### **Moving Forward**

Our God-given destiny will line up with the His Word found in the Bible. This week, reflect over the following questions as you seek to walk on the path that your Heavenly Father has laid before you.

1. Is there a dream, desire, or destiny that I believe God gave me? Is my life currently on the path to living out that dream?

2. Are there changes I need to make in my life to get back on that path?

3. What actions am I taking to help me discover this God-given dream for my life?

4. Who is investing in my life to help me reach/discover this God-given dream?

5. How am I incorporating God's Word, the Bible, into my daily routine, so that I may test everything by His Word?
