I'm seeing and  
it's like flowers  
but it's like different type of flowers it's like a um  
what do they call those  
kind of stores that produce flowers um  
like floral  
uh swords like that  
and I'm seeing roses blooming and by this uh  
creek and and it's like there's a  
a bear and a lion by this creek  
like by this particular creek and I don't know  
if that would mean anything to anyone  
but I'm I see something very specific  
and I can't hear if what's being said  
and so be patient with me friends  
this is gonna be a unique kind of experience  
if somebody has a microphone so I can hear  
if there's something there Bear Creek  
Eagle Mountain started on Bear Creek Road  
Bobby's church wow  
so so that's this is what I'll speak to  
I just the verse  
there was a verse that I wanted to read to you  
which is Matthew  
I believe it's  
there's a verse he said to his disciples  
the harvest truly is plentiful  
but the labors are few  
therefore pray the Lord  
the Lord of the harvest  
to send out labors into the harvest  
and so Lord  
I just pray right now in the name of Jesus  
speak this word over this church

I I feel like that there has been  
and this prophetic imagery that is coming together  
I'm saying it's just like  
there has been a battle at times at Bear Creek  
you have battled like David  
with lions and bears okay  
there has been a battle there  
but I feel like that David  
just as he wrestled with the lion and the bear  
it was ultimately to give him faith  
okay for um uh  
the the faith to overcome Goliath  
and I think some of the battles that you overcame  
at Bear Creek  
fighting there  
the enemy was ultimately to give you trophy like faith  
and I just released this with trophy like faith  
to overcome your biggest giants yet  
and I just say right now  
in the name of Jesus  
for there to be roses to bloom  
um and and daisies to blossom Lord  
I just pray right now for uh  
there to be a new sense of victory  
and just the same David  
that fought bears and bat and lions  
is also the same David who  
understood the significance of the secret place  
in Psalms 23  
when it says  
he leads me besides still waters  
so Lord right now  
in the name of Jesus  
I'm praying that in this next battle  
because of the width of the victory  
and I've never been there Lord  
I've never been there  
but but the cause of the victories  
of past victories  
of overcoming smaller

and what didn't seem small at the time  
but the lion  
and the bear gave David the faith for giants  
and I'm just praying that what is over the horizon  
that the victory over  
the giant that is going to face this church  
this ministry  
and the leadership  
this ministry  
and specific people in this ministry  
Lord I just pray right now  
in Jesus name  
that they would be LED by the still waters  
and that they are nurtured from that place of intimacy  
in the secret place with you  
and that is what will give them  
the strength and the anointing to overcome whatever  
the same bear that they fought  
that Bear Creek  
that same river of living water  
is going to strengthen them and sustain them  
for the bear  
and for the lion  
and for the giant  
and Goliath  
and so Lord I  
I just see a kingly anointing  
Lord as a Shepherd  
David overcame the lion and the bear  
but it was it was  
it was he was on his way to being the king  
that he was gonna be crown king  
that he overcame Goliath  
and he overcame criticism  
skepticism pessimism  
even from his own friends and family  
but I just released that kingly anointing  
David was a king in Shepherd's clothing  
so Lord I just pray right now  
for a greater release

of the creek  
Lord of the  
the river of living water  
there he leaves me  
beside still waters  
I pray for a restoration of the soul  
of weary people  
that are a part of this ministry  
I pray for a restoration Lord  
in the heart of all the leadership  
because I truly believe greater  
is what defines this ministry  
Lord I just pray  
in Jesus name that  
that as they overcame the  
lion and the bear  
that they're gonna overcome and take out their Goliath  
and I do know Lord uh  
the Eagle Mountain Lord uh  
that there's an eagle  
like anointing  
that is going to even be released even more  
and they're going to have eyes to see  
at the top of that mount  
of transfiguration  
the Transfiguration  
the transformation  
glory of god  
just like the three saw  
the amount of transfiguration  
I just released that  
giant slang  
eagle flying  
king priest  
anointing for the greater  
in the days ahead  
because the battles that they will overcome in  
the next 24 months  
are going to establish them  
for a victory

for the next 24 years  
and I just declare that in Jesus  
mighty name  
over this family  
of believers  
and people that are present
