

Adult Sunday School – The Gospel of Mark Small Group Questions for February 6, 2022

1. In our Scripture reading for today, it says that Jesus will be “delivered”. Have you thought about the significance of using the word “delivered” versus “betrayed” and what that means to us as Christians?
2. Instead of taking Jesus’ teaching to heart, what did the disciples argue about on the way to Capernaum (33-37)? If we want to be first today, describe what that would look like in your daily life (home, work, and leisure).
3. Have you ever heard people more concerned with “their legacy” than what is the most important? What is being taught to the disciples about the other disciples (38-41)? What may we learn about other servants of Christ who teach in Jesus’ name and teach consistently with the Bible?
4. Why do we rarely hear of “fire and brimstone” preaching? What truth does it contain? (48)
5. What does it mean to be salted with fire (49)? What are the consequences of losing saltiness, and of having salt among ourselves (50)?
