Theme: Living by the Spirit includes Adoption

Passage: Romans 8:14–17

Main Idea: Those of us led by the Spirit belong to God's family (14).

What does this mean?

1. We receive the Spirit that adopts us into intimate relationship with our heavenly Father (15).
2. We possess assurance that we are God's children (16).
3. We inherit all that belongs to Christ (17).

Application Questions:

- What does it mean to be led by the Spirit? How does He lead you?
- If we don't have a spirit of slavery to fear, why is it that so many believers still fear?
- What are the benefits of being adopted into God's family? How are you experiencing these presently?
- What will we inherit as children of God? What does *we being an heir* with Christ mean we will presently experience? Why would God allow that for his children?
