

I Thank God

Verse 1

Wandering into the night
Wanting a place to hide
This weary soul
This bag of bones
I try with all my might
But I just can't win the fight
I'm slowly drifting
A vagabond

Pre Chorus 1

And just when I ran out of road
I met a man I didn't know
And He told me that
I was not alone

Chorus

He picked me up
He turned me around
He placed my feet on solid ground
I thank the Master
I thank the Savior
Because He healed my heart
He changed my name
Forever free I'm not the same
I thank the Master
I thank the Savior
I thank God

Verse 2

I cannot deny what I see
Got no choice but to believe
My doubts are burning
Like ashes in the wind
So so long to my old friends
Burden and bitterness
You can just keep it moving
You ain't welcome here

I Thank God

Pre Chorus 2

From now 'til I walk
The streets of gold
I'll sing of how You saved my soul
This wayward son has found
His way back home

Chorus

He picked me up
He turned me around
He placed my feet on solid ground
I thank the Master
I thank the Savior
Because He healed my heart
He changed my name
Forever free I'm not the same
I thank the Master
I thank the Savior
I thank God

Bridge

Hell lost another one
I am free I am free
I am free
Hell lost another one
I am free I am free
I am free

Bridge

Hell lost another one
I am free I am free
I am free
Hell lost another one
I am free I am free

Chorus

He picked me up
He turned me around

I Thank God

He placed my feet on solid ground
I thank the Master
I thank the Savior
Because He healed my heart
He changed my name
Forever free I'm not the same
I thank the Master
I thank the Savior
I thank God

Refrain

Get up get up get up
Get up outta that grave
Get up get up get up
Get up outta that grave
