

## **Deuteronomy 33**

### **Small Group Study Questions**

The theme of Deuteronomy 33, the penultimate chapter of Deuteronomy, is blessing. Questions you might discuss in your small groups:

1. What did you think and/or how did you feel about today's reading and teaching?
2. Have you ever had a sense of receiving God's blessing? What were the circumstances and how did you respond?
3. Have you given God your blessings in your praise and worship of him? Can you do more?
4. The Israelites still have a sense of tribal identity in DT 33 which begins to disappear over the centuries. Our identity should be as followers of Jesus. How can we reinforce that identity and "bless" not only our fellow followers but those who may not yet be followers?
5. Have you formally given your blessing to your children? If not, do you think it is something you might try to do in the future?
