

Adult Education – Jesus: The Promise Fulfilled
Sunday, March 3

Our lesson today dealt with Jesus the Savior. In your small groups you might discuss the following:

1. What did you think and/or how did you feel about today's teaching?
2. Did you grow up in a church that had a Palm Sunday procession? If so, share about what your impressions were of the service growing up. If not, talk about your first experience of it. (And if you've never attended one, ask some questions about what this service looks like at St. John the Divine!) Why do you think we repeat this service every year?
3. What are some areas of your life where you need Jesus to rule? Pray over these together.
