whole new level  
God  
I pray a cleansing and a washing from all defilement  
all things that keep us from ascending  
I thank you for your perfect will for our lives  
I thank you for your power in our lives  
and I thank you god  
that you've preserved us  
I call forth a year of indication against the accuser  
and all the lies that have come to your people  
this is a year of the outrageous  
blessings of the father and I released  
the blessings of the father over your people  
that this will be a tremendous year of blessings  
from the father and vindication from our god  
and I thank you Lord  
that we will behold not our greatness  
not our great companies not just our great ministers  
trees not just our greatness in you  
but we'll behold you as you come in  
who is this king of glory

it's the Lord strong  
mighty in battle he is the king of glory  
and god I just thank you for 20:24  
as we anticipate living in the glory  
and ascending the hill of the Lord  
and staying there Lord  
that together we grow together we serve  
together we build  
we love you Jesus  
and we give you praise friends  
we love you  
we thank you for partnering with us this year  
being a part of our tribe  
and we're so excited to take things to the next level  
can you feel the excitement  
the anticipation in the Heavenlylys as we move forward  
we bless you we love you  
and we thank you for partnering with us  
we'll see you next week in Jesus name  
blessings on your 2024 now amen
