Passage: John 13:1–30

Theme: Glory and Grace through Service

Four Truths that we learn concerning discipleship and service:

1. Discipleship begins with the service of the Ultimate Servant (1–5).
2. Disciples receive the cleansing service Jesus provides (6–11).
3. Disciples willingly and actively serve one another (12–20).
4. Even those closest to Christ can reject his service and walk into darkness (21–30).

Main Idea: The glory and grace of Jesus demonstrates itself through service.

Application Questions:

- Why do we find it so odd to speak of Jesus serving us? In what ways do we act like Peter did in this passage (vv. 6–10)?
- What are the two types of cleansing that are mentioned in this text? Jesus's washing the disciples' feet relates to which of these?
- How do we apply the foot-washing of Jesus to our lives today?
- In what ways do/can you serve your fellow believers in the church?
- Can we know that we aren't going to do what Judas did in this scene? How?
