

INTRODUCING THE FOOTHILLS CHRISTIAN CHURCH APP

The Foothills Christian Church App is your simple, secure way to stay connected to everything happening in our church family. Whether you're at home, at work, or on the go, the app helps you stay informed, engaged, and growing spiritually.

Watch & Listen

- Stream live services
- Watch past sermons anytime
- Listen to podcasts and teaching series
- Access special messages and devotionals

Connect & Communicate

- Join ministry groups
- Send and receive messages
- Submit prayer requests
- Stay in touch with ministry leaders

Stay Informed

- View the church calendar
- View and register for events
- Get important updates
- Receive push notifications

Give Securely

- Set up one-time or recurring gifts
- Manage your giving profile
- Access giving statements

Grow Spiritually

- Access Bible reading plans
- Follow sermon notes
- Use discipleship resources
- Share content with friends and family

How to Get Started

I. Download the Subsplash Church App

- Go to your app store (Apple or Google Play)
- Search for our church name (Foothills Christian Church NC)
- Or, scan the QR code here for a **direct link**

II. Set Up an Account (Profile)

- Open the FCC App
- Access Profile Menu by clicking the profile icon in the upper right corner.
- Account Sign Up: Click "Log in or sign up" and select **PHONE** as the authentication method
- Enter Details
- Follow on screen directions to Verify Account

III. Allow Notifications: iPhone Steps

- Settings> Notifications> Scroll down to FCC> Toggle On Allow Notifications> Select **Immediate Delivery**

Make sure in Do Not Disturb Allow Notifications for App Is Turned On

- Settings> Focus> Do Not Disturb>Apps> Allow Notifications From> +Add Apps>Select FCC

IV. Allow Notifications From Groups

- Open the FCC app
- Tap your profile icon
- Log into the app
- Scroll down to the **App Settings** Heading and select **Notifications**
- **All Groups will be visible**
 - Toggle on these Groups:
 - General,
 - Congregation
 - Digital Bulletin
 - If you are Children's Ministry Volunteer, toggle on the week you serve
 - Toggle on any other Groups in which you are involved

III. Allow Notifications: Android Steps:

- Method 1: DND Settings
 - Settings > Notifications > Do Not Disturb > App notifications (or "Allowed Apps"). Add the desired apps to the allowed list.
- Method 2:
 - App Info (Granular) Long-press the app icon, tap the (i) info icon, tap Notifications, and enable "Override Do Not Disturb" for specific notification channels.
- Key Tips:
 - Android 13+: If the toggle is greyed out, you may need to enable "Allow Restricted Settings" in the app's info page first.
 - Volume: Ensure your ringtone/notification volume is not muted, as this can still silence allowed notifications.
