A FAMILIAR GOD IN AN UNFAMILIAR PLACE

"Then Jacob awoke from his sleep and said, 'Surely the Lord is in this place, and I did not know it." Genesis 28:16

Text: Genesis 28:10-19

Big Idea: No matter where you are, God is with you!

Sermonic Aim: The way we view everything around us will begin to change! No longer will the world be restricted to what I know through observation. No longer will it be restricted to the church building; but my mind will be opened to the wider reality around me!

- God works in unexpected places, at unexpected times, and in unexpected ways!
- It is when we least expect it, we CAN know that we are not alone, that God is there and has been all along

Complication: Being too preoccupied by our own concerns to notice Him

"Then Jacob departed from Beersheba and went toward Haran." Genesis 28:10
