

December 5

Joy Makes Us Strong

Read: Nehemiah 8:10b (NIRV)

Don't be sad. The joy of Yahweh makes you strong.

Family Thought:

The people of Israel were crying when they heard Yahweh's Word—they realized how far they'd wandered. But Nehemiah reminded them to celebrate instead! Yahweh forgives and loves us. His joy fills our hearts and gives us strength to keep going, even when life is hard.

Talk About It:

- How do you think joy makes us strong?
- What helps you remember Yahweh's joy?

Pray:

Thank You, Yahweh, that Your joy gives us strength every day. Help us share that joy with others. Amen.
