**Genesis 10-11**  
**May 10, 2026**

I. The Nations (10:1-32)

II. The Tower (11:1-9)

III. The Fathers (11:10-26)

**LET’S GO DEEPER:**

1. What names do you recognize in Genesis 10? What is emphasized in this chapter? (Hint: What things are repeated? How does the chapter begin and end?)
2. According to Genesis 11:4, what are people aspiring to accomplish? What are they trying to avoid? How are we tempted to live in the same sinful patterns?
3. In Genesis 11:5-9, how does the Lord humble humanity? What do we learn about our relationship with God from this event?
4. How would you describe the genealogy in Genesis 11:10-26? In the context of Genesis, why is this genealogy important? (Notice how it ends in verse 26).
