 - b. ... by taking in the goodness of God

Main Idea:

As believers, we foster true community by wholeheartedly loving one another and pursuing God.

DISCUSSION QUESTIONS:

- What is meant by the phrase “the obedience of truth” in v. 22?
- What should love for one another look like in the church community?
- Why is the eternal nature of God’s word such a comfort for us that place our faith in it?
- How does 2:1 serve as a hinge to both what precedes it in 1:22–25 and what follows it in 2:2–3?
- Discuss how we go about craving the spiritual milk that is ours through the grace of God.
