Ending Prayer

Heavenly Father, thank You for this time of discussion and learning together. We pray that You would help us to be the kind of church family that honors You one where we build each other up through good works, show proper respect for leadership, and embrace the roles You've given us. Protect us from division and false teaching, and help us to pursue godliness in all we do. May our lives reflect Your truth and love to those around us. We ask these things in Jesus' name. Amen.
