Weaving Sunday's message through your week

Discussion Questions:

- In 23:20–33, what does God say he will do for his people? What does this look like for us today?
- What responsibilities do we have in these same verses?
- In chapter 24, what is God trying to teach his people by limiting access to his presence?
- Why did the people need to be sprinkled with blood in verse eight, what does this demonstrate to us?
- What encouragement can we take today from this text?
