**Connect:** What is a memory of Easter's past in your life? Was it a significant holiday for you or not so much?

**Engage:** Reread these passages, what shines through to you about these passages?

We are always looking for hope! Where have you looked for hope or are looking for hope in your life?

We are a forgetful people – Where have you seen God work and then have forgotten it when life gets hard? Tell about that experience!

Zach shared that Life is a slow muddy walk to the grave – Have you experienced that in your life or someone's life?

Because of Jesus rising from the dead – all the disciples ran towards the grave and were killed for their faith.

Where can you trust Jesus because of Christ rising from the dead?

2 Corinthians 4:16 (NIV) states: "

Therefore, we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day."

Where do you see this in life?

Zach made 2 points

1. The assurance of the forgiveness of sins. You are a new creation. If you have accepted Jesus your sins are gone. Do you believe that? How are you living in that reality?
2. The hope and meaning in Life  
Where have God given you hope?

**Apply:** In light of the gospel message – what is the invitation for you this week, this month, this year?

Where do you need to experience resurrection in your life?

Is there someone who needs to hear about the resurrection this week?
